ALL GOOD GIFTS

We plough the fields and scatter the good seed on the land
 And it is fed and watered by God's almighty hand
 He sends the snow in Winter, the warmth to swell the grain
 The breezes and the sunshine and soft refreshing rain

All good gifts around us are sent from heaven above
 So thank the Lord, thank the Lord for all His love

We thank thee then oh Father for all things bright and good
 The seedtime and the harvest, our life, our health, our food
 No gifts have we to offer for all thy love imparts
 But that which thou desirest, our humble thankful hearts

All good gifts around us are sent from heaven above
 So thank the Lord, thank the Lord for all His love
 I really want to thank you
 All good gifts around us are sent from heaven above
 All good gifts around us, thank the Lord

ALL THE PEOPLE SAID AMEN

You are not alone, if you are lonely
 When you feel afraid, you're not the only
 We are all the same, in need of mercy
 To be forgiven and be free
 It's all you got to lean on but thank God it's all you need

And all the people said amen, whoa o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen

If you're rich or poor, well it don't matter
 Weak or strong, we know love is what we're after
 We're all broken but we're all in this together
 God knows we stumble and fall
 And he so loved the world he sent his son to save us all

And all the people said amen, whoa o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen

Blessed are the poor in spirit who are torn apart
 Blessed are the persecuted and the pure in heart
 Blessed are the people hungry for another start
 For this is the kingdom – the kingdom of God

And all the people said amen, whoa o o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen

And all the people said amen, whoa o o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen
 And all the people said amen

ALL WE LIKE SHEEP

All we like sheep have gone astray, we've turned everyone to his own way
 And the Lord has laid on Him, the iniquity of us all
[repeat]

He bore our sorrow and our pain, and took away our sins
 And he has given with his strife, and made us whole again

The trusting Lamb was led away, our sinfulness the price to pay
 And the Lord has laid on Him, the iniquity of us all

He bore our sorrow and our pain, and took away our sins
 And he has given with his strife, and made us whole again

All we like sheep have gone astray, we've turned everyone to his own way
 And the Lord has laid on Him, the iniquity of us all

THE ALMIGHTY REIGNS

Halleluia, for the Lord our God the Almighty reigns
 Halleluia, for the Lord our God the Almighty reigns
 Let us rejoice and be glad, and give the glory unto Him
 Halleluia, for the Lord our God the Almighty reigns

[x3]
 The Almighty reigns

AND THE WORD THAT WAS IN THE BEGINNING (Born Twice)

And the word that was in the beginning, was whispered in my ear
 I heard no more doleful music
 But a sound so bright and clear
 And the voice it got much louder
 As I stopped to listen in
 And my heart received its message
 And my soul began to live

Ch: You can be born twice and have paradise, Right now and here
 You can be born twice and have paradise, Right now and here

And though your faith has been shaken and driven in the wind
 There is always hope for those who realise they have sinned
 Jesus died, and rose, and He lives for you today
 And if you ask Him into your life, His love and His truth you will know

Chorus

You can be born twice and have paradise, Right now and here
 You can be born twice and have paradise
 Right now and, right now and, right now and here

ANOTHER DAY IN PARADISE

She calls out to the man on the street, Sir can you help me
 It's cold and I've nowhere to sleep, 's there somewhere you can tell me
 He walks on, doesn't look back, he pretends he can't hear her
 Starts to whistle as he crosses the street, seems embarrassed to be there

Oh, think twice, cos it's another day for you and me in paradise
 Oh, think twice, cos it's another day for you, you and me in paradise
 Think about it

She calls out to the man on the street, he can see she's been crying
 She's got blisters on the soles of her feet, she can't walk but she's trying

Oh, think twice, cos it's another day for you and me in paradise
 Oh, think twice, it's just another day for you, you and me in paradise
 Just think about it

Oh Lord, is there nothing more anybody can do
 Oh Lord, there must be something you can say

You can tell from the lines on her face, You can see that she's been there
 Probably been moved on from every place, cos she didn't fit in there

Oh, think twice, cos it's another day for you and me in paradise
 Oh, think twice, it's just another day for you, you and me in paradise
 Just think about it, just think about it

It's just another day for you and me in paradise [x2]

THE BEATITUDES

A multitude followed a man, a prophet who spoke words of wisdom
 And they listened, trying to understand
 The paradox of his great truth

He said, blessed be those who are poor, for you shall inherit the Kingdom
 And blessed be those who are weak, for you shall inherit great strength
 Blessed be those who are children, for you shall be counted as wise
 And blessed be the blinded, for you shall see with new eyes

Behold now the Kingdom, behold now the Kingdom
 Behold now the Kingdom, see with new eyes

Blessed be those with compassion, for you shall inherit compassion
 And blessed be those who forgive, for you shall be forgiven
 But you shall receive consolation, if only it leads you to give
 And only in dying for others, can you be reborn to live

Behold now the Kingdom, behold now the Kingdom
 Behold now the Kingdom, see with new eyes

A multitude followed a man, a prophet who spoke words of wisdom
 And they listened, yet could not understand
 The paradox of his great truth

BEAUTIFUL AFFAIR

See all the doors swing open your life's unfolding before your very eyes
 Such a strange affair
 Walking around be part of the sound, forget your downs
 Feel the air, beautiful affair

When you feel like layin' low, and the mountains seem no closer than before
 And you wonder why
 You know in your mind it does no good to hide
 And the only way is living to survive, makes you feel alive

Then all the doors swing open your life's unfolding before your very eyes
 Such a strange affair
 Walking around, come into the sound, forget your downs
 Feel the air, beautiful affair

Comes a time when you look around
 And you see the ocean waiting for your eyes, showing no surprise
 You make your way down to the shore, you climb on board
 Give yourself a smile, makes you feel alive

Then all the doors swing open your life's unfolding.... **come into** the sound...

See all the doors swing open your life's unfolding.... **be part of** the sound...

BEAUTIFUL CITY

Come sing me sweet rejoicing, come sing me love
 We're not afraid of voicing, all the things we're dreaming of
 Oh, high and low and everywhere we go

Ch: We can build a beautiful city, yes we can, yes we can
 We can build a beautiful city, and call it ours
 Call it the city of man

We don't need alabaster, we don't need chrome
 We've got a special plaster
 Take my hand, I'll take you home
 We see nations rise in each other's eyes

Chorus

Come sing me sweet rejoicing, come sing me love
 We're not afraid of voicing, all the things we're dreaming of
 Oh, high and low and everywhere we go

Chorus

BECAUSE HE CARES

Whenever we sing your praise, together our voices raise
 Giving you thanks for everything that you have done
 Born as a child for us, you gave up your life for us
 You are our Lord, because we believe, you are the one

Ch: And if ever we may fall, we don't even have to call
 Because Jesus, Lord of all, is already there
 Because He cares

In all of our friends we see the love and the unity
 That we receive because we believe and trust in you
 Whatever the time of day, whatever we do or say
 We can just try to live the way you told us to

Chorus

Whenever we sing your praise, together our voices raise
 Giving you thanks for everything that you have done
 Born as a child for us, you gave up your life for us
 You are our Lord, because we believe you are the one
 You are our Lord, because we believe you are the one

BE NOT AFRAID

You shall cross the barren desert, but you shall not die of thirst
 You shall wander far in safety though you do not know the way
 You shall speak your words to foreign men, and they will understand
 You shall see the face of God, and live

