

**CHURCH OF MARY IMMACULATE, REFUGE OF SINNERS**  
**19<sup>th</sup> November 2017**

**Theme: Today we remember all the priests and members of the Folk Group who have died during the 45 years of its existence.**

**Entrance: Beautiful City**

Come sing me sweet rejoicing, come sing me love  
We're not afraid of voicing, all the things we're dreaming of  
Oh, high and low and everywhere we go

Ch: We can build a beautiful city, yes we can, yes we can  
We can build a beautiful city, and call it ours  
Call it the city of man

We don't need alabaster, we don't need chrome  
We've got a special plaster  
Take my hand, I'll take you home  
We see nations rise in each other's eyes

*Chorus*

Come sing me sweet rejoicing, come sing me love  
We're not afraid of voicing, all the things we're dreaming of  
Oh, high and low and everywhere we go

*Chorus*

**Psalm: Nothing More**

To be humble, to be kind  
It is the giving of the peace in your mind  
To a stranger, to a friend  
To give in such a way that has no end.

Ch: We are love. We are one.  
We are how we treat each other when the day is done.  
We are peace. We are war.  
We are how we treat each other and nothing more.

To be bold, to be brave.  
It is the thinking that the heart can still be saved  
And the darkness can come quick  
The danger's in the anger and the hanging on to it.

*Chorus*

Tell me what it is that you see  
A world that's filled with endless possibilities?  
Heroes don't look like they used to, they look like you do.

Love. One. Love. One.

*Chorus*

We are how we treat each other and nothing more  
We are how we treat each other

**Offertory: I Was Here**

You will notice me  
I'll be leavin' my mark like initials carved in an old oak tree  
You wait and see  
Maybe I'll write like Twain wrote  
Maybe I'll paint like Van Gogh  
Cure the common cold, I don't know  
But I'm ready to start cos I know in my heart

I wanna do somethin' that matters  
Say somethin' different  
Somethin' that sets the whole world on its ear  
I wanna do somethin' better  
With the time I've been given  
And I wanna try  
To touch a few hearts in this life  
Leave nothin' less  
Than somethin' that says "I was here"

I will prove you wrong  
If you think I'm all talk, you're in for a shock  
Cos this dream's too strong  
And before too long

Maybe I'll compose symphonies,  
Maybe I'll fight for world peace  
Cos I know it's my destiny  
To leave more than a trace of myself in this place

I wanna do somethin' that matters  
Say somethin' different  
Somethin' that sets the whole world on its ear  
I wanna do somethin' better  
With the time I've been given  
And I wanna try  
To touch a few hearts in this life  
Leave nothin' less  
Than somethin' that says "I was here"

And I know that I will do more than just pass through this life  
I'll leave nothin' less than somethin' that says "I was here"

(I wanna do somethin') "I was here"  
(somethin' that matters) "I was here"  
(I wanna do somethin') "I was here"

**Consecration Acclamation: We Must Reach Out**

We must reach out to one another  
In every land and every race  
So that in Christ our Lord  
We form a single chord  
And then, our Father, we can praise

**Communion: Forever Young**

May God bless and keep you always  
May your wishes all come true  
May you always do for others  
And let others do for you  
May you build a ladder to the stars  
And climb on every rung  
May you stay forever young  
Forever young, forever young  
May you stay forever young.

May you grow up to be righteous  
May you grow up to be true  
May you always know the truth  
And see the lights surrounding you  
May you always be courageous  
Stand upright and be strong  
May you stay forever young  
Forever young, forever young  
May you stay forever young.

May your hands always be busy  
May your feet always be swift  
May you have a strong foundation  
When the winds of changes shift  
May your heart always be joyful  
And may your song always be sung  
May you stay forever young  
Forever young, forever young  
May you stay forever young.

Today we remember the priests and members of the Folk Group who have died. We remember their music, their talent, the laughter, the sadness, and their contribution to the evolution and continuity of the Rathmines Folk Group. Above all we remember their friendship.

**Recessional: Love Shine a Light**

Love shine a light in every corner of my heart  
Let the love light carry, let the love light carry  
Light up the magic, in every little part  
Let our love shine a light in every corner of our hearts

Love shine a light in every corner of my dream  
Let the love light carry, let the love light carry  
Like the mighty river flowing from the stream  
Let our love shine a light in every corner of my dream

Ch: And we’re all gonna shine a light together, all shine a light  
to light the way  
Brothers and sisters in every little part  
Let our love shine a light in every corner of our hearts

Love shine a light in every corner of the world  
Let the love light carry, let the love light carry  
Light up the magic for every boy and girl  
Let our love shine a light in every corner of the world

*Chorus x2*