Ch: Be not afraid, I go before you always
 Come follow me, and I will give you rest

If you pass through raging waters of the sea, you shall not drown
 If you walk amid the burning flames, you shall not be harmed
 If you stand before the fires of hell, and death is at your side
 Know that I am with you through it all

Chorus

Blessed are your poor for the Kingdom shall be theirs
 Blessed are you that weep and mourn, for one day you shall laugh
 And if wicked men insult and hate you, all because of me
 Blessed, blessed are you

Chorus

BRIGHT BLUE ROSE

I skimmed across black water, without once submerging
 Onto the banks of an urban morning
 That hungers the first light much, much more
 Than the mountains ever do
 And she like a ghost beside me, goes down with the ease of a dolphin
 And emerges unlearned, unshamed, unharmed
 For she is the perfect creature, natural in every feature
 And I am the geek with the Alchemist's stone

For all of you who must discover, for all who seek to understand
 For having left the path of others, you'll find a very special hand

And it is a holy thing and it is a precious time
 And it is the only way
 Forget-me-nots among the snow, it's always been and so it goes
 To ponder His death and His life eternally

For all of you who must discover, for all who seek to understand
 For having left the path of others, you'll find a very special hand

And it is a holy thing and it is a precious time
 And it is the only way
 Forget-me-nots among the snow, it's always been and so it goes
 To ponder His death and His life eternally

One bright blue rose outlives all those
 Two thousand years and still it grows
 To ponder His death, and His life eternally

BROKEN THINGS

You can have my heart, but it isn't new
 It's been used and broken and only comes in blue
 It's been down a long road, and it got dirty on the way
 If I give it to you, will you make it clean, wash the pain away

Ch: You can have my heart, if you don't mind broken things
 You can have my heart, if you don't mind these tears
 But I have heard that you make all things new
 So I give these pieces all to you, if you want it
 You can have my heart

It's all beyond repair, nothing I could do
 Tried to fix it myself, but it was only worse when I got through
 Then you walk right into my darkness
 And you speak words so sweet, you hold me like a child
 'Till my frozen tears fall at your feet

Chorus

BROTHER SUN, SISTER MOON

Brother sun and sister moon, I seldom see you, seldom hear your tune
 Preoccupied with selfish misery, Brother wind and sister air
 Open my eyes to vision pure and fair, That I may see the glory around me
 I am God's creature, of Him I am part, I feel His love awakening my heart

Brother sun and sister moon, I now do see you, I can hear your tune
 So much in love with all that I survey

Brother sun and sister moon, I now do see you, I can hear your tune [x2]
 So much in love with all that I survey

BY MY SIDE

Where are you going, where are you going, Will you take me with you
 For my hand is cold and needs warmth, where are you going
 Far beyond where the horizon lies, where the horizon lies
 And the land sinks into mellow blueness, Oh please, take me with you

Let me skip the road with you, I can dare myself, I can dare myself
 I'll put a pebble in my shoe, and watch me walk, I can walk and walk
 I shall call the pebble dare; we will talk together about walking
 Dare shall be carried, and when we both have had enough
 I will take him from my shoe, saying, "meet your new road"
 Then I'll take your hand, finally glad that you are here
 By my side, by my side, by my side, by my side

COME AS YOU ARE

Come out of sadness from wherever you've been
 Come broken-hearted, let rescue begin
 Come find your mercy, oh brother, come kneel
 Earth has no sorrow that heaven can't heal

So lay down your burdens. Lay down your pain
 All who are broken lift up your face
 Oh wanderer, come home, you're not too far
 So lay down your hurt, lay down your heart. Come as you are

There's hope for the hopeless and all those who've strayed
 Come sit at the table, come taste the grace
 There's rest for the weary, rest that endures
 Earth has no sorrow that heaven can't cure

So lay down your burdens. Lay down your pain
 All who are broken lift up your face
 Oh wanderer, come home, you're not too far
 So lay down your hurt, lay down your heart
 Come as you are, Come as you are
 Fall in his arms, Come as you are

There's joy for the morning, oh sister, be still
 Earth has no sorrow that heaven can't heal
 Earth has no sorrow that heaven can't heal

So lay down your burdens. Lay down your pain
 All who are broken lift up your face
 Oh wanderer, come home, you're not too far
 So lay down your hurt, lay down your heart. Come as you are
 So lay down your hurt, lay down your heart. Come as you are

CREATE IN ME

Create in me a clean heart oh God; let me be like you in all my ways
 Give me your strength, teach me your song
 Shelter me in the shadow of your wings
 For we are your righteousness
 If we die to ourselves and live through your death
 Then we shall be born again to be blessed in your love

DAY BY DAY

Day by day, day by day, oh dear Lord three things I pray
 To see thee more clearly, love thee more dearly
 Follow thee more nearly, day by day

[x2]

Except a man be converted and become as a child he cannot enter
 Into the kingdom of Heaven, Jesus said
 Except a man be converted and become as a child he cannot enter
 Into the kingdom of Heaven

Suffer little children to come unto me, for such is the kingdom of Heaven, Jesus said
 Suffer little children to come unto me, for such is the kingdom of Heaven
 To see thee more clearly, love thee more dearly
 Follow thee more nearly, day by day

Day by day, day by day, oh dear Lord three things I pray
 To see thee more clearly, love thee more dearly
 Follow thee more nearly, day by day

Day by day, day by day, oh dear Lord three things I pray
 To see thee more clearly, love thee more dearly
 Follow thee more nearly, day by day

DEAR LORD GIVE ME STRENGTH

Dear Lord give me strength to carry on
 Dear Lord give me strength to carry on
 My home may be out on the highway, Lord I've done so much wrong
 So please give me strength to carry on

Dear Lord give me strength to carry on (Oohh..., carry on)
 Dear Lord give me strength to carry on (Oohh..., to carry on)
 My home may be out on the highway, Lord I've done so much wrong (Aahh...)
 But please give me strength to carry on (please give me strength to carry on)

DOWN IN THE RIVER TO PRAY

As I went down in the river to pray, studying about that good ol' way
 And who shall wear the **starry crown**
 Good Lord show me the way.
 Oh **sisters** let's go down, let's go down, come on down
 Oh sisters let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
 And who shall wear the **robe and crown**
 Good Lord, show me the way.
 Oh **brothers** let's go down, let's go down, come on down
 Come on brothers let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
 And who shall wear the **starry crown**
 Good Lord show me the way.
 Oh **fathers** let's go down, let's go down, come on down
 Oh fathers let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
 And who shall wear the **robe and crown**
 Good Lord, show me the way.
 Oh **mothers** let's go down, come on down, don't you wanna go down
 Come on mothers let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
 And who shall wear the **starry crown**,
 Good Lord show me the way.
 Oh **sinner**s let's go down, let's go down, come on down
 Oh sinners let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
 And who shall wear the **robe and crown**
 Good Lord, show me the way.

EAGLES' WINGS

You who dwell in the shelter of the Lord
 Who abide in His shadow for life
 Say to the Lord, "My refuge, my rock in whom I trust"

Ch: And He will raise you up on eagles' wings, bear you on the breath of dawn
 Make you to shine like the sun, and hold you in the palm of His hand

You need not fear the terror of the night, nor the arrow that flies by day
 Though thousands fall about you, near you it shall not come

Chorus

For to His angels He's given a command, to guard you in all of your ways
 Upon their hands they will bear you up, lest you dash your foot against a stone

Chorus....And hold you, hold you in the palm of His hand

EI SHADAI

Ch: El Shadai, El Shadai, El El Yona Adonai
 Age to age you're still the same by the power of the name
 El Shadai, El Shadai, Er kam kana Adonai
 We will praise and lift you high, El Shadai

Through your love and through the Ram, you saved the Son of Abraham
 Through the power of your hands, turned the sea into dry land
 To the outcast on her knees, you were the God who really sees
 And by your might you set your children free

Chorus

Through the years you made it clear that the time of Christ was near
 Though the people could not see what Messiah ought to be
 Though your word contained a plan, they just could not understand
 Your most awesome work was done through the frailty of your Son

El Shadai, El Shadai, El El Yona Adonai
 Age to age you're still the same by the power of the name
 El Shadai, El Shadai, Er kam kana Adonai
I will praise you 'til I die, El Shadai

Repeat last chorus

FATHER AND SON

It's not time to make a change, just relax and take it easy
 You're still young that's your fault there's so much you have to know
 Find a girl, settle down, if you want you can marry
 Look at me, I am old but I'm happy
 I was once like you are now and I know that it's not easy to be calm
 When you've found something going on
 But take your time, think a lot, why think of everything you've got
 For you will still be here tomorrow but your dreams may not

How can I try to explain cos when I do he turns away again
 It's always been the same, same old story
 From the moment I could talk I was ordered to listen
 Now there's a way and I know that I have to go away
 I know I have to go (Away, away, away, I know I have to make this decision alone - no)

It's not time to make a change just sit down take it slowly
 You're still young, that's your fault there's so much you have to go through
 Find a girl, settle down, if you want you can marry
 Look at me, I am old but I'm happy (Stay, stay, stay why must you go and make this decision alone?)

All the times that I've tried keeping all the things I knew inside
 It's hard, but it's harder to ignore it
 If they were right I'd agree but it's them they know not me
 Now there's a way and I know that I have to go away
 I know I have to go

FLESH AND BLOOD

If we leave here today
 We could be a thousand miles away
 Take to that road, see how far it goes
 And on that great ocean road
 Oh, the country's in our bones
 All the trouble that you know empties out as you go

Oh walk with me, talk with me
 Tell me your stories
 I'll do my best to understand you
 You're flesh and blood, flesh and blood
 Don't refuse me your love
 More than words can express
 More than wealth or success
 Oh there's a thousand things to do
 So let's start here with me and you
 All the pain that you feel
 All the hurt that seems so real

Oh come on, Walk with me, talk with me
 Tell me your stories
 I'll do my very best to understand you
 You're flesh and blood

You can't go on holding back the flooding river
 Keeping all that fear inside
 I know how trouble haunts you (It haunts me too)
 Yes and I do know how you feel

There's a thousand things to do
 So let's start here with me and you
 Gonna take a little time
 Let's see what we can find

Oh come on, Walk with me, talk with me
 Tell me your stories
 I'll do my best to understand you
 You're flesh and blood, flesh and blood
 Don't refuse me your love
 More than words can express
 More than wealth or success
 Oh there's a thousand things to do
 So let's start here with me and you
 All the pain that you feel
 All the hurt that seems so real

Oh come on, Walk with me, talk with me, Tell me your stories
 I'll do my very best to understand you, You're flesh and blood, you're flesh and blood...
 (Walk with me, talk with me, walk with me, talk with me, walk with me)

FOREVER YOUNG

May God bless and keep you always
 May your wishes all come true
 May you always do for others
 And let others do for you
 May you build a ladder to the stars
 And climb on every rung
 May you stay forever young
 Forever young, forever young
 May you stay forever young.

May you grow up to be righteous
 May you grow up to be true
 May you always know the truth
 And see the lights surrounding you
 May you always be courageous
 Stand upright and be strong
 May you stay forever young
 Forever young, forever young
 May you stay forever young.

May your hands always be busy
 May your feet always be swift
 May you have a strong foundation
 When the winds of changes shift
 May your heart always be joyful
 And may your song always be sung
 May you stay forever young
 Forever young, forever young
 May you stay forever young.

FORGIVE ME LORD

Forgive me Lord, I've done a lot of wrong
 I've done a lot of wrong, I've done a lot of wrong
 Forgive me Lord, I've done a lot of wrong to you

Every time I relied on myself, when I did struggle
 Every time I neglected your words and your saving love
 Every time I brought somebody down, when I needed a clown to cheer me
 For a million and two reasons, I need you each season

Forgive me Lord, I've done a lot of wrong
 I've done a lot of wrong, I've done a lot of wrong
 Forgive me Lord, I've done a lot of wrong to you

Come into my heart take away the darkness
 Come into my life take away the sadness
 Come into my soul take away the badness, I feel

Come into my heart take away the darkness
 Come into my life take away the sadness
 Come into my soul take away the badness, I feel
 And make me whole and young again

FOR THE LORD IS GOOD

Enter his gates with thanksgiving
 Come into his courts with praise
 Enter his presence rejoicing
 Singing great and mighty is his name

Praise him with the sound of the trumpets
 Praise him with the timbral and harp
 Let every creature in heaven and earth
 Lift the sound of praise, sing with all their heart

For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, and his mercy endures forever
 For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, And his mercy endures forever [x2]

Jesus the son is exalted, Maker of everything
 Come now and bow down before him
 Lift your hand in praise, raise your voice to sing

For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, and his mercy endures forever
 For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, And his mercy endures forever [x3]

FOR YOU ARE MY GOD

Ch: For you are my God, You alone are my joy, Defend me o Lord

1. You give marvellous comrades to me, The faithful who dwell in your land
 Those who choose alien gods, Have chosen an alien band
2. You are my portion and cup, It is you that I claim for my prize
 Your heritage is my delight, The lot you have given to me
3. You show me the path for my life, In your presence the fullness of joy
 To be at your right hand forever, To me would be happiness always

FREE

I wish I knew how it would feel to be free
 I wish I could break all the chains holding me
 I wish I could say all the things that I should say
 Say 'em loud, say 'em clear for the whole wide world to hear

I wish I could be like a bird in the sky
 How sweet it would be if I found I could fly
 Well, I'd soar to the sun and look down at the sea
 And I'd sing cos I'd know how it feels to be free

I wish I knew how it would feel to be free
 I wish I could break all the chains holding me
 I wish I could say all the things that I wanna say
 Say 'em loud, say 'em clear for the whole wide world to hear [x3]

One love, one blood, one life, you got to do what you should
 One life with each other, Sisters, Brothers
 One life, but we're not the same we got to carry each other, carry each other,
 One, one

I wish I knew how it would feel to be free [x2]

FROM A DISTANCE

From a distance, the world looks blue and green
 And the snow-capped mountains white
 From a distance, the ocean meets the stream
 And the eagle takes to flight
 From a distance, there is harmony
 And it echoes through the land
 It's the voice of hope, it's the voice of peace
 It's the voice of every man

From a distance, we all have enough and no one is in need
 There are no guns, no bombs, no diseases
 No hungry mouths to feed
 From a distance we are instruments, marching in a common band
 Playing songs of hope, playing songs of peace
 They're the songs of every man

God is watching us, God is watching us, God is watching us
 From a distance

From a distance, you look like my friend
 Even though we are at war
 From a distance, I can't comprehend
 What all this war is for
 From a distance, there is harmony
 And it echoes through the land
 It's the hope of hopes, It's the love of loves
 It's the heart of every man
 It's the hope of hopes, It's the love of loves
 It's the song of every man

FULL FORCE GALE

Like a full force gale I was lifted up again, I was lifted up again, by the Lord

No matter where I roam, I will find my way back home, I will always return to the Lord

In the gentle evening breeze, by the whispering shady trees
 I will find my sanctuary in the Lord

I was headed for a fall, then I saw the writing on the wall

Like a full force gale I was lifted up again, I was lifted up again, by the Lord

I was headed for a fall, then I saw the writing on the wall

In the gentle evening breeze, by the whispering shady trees
 I will find my sanctuary in the Lord

No matter where I roam, I will find my way back home, I will always return to the Lord

Like a full force gale I was lifted up again, I was lifted up again, by the Lord
 Like a full force gale I was lifted up again,
 I was lifted up again, I was lifted up again, I was lifted up again, by the Lord

GAUDETE

Ch: Gaudete, gaudete Christus est natus, Ex Maria Virginæ, gaudete

1. Tempus adest gratiæ hoc quod optabamus, Carminæ lætitiæ devote reddamus.
2. Deus homo factus est natura mirante, Mundus renovatus est a Christo regnante.
3. Ezechielis porta clausa pertransitur, Unde lux est orta salus invenitur.
4. Ergo nostra contio psallet iam in lustro, Benedicat Domino salus Regi nostro.

GET UP AND LIVE

Ch: Get up and live, stand up and walk, life is a gift from God, You've only one lifetime, live it well
Go to your brothers, help them all. Get up and live

Go to the poor, to the poor in your town, Go to the poor, to the poor my friend
Share their sorrow, let your pride down, Show them you care, try to understand

Chorus

Rejoice, rejoice, be happy in your town, Rejoice, rejoice, be happy my friend
Through your hands Christ has come to your town, He'll stay with you till the end

Chorus

Get up and live, stand up and walk, life is a gift from God, You've only one lifetime, live it well
Go to your brothers, help them all. Stand up and walk

GIFT

Well I knocked on your door to see if you wanted some hope
I was so sad when you only peeped out of your window
So I waited around, standing outside in the cold
But to my dismay the doors of your house remained closed

And I'm giving away gifts and you don't need no money to pay
Take what you want, if it's no good, then throw it away
Don't pass up the chance of something entirely free
Open your door and step out, come over to me

Several years later I happened to pass by your door
And I noticed you'd added some more bolts to make it secure
The bell wasn't working, the knocker was nailed to the wall
So I knocked with my hand, but you disregarded my call

And you're lucky my friend, I don't usually call a third time
But I noticed your door was replaced by a gate made of iron
And I hope you'll be happy chained to the walls of your cell
And I'll weep for you child, you're much too early for hell

And I'm giving away gifts and you don't need no money to pay
Take what you want, if it's no good, then throw it away
But don't pass up the chance of something entirely free
Open your door and step out, come over to me

GIVE IT ALL TO JESUS

Ch: There is strength for your weakness
 Freedom for your chains
 Healin' for your bruises, Peace for your pain
 There's reward for your labour
 Release when you're bound
 Just give it all to Jesus, Let him turn it around

Heart like a stone
 All your fears locked deep inside
 So all alone, never show the tears you cried
 You can't admit your weakness
 In a world so full of pride
 But the emptiness you feel can't be denied

Why do you stay
 When it only brings you down
 There is a way if you'll only turn around
 You can trade all of your failures
 For a love that never ends
 You can give up all your heartaches for a friend

He's got strength *(last line x2)*

GIVE THANKS

Give thanks, with a grateful heart
 Give thanks, to the holy one
 Give thanks, because He's given Jesus Christ, His son
(repeat)

And now, let the weak say I am strong
 Let the poor say I am rich
 Because of what the Lord has done for us
(repeat) (repeat from start) : 1st verse all melody; rest: middle and low harmony

GOD BLESS THE CHILD

Them that's got shall get, them that's not shall lose
 So the bible says, and it still is news
 Momma may have, Poppa may have
 But God bless the child that's got his own, that's got his own

The strong get more, while the weak ones fade
 Empty pockets don't ever make the grad
 Momma may have, Poppa may have
 But God bless the child that's got his own, that's got his own

Money you've got lots of friends crowding round the door
 When you're gone and spending ends, they don't come no more

Rich relations give crust of bread and such
 You can help yourself, but don't take too much
 Momma may have, Poppa may have
 But God bless the child that's got his own, that's got his own

GOD IS IN THE HOUSE

As for me God came and found me, as for me He took me home
 As for me He gave me a family and I'll never walk alone
 In my life I'm soaked in blessing and in Heaven there's a great reward
 As for me and my house we're gonna serve the Lord

I got Jesus, Jesus, He calls me for His own
 And He lifts me, lifts me, above the world I know
 God is in the house, there is no doubt. God is in the house, can't keep him out
 As for you (as for you), as for me (as for me), we're gonna serve the Lord

As for me God came and found me, as for me He took me home
 As for me He gave me a family and I'll never walk alone
 In my life I'm soaked in blessing and in Heaven there's a great reward
 As for me and my house we're gonna serve the Lord

I got Jesus, Jesus, He calls me for His own
 And He lifts me, lifts me, above the world I know
 God is in the house, there is no doubt. God is in the house, can't keep him out
 As for you (as for you), as for me (as for me), we're gonna serve the Lord

HARVEST FOR THE WORLD

All babies together, everyone a seed
 Half of us are satisfied, half of us in need
 And love's beautiful in us, tarnished by our greed
 Oh, when will there be a harvest for the world
 Harvest for the world

A nation planted so concerned with gain
 As the seasons come and go, greater grows the pain
 And far too many are feeling the strain
 Oh, when will there be a harvest for the world
 Harvest for the world

Gather every man, gather every woman
 Celebrate your lives, give thanks for your children
 Gather every one, gather all together
 Overlooking none, hoping life gets better

Dress me up for battle, when all I want is peace
 Those of us who pay the price, come home with the least
 And nation after nation are turning into beasts
 Oh, when will there be a harvest for the world

When will there be (Harvest for the world)
 I wanna know right now

HE AIN'T HEAVY

The road is long with many a winding turn
 That leads us to who knows where, who knows when
 But I'm strong, strong enough to carry him
 He ain't heavy, he's my brother

So on we go, his welfare is my concern
 No burden is he to bear, we'll get there
 For I know he will not encumber me
 He ain't heavy, he's my brother

If I'm laden at all, I'm laden with sadness
 That everyone's heart isn't filled with gladness
 Of love for one another

It's a long, long road from which there is no return
 While we're on our way to there, why not share
 For God knows, he doesn't weigh me down at all
 He ain't heavy, he's my brother, he's my brother, he's my brother

HEAL THE WORLD

There's a place in your heart and I know that it is love
 And this place could be much brighter than tomorrow
 And if you really try, you'll find there's no need to cry
 In this place you'll feel there's no hurt or sorrow
 There are ways to get there, If you care enough for the living
 Make a little space, Make a better place

Ch: Heal the world, make it a better place
 For you and for me and the entire human race
 There are people dying, If you care enough for the living
 Make a better place for you and for me

If you want to know why there's a love that cannot lie
 Love is strong, it only cares for joyful giving
 If we try we shall see, in this bliss we cannot feel
 Fear or dread, we stop existing and start living
 Then it feels that always, Love's enough for us growing
 So make a better world, make a better world
Chorus

And the dream we were conceived in will reveal a joyful face
 And the world we once believed in will shine again in grace
 Then why do we keep strangling life, wound this earth, crucify its soul
 Though it's plain to see this world is heavenly, Be God's glow

We could fly so high, let our spirits never die
 In my heart I feel you are all my brothers
 Create a world with no fear, Together we'll cry happy tears
 See the nations turn their swords into ploughshares
 We could really get there, If you cared enough for the living
 Make a little space, To make a better place
Chorus x3
 you and for me, you and for me, you and for me

HEAVEN HELP US ALL

Heaven help the child who never had a home
 Heaven help the girl who walks the streets alone
 Heaven help the roses if the bombs begin to fall
 Heaven help us all

Heaven help the black man if he struggles one more day
 Heaven help the white man if he turns his back away
 Heaven help the man who kicks the man who has to crawl
 Heaven help us all

Ch: Heaven help us all, heaven help us all
 Heaven help us, Lord hear our call when we fall
 Heaven help us all

Heaven help the boy who won't reach 21
 Heaven help the man who gave that boy a gun
 Heaven help the people with their backs against the wall
 Lord, heaven help us all

Chorus

Now I lay me down, before I go to sleep
 In a troubled world I pray the Lord to keep
 Hatred from the mighty and the mighty from the small
 Heaven help us all

*Chorus x2***HE CAME IN LOVE**

Pure and Holy Son of God, taking on the form of man
 Left the glory of His throne, came to bring salvation's plan
 Righteous Father, Holy One, looking down on us in Love
 Gave to us His only Son, sent with blessings from above

Ch: But we took Him and we nailed Him to a cross made of wood
 And we raised it high and dropped it in the ground where it stood
 And the blood that flowed to the earth below
 Brought forgiveness for the world that had treated Him so

"Peace on earth, goodwill to men," at His birth the angels sang
 "Love and mercy from the Throne," through the earth His message rang

Chorus

He came in love to bring us light in our darkness
 He came in peace to bring release from our pain
 He come in joy to bring us rest in our weariness
 He came in love to bring us beauty again

Chorus

HELP ME

Lord help me walk another mile, just one more mile
 I'm tired of walking all alone
 Lord help me smile another smile, just one more smile
 I know I just can't make it on my own

I never thought I needed help before
 I thought that I could do things by myself
 Now I know I just can't take it any more
 With a humble heart on bended knee
 I'm begging you please, help me

Come down from your golden throne to me, lonely me
 I need to feel the touch of your tender hand
 Remove the chains of darkness and let me see, Lord, let me see
 Just where I fit into your master plan

I never thought I needed help before
 I thought I could get by, by myself
 Now I know I just can't take it anymore
 With a humble heart on bended knee
 I'm begging you please, help me

HERE I AM, LORD

Ch: Here I am, Lord, is it I, Lord?
 I have heard you calling in the night.
 I will go, Lord, if you lead me
 I will hold your people in my heart.

1. I, the Lord of sea and sky
 I have heard my people cry
 All who dwell in dark and sin
 My hand will save
 I who made the stars of night
 I will make their darkness bright
 Who will bear my light to them
 Whom shall I send?

2. I, the Lord of wind and flame
 I will tend the poor and lame
 I will set a feast for them
 My hand will save
 Finest bread I will provide
 Till their hearts be satisfied
 I will give my life to them
 Whom shall I send?

HOLY MOTHER

Holy Mother, where are you *[Boy 1]*

Tonight I feel broken in two

I've seen the stars fall from the sky

Holy Mother, can't keep from crying

Oh I need your help this time *[Boy 2]*

Get me through this lonely night

Tell me please which way to turn

To find myself again

Holy Mother hear my prayer *[Boy 1]*

Somehow I know you're still there

Help me please find peace of mind

Take away this pain

I can't wait, I can't wait, I can't wait any longer (Ooh, ooh, ooh, ooh, ooh, ooh)

I can't wait, I can't wait, I can't wait for you (Ooh, ooh, ooh, ooh)

Holy Mother, hear my prayer, I call your name a thousand times *[all the boys]*

I felt the hunger running through my soul, All I need is a hand to hold

Oh I feel that the end is come, No longer my legs will run *[all]*

You know I would rather be, In your arms tonight

When my hands no longer play *[Boy 1]*

My voice is still I fade away *[Boy 2]*

Holy Mother, there we'll be *[together]*

Lying in, safe within - your heart *[1, 2 - together]*

Holy Mother, hear my cry, Holy Mother, hear my prayer *[x2]* *[all]*

HOPE

Long ago, and far away, they say a young man died

And looking back two thousand years, you wonder why He tried

But yet though time distorts the view and images grow vague

Still shines His light though shooting stars go spinning to the grave

Ch: Hope is the light that fills your eyes, hope is the word which Christ devised

Reflecting His world, green grass, blue skies

Hope is the strength you need

And if you should go by His door when nothing else is right

You'll find the light inside your heart will still be burning bright

But if your courage fails you then, you still must venture forth

And leave your footprints in the sand as tribute to your birth

Chorus...For life, for love your hope

I BELIEVE

I believe in loving you
 I believe only true love will do
 I believe in the human race
 And I believe it is a disgrace
 We don't love as much as we should
 I believe this world is ours
 I believe in supernatural powers
 I believe in matrimony
 And I believe in raising our children as free
 As free as they should be

**I believe in the Father and the Son and the Holy Ghost
 And the children of men he loves the most
 I believe we only can be free
 Living as God intended it to be
 According to the Word as it was spoken
 This is my pledge and this is my token
 I believe in no cheap imitations
 I believe in the realisation of Utopia
 And the kingdom come
 The Kingdom of God in everyone
 I believe in you *[Repeat from **]*

I FEEL LIKE GOING ON

I feel like going on, I feel like going on
 Though trials mount on every hand
 I feel like going on *[repeat this line first time]*
[x5 times: 1st: 2-3 singers, unison; 2nd: with men; 3rd: all & middle/low harmonies; 4th: with middle staggered harmony; 5th: with middle & low staggered harmony]

IN LOVE FOR ME (This Is My Body)

This is my body, broken for you, Bringing you wholeness, making you free
 Take it and eat it, and when you do, do it in love for me

This is my blood poured out for you, Bringing forgiveness, making you free
 Take it and drink it and when you do, do it in love for me, do it in love for me

IN THE PALM OF YOUR HAND

If I could have the world and all it owns, A thousand kingdoms, a thousand thrones
 If all the earth were mine to hold, With wealth my only goal
 I'd spend my gold on selfish things, Without the love that your life brings
 Just a little bit more is all I need, Til life was torn from me

Ch: I'd rather be in the palm of your hand
 Though rich or poor I may be
 Faith can see right through the circumstance,
 Sees the forest in spite of the trees
 Your Grace provides for me

If I should walk the streets no place to sleep, No faith in promises You keep ...
 I'd have no way to buy my bread, With a bottle for my bed.
 But if I trust the One who died for me, Who shed His Blood to set me free
 If I live my life to trust in You, Your Grace will see me through
Chorus

If I could have the world, If I could have the world and all it owns

I SING TO THE FATHER ALL LOVING

I sing to the Father all loving, I celebrate His love in us here
His grace will hold us together, and we shall have nothing to fear

Ch: Now I look to a future, a race to be run
And our love burns like fire from a hot summer sun
And in time, and in time, we will all be one

I sing to the Son who redeemed us, I glory in the glow of rebirth
He gave us all our tomorrows, just as He's given the earth

Chorus

I sing to the Spirit around us, who lives inside each of our souls
He guides us to a reunion, and all of our hearts he consoles

Chorus

I WANT TO GO HOME TO MY FATHER

Just a poor man, made poorer still by the knowledge of the riches I have squandered
Oh I've wandered, I stand convicted, even knowing that the deepest of my wounds were mostly
self-inflicted. Where did my heart go? Where have I been?
You opened my eyes to the darkness and lies and I shut them again

And I want to go home to my father. I want to be part of where my heart says I belong
I want to wash my weary soul in living water, I've been away, away too long
I want to go home

Out on the boundary of my freedom, I was looking for fences that could keep me in
And I found there were none. Only your sweet love, Lord, fool that I've been
You broke the chains of my heartache and pain, and I forged them again

Chorus

Oh Jesus, Lord, please help me, I'm so full of regret
So hard to forgive myself, harder to forget
I need you to hold me and heal me, mould me and steel me
By the power of your word to be the son that you called me to be

Chorus

I've been away, away too long, I want to go home

I WAS HERE

You will notice me
 I'll be leavin' my mark like initials carved in an old oak tree
 You wait and see
 Maybe I'll write like Twain wrote
 Maybe I'll paint like Van Gogh
 Cure the common cold, I don't know
 But I'm ready to start cos I know in my heart

I wanna do somethin' that matters
 Say somethin' different
 Somethin' that sets the whole world on its ear
 I wanna do somethin' better
 With the time I've been given
 And I wanna try
 To touch a few hearts in this life
 Leave nothin' less
 Than somethin' that says "I was here"

I will prove you wrong
 If you think I'm all talk, you're in for a shock
 Cos this dream's too strong
 And before too long

Maybe I'll compose symphonies,
 Maybe I'll fight for world peace
 Cos I know it's my destiny
 To leave more than a trace of myself in this place

I wanna do somethin' that matters
 Say somethin' different
 Somethin' that sets the whole world on its ear
 I wanna do somethin' better
 With the time I've been given
 And I wanna try
 To touch a few hearts in this life
 Leave nothin' less
 Than somethin' that says "I was here"

And I know that I will do more than just pass through this life
 I'll leave nothin' less than somethin' that says "I was here"

(I wanna do somethin') "I was here"
 (somethin' that matters) "I was here"
 (I wanna do somethin') "I was here"

I WILL REACH YOU

Everybody's got an answer to a question
 That they need to know
 Still broken over one thing
 I didn't ask you to help me through
 Now looking for a reason
 It isn't easy, but I gotta have hope

Sometimes it can be harder to remember
 Than to just let go
 Always seems to be somethin' to remind me
 Of what I miss the most
 But you are the one thing I believe in when it all falls down

*So if you've got a candle, you better light it now
 And if you've got a voice, you better shout out loud
 Raise your hands above this crowd
 And I will reach you, can you hear me, can you hear me now*

Even though I can't see you
 I can feel you close this time
 So maybe when I'm hurtin', all I'm asking for
Is just one sign
 Cos I never met anyone, who was lost
 And *didn't want to be found, oh*

*So if you've got a candle, you better light it now
 And if you've got a voice, you better shout out loud
 Raise your hands above this crowd
 And I will reach you, can you hear me, can you hear me
 I will reach you, can you hear me now*

Light it now – *I will reach you*
 Shout out loud – *I will reach you*
 Raise your hands above this *crowd*

So if you've got a candle, you better light it now
 And if you've got a voice, you better *shout out loud*
Raise your hands above this crowd
And I will reach you, can you hear me, can you hear me
I will reach you, can you hear me, can you hear me
I will reach you, can you hear me, can you hear me
I will reach you, Raise your hands above this crowd
And I will reach you, can you hear me now

JESUS IS LORD

Ch: Jesus is Lord, robed in majesty, Jesus is robed in love
 Jesus is lord robed in glory, His cloak will keep us warm

1. He made the world firm, unshakeable *[male]*

His throne has stood since then

He's always been there, unmistakable *[all]*

His cloak will keep us warm

2. He made the first law, unchangeable *[female]*

His holy reign is just

His home will be ours forever and ever *[all]*

His cloak will keep us warm

3. The rivers cry out, Alleluia, The stones rise up and sing
 The children cry out, Alleluia, His cloak will keep us warm

JESUS IS MY KIND OF PEOPLE

Once I felt like a lonely sailor lost on the raging sea
 Then I picked myself up, sat myself down, had a little talk with me
 I was bound with chains of sin, lost as a soul can be
 That's when I met Jesus, Jesus set me free

Jesus is my kind of people, Jesus is my kind of friend
 Jesus is my kind of people, from now on, I'm gonna be, his kind of man

Take it from a man who ought to know, I am the living proof
 The kind of seed Jesus sows, what His love can do
 He lifted me when I was down and out, He'll do the same for you
 Just open up your heart to Jesus, He'll be your friend too

Jesus is my kind of people, Jesus is my kind of friend
 Jesus is my kind of people, from now on, I'm gonna be, his kind of man
 From now on I'm gonna be, his kind of man

JESUS IS THE ANSWER

Ch: Jesus is the answer for the world today. Above Him there's no other, Jesus is the way
 Jesus is the answer for the world today. Above Him there's no other, Jesus is the way

If you have some questions in the corners of your mind
 Traces of discouragement, and peace you cannot find
 Reflections of your past seem to face you every day
 But this one thing I do know, Jesus is the way

Chorus

I know you've got mountains that you think you cannot climb
 I know your skies are dark, you think the sun won't shine
 In case you do not know but the word of God is true
 And everything He's promised, He will do for you

Chorus

LAY DOWN BURDEN

So many years spent running away, how many times I wished I could stay
 Too much emotion, a hole in my heart, feeling alone since we've been apart
 And if I had the chance I'd never let you go, just want you to know...

Ch: Down, lay me down, lay me down, lay down burden [x2]

How many things I wanted to do, how many times spent thinking this through
 So many nights spent here by the phone, wondering if you felt just as alone
 And while some things have all been crazy from the start, it's tearing me apart

Chorus

Just remember the way I held you
 You're always in my heart

Ch: Down, lay me down, lay me down, Lay down burden
 Down, lay me down, lay down burden
 [Repeat + fade last 2 lines]

LEAD ME

Search me, oh God, and know my heart
 Try me and know my thoughts
 And see if there'll be any wicked way in me
 And lead me in the way everlasting

Ch: Lead me, oh lead me, lead me in the way everlasting
 Lead me, oh lead me, lead me in the way everlasting

When you have searched and know my heart
 And tried me with wisdom true
 I'll ask for your grace and your loving kindness too
 To lead me in the way everlasting

*Chorus***LEAN ON ME**

Sometimes in our lives we all have pain we all have sorrow
 But if we are wise we know that there's always tomorrow

Lean on me when you're not strong, I'll be your friend, I'll help you carry on
 For it won't be long, 'til I'm gonna need somebody to lean on
 Please swallow your pride if I have faith you need to borrow
 For no one can fill those of your needs that you won't let show

Ch: Just call on me brother when you need a hand
 We all need somebody to lean on
 I just might have a problem that you'll understand
 We all need somebody to lean on

Lean on me when you're not strong, I'll be your friend, I'll help you carry on
 For it won't be long, 'til I'm gonna need somebody to lean on

Chorus

If there is a load you have to bear that you can't carry
 On, right up that road, I'll share your load if you'll just call me, Call me [x4]

LET IT BE

When I find myself in times of trouble, Mother Mary comes to me
 Speaking words of wisdom. Let it be
 And in my hour of darkness, she is standing right in front of me
 Speaking words of wisdom, let it be

Ch: Let it be, let it be, let it be, let it be
 There will be an answer, let it be
 Let it be, let it be, let it be, let it be
 Whisper words of wisdom, let it be

And when the brokenhearted people living in the world agree
 There will be an answer, let it be
 And though they may be parted, there is still a chance that they will see
 There will be an answer, let it be

Chorus

And when the night is cloudy, there is still a light that shines on me
 Shine until the morrow, let it be
 I wake up to the sound of music, Mother Mary comes to me
 Speaking words of wisdom, let it be

*Chorus***LET IT GROW**

Standing at the crossroads, try'n to read the signs
 To tell me which way I should go to find the answer
 And all the time I know
 Plant your love and let it grow

Let it grow, let it grow
 Let it blossom, let it flow
 In the sun, the rain, the snow
 Love is lovely, let it grow

Looking for a reason to check out on my mind
 Trying hard to get a friend that I can count on
 But there's nothing left to show
 Plant your love and let it grow

Time is getting shorter, there's much for you to do
 Only ask and you will get what you are needing
 The rest is up to you
 Plant your love and let it grow

LET THERE BE LIGHT

Let there be light in the land, let there be light in the people
 Let there be God in our lives from now on

[Repeat]

Yesterday's dream didn't quite come true, we fought for our freedom
 And what did it do
 Laughed at the old ways, and brought in the new
 Now no one can see where they stand

So let there be light in the land...

So many people are waiting to find
 Peace of the body, and peace of the mind
 While there is darkness, oh despair it is blind
 But where there is God, there is sight

So let there be love in the land, let there be love in the people
 Let there be God in our lives from now on

Let there be peace in the land, let there be peace in the people
 Let there be God in our lives from now on
 Let there be light in the land, let there be light in the land
 Let there be light in the land

LET THE RIVER FLOW

Let the poor man say I am rich again, let the lost man say I am found again
 Let the river flow
 Let the blind man say I can see again, let the dead man say I am born again
 Let the river flow. Let the river flow

Let the river flow, let the river flow
 Holy Spirit come, move in power, let the river flow

Let the poor man say I am rich again, let the lost man say I am found again
 Let the river flow
 Let the blind man say I can see again, let the dead man say I am born again
 Let the river flow. Let the river flow

Let the river flow, let the river flow
 Holy Spirit come, move in power
 Let the river flow (Let the river flow) Let the river flow (Let the river flow)
 Let the river flow (Let the river flow)

THE LIVING YEARS

Every generation blames the one before
 And all of their frustrations
 Come beating on your door
 I know that I'm a prisoner
 To all my father held so dear
 I know that I'm a hostage
 To all his hopes and fears
 I just wish I could have told him
 In the living years

Crumpled bits of paper filled with imperfect thought
 Stilted conversations, I'm afraid that's all we've got
 You say you just don't see it
 He says it's perfect sense
 You just can't get agreement
 In the present tense
 We talk a different language
 Talking in defence

Ch: Say it loud, say it clear. You can listen as well as you hear
 It's too late when we die to admit we don't see eye to eye

So we open up a quarrel between the present and the past
 We only sacrifice the future; it's the bitterness that lasts
 So don't yield to the fortunes you sometimes see as fate
 It may have a new perspective on a different day
 And if you don't give up and don't give in
 You may just be OK

Chorus

I wasn't there that morning when my father passed away
 I didn't get to tell him all the things I had to say
 I think I caught his spirit later that same year
 I'm sure I heard his echo in my baby's new born tears
 I just wish I could have told him in the living years

*Chorus***LONG LIVE GOD**

Long live God, long live God, long live God, long live God [x4]

Prepare ye the way of the Lord, prepare ye the way of the Lord [x2]

LORD

Lord, if only you could listen, and hear confusion in my mind
 Oh you'd break down and cry for me
 Oh you'd break down and die for me
 And Lord, if you could know the feeling
 When life begins to get me down
 Would you break down and cry for me
 Would you break down and die for me

And Lord to live from day to day
 Would never help me find my way
 Oh Lord, will you take my hand
 And lead me there

Lord, if you could know the feeling
 When life begins to get me down
 Would you break down and cry for me
 Would you break down and die for me

And Lord to live from day to day
 Would never help me find my way
 Oh Lord, will you take my hand
 And lead me there
 To your side forever, ever my Lord

LORD HELP ME JESUS

Ch: Lord help me Jesus, I've wasted it so
 Help me Jesus, I know what I am
 Now that I know that I needed you so
 Help me Jesus, my soul's in your hand

1. Why me Lord, what have I ever done
 To deserve even one of the pleasures I've known
 Tell me Lord, what did I ever do
 That was worth loving you, for the kindness you've shown
2. Try me Lord, if you think there's a way
 I can try to repay all I've taken from you
 Maybe Lord, I can show someone else
 What I've been through myself on my way back to you

LORD, IS IT MINE

I know that there's a reason why I need to be alone
 I need to find a silent place that I can call my own
 Is it mine, oh Lord, is it mine
 You know I get so weary from the battles in this life
 And many times it seems like you're the only hope in sight
 Is it mine, oh Lord, is it mine

When everything's dark and nothing seems right
 There's nothing to win and there's no need to fight

I never cease to wonder at the cruelty of this land
 But it seems a time of sadness is a time to understand
 Is it mine, oh Lord is it mine

When everything's dark and nothing seems right
 You don't have to win and there's no need to fight

If only I could find a way to feel your sweetness through the day
 The love that shines around me could be mine
 So give us an answer won't you, we know what we have to do
 There must be a thousand voices, trying to get through

LOVE CAN BUILD A BRIDGE

I'd gladly walk across the desert with no shoes upon my feet
 To share with you the last bite of bread I had to eat
 I would swim out to save you in your sea of broken dreams
 When all your hopes are sinking, let me show you what love means

Love can build a bridge, between your heart and mine
 Love can build a bridge, don't you think it's time
 Don't you think it's time?

I would whisper love so loudly every heart could understand
 That love, and only love, can join the tribes of man
 I would give my heart's desire so everyone might see
 The first step is to realise that it all begins with you and me

Love can build a bridge, between your heart and mine
Love can build a bridge, don't you think it's time
 Don't you think it's time?

When we stand together, it's our finest hour
We can do anything (anything), anything (anything), if we're living in the power (of love)

Love can build a bridge, between your heart and mine
Love can build a bridge, don't you think it's time
Don't you think it's time?

Love can build a bridge, between your heart and mine
Love can build a bridge, don't you think it's time
 Don't you think it's time, don't you think it's time

THE LOVE IN HIS EYE

Loneliness, if only this was all that's left of dreams that fall apart
 But all the years of time and tears, will never end the pain that breaks a heart
 So if you want Him to hear your prayer
 And know for sure when you hurt He'll be right there

Look up, there's a light in the sky
 Look up, it's the love in His eye

Before you're through, He'll give to you a heart that's burning brighter every day
 Your light will glow and as you go, the Lord's eternal love will light your way

But even though in His love you have grown
 Before we've done, He will come to take us home

Look up, there's a light in the sky
 Look up, it's the love in His eye
 Look up, there's a light in the sky
 Just look up, it's the love in His eye

LOVE OF THE COMMON PEOPLE

Living on free food tickets, water in the milk from a hole in the roof
 Where the rain came through, what can you do, ooh
 Tears from your little sister, crying cos she doesn't have a dress without a patch
 For the party to go, but you know she'll get by, cos she's

Ch: Living in the love of the common people
 Smiles from the heart of a family man
 Daddy's gonna buy you a dream to cling to
 Momma's gonna love you just as much as she can, and she can

It's a good thing you don't have busfare; it would fall through the hole in your pocket
 And you'd lose it in the snow on the ground. You gotta walk into town to find a job
 Trying to keep your hands warm, but the hole in your shoe lets the snow come through
 And chills you to the bone, somehow you'd better go home where it's warm
 Where you can

Chorus

Living on a dream ain't easy, but the closer the knit the tighter the fit
 And the chills stay away, just take them in stride for family pride
 You know that faith is your foundation
 With a whole lot of love and a warm conversation, but don't forget to pray
 It's making it strong where you belong, and we're

Chorus

Cos we're living in the love....

LOVE SHINE A LIGHT

Love shine a light in every corner of my heart
 Let the love light carry, let the love light carry
 Light up the magic, in every little part
 Let our love shine a light in every corner of our hearts

Love shine a light in every corner of my dream
 Let the love light carry, let the love light carry
 Like the mighty river flowing from the stream
 Let our love shine a light in every corner of my dream

Ch: And we're all gonna shine a light together, all shine a light to light the way
 Brothers and sisters in every little part
 Let our love shine a light in every corner of our hearts

Love shine a light in every corner of the world
 Let the love light carry, let the love light carry
 Light up the magic for every boy and girl
 Let our love shine a light in every corner of the world

Chorus x2

LOVE SONG

The words I have to say may well be simple, but they're true
 Until you give your love, there's nothing more that we can do

Love is the opening door, love is what we came here for
 No one could offer you more
 Do you know what I mean, have your eyes really seen?

They say it's very hard to leave behind a life we knew
 But there's no other way, and now it's really up to you

Love is the key we must turn; truth is the flame we must burn
 Freedom the lesson we must learn
 Do you know what I mean, have your eyes really seen?

Love is the opening door; love is what we came here for
 No one could offer you more
 Do you know what I mean, have your eyes really seen?
 Do you know what I mean, have your eyes really seen?

MAN FROM GALILEE

Ch: Put your hand in the hand of the man who stilled the water
 Put your hand in the hand of the man who calmed the sea
 Take a look at yourself and you can look at others differently
 By putting your hand in the hand of the man from Galilee

Every time I look into the Holy Book I wanna tremble
 When I read about the part where a carpenter cleared the temple
 For the buyers and sellers were no different fellas than I profess to be
 And it causes me pain to know I'm not the kind of man that I should be

Chorus

Mama taught me how to pray before I reached the age of seven
 And when I'm down on my knees, that's when I'm close to heaven
 Daddy lived his life with some kids and a wife, you do what you must do
 But he showed me enough of what it takes to get me through

*Chorus***MAY I INTRODUCE YOU TO A FRIEND**

May I introduce you to a friend, He's been waiting patiently to meet you
 A friend on whom you can depend, His love will comfort and complete you
 How long have you been searching, groping aimlessly for something
 To fill the emptiness inside, someone in whom you can confide
 Well He's here, He's waiting for you, He's waiting

And when you're troubled, filled with fear, Just reach out and He'll guide you
 And when all others disappear, He will still be there beside you
 How long have you been searching, groping aimlessly for something
 To fill the emptiness inside, someone in whom you can confide
 Well He's here, He's waiting for you, He's waiting – meet Jesus

NEW WORLD IN THE MORNING

Everybody talks about a new world in the morning
 A new world in the morning so they say
 I myself don't talk about a new world in the morning
 A new world in the morning, that's today
 And I can feel a new tomorrow coming on
 And I don't know why I have to make a song
 Everybody talks about a new world in the morning
 A new world in the morning takes so long

I met a man who had a dream he had since he was twenty
 I met that man when he was eighty-one
 He said too many folks just stand and wait until the morning
 Don't they know tomorrow never comes
 And he'd feel a new tomorrow coming on
 And when he'd smile his eyes would twinkle up in fun
 Everybody talks about a new world in the morning
 A new world in the morning never comes

And I can feel a new tomorrow coming on
 And I don't know why I have to make a song
 Everybody talks about a new world in the morning
 A new world in the morning takes so long

NEW DAY

There's nothing like the sound of laughter, there's nothing like a smile
 And anything you see hereafter, is it worth the while
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt

There's nothing like the way you hold her, there's nothing like a home
 And though you feel a little colder, you're not alone
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt, and watch the morning come

Ch: New day will come, new day will come
 New day will come, for you and for me, New day will come
 I know cos I've been there before, I know just how it feels to lose
 And for every closing door, there's another one to choose

There's nothing like the hand of kindness, there's nothing like a friend
 And even though the world will blind us, it's there in the end
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt, and watch the morning come

Ch: New day will come, new day will come
 New day will come, for you and for me, New day will come
 I know cos I've been there before, and what goes round will come around
 And for every closing door, there's another to be found

There's nothing like the sound of laughter, there's nothing like a smile
 And anything you see hereafter, is it worth the while
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt, oh how your heart will melt

NOBODY FILLS MY HEART LIKE JESUS

Well I'd like to say Lord from the start, thank you for breaking through my heart
 Thank you for tearing every chain apart
 When I was lost you made a way, you turned the darkest night to day
 You are my joy and Lord I'd like to say

Ch: That nobody fills my heart like Jesus, nobody thrills me like you do
 Oh nobody fills my heart like Jesus, nobody Lord but you, nobody
 Nobody fills my heart like Jesus, nobody thrills me like you do
 Oh nobody fills my heart like Jesus, nobody Lord but you – Nobody but you

I'd like to say Lord from the start, thank you for breaking through my heart...

Chorus

Well, when I am weak my Lord is strong, loving me even when I'm wrong
 Lord you are my salvation and my song
 Every day I'll make the choice, just listening following your voice
 Being with you I can't help but rejoice

Nobody fills my heart like Jesus, nobody thrills me like you do...

NOTHING MORE

To be humble, to be kind
 It is the giving of the peace in your mind
 To a stranger, to a friend
 To give in such a way that has no end.

Ch: We are love. We are one.
 We are how we treat each other when the day is done.
 We are peace. We are war.
 We are how we treat each other and nothing more.

To be bold, to be brave.
 It is the thinking that the heart can still be saved
 And the darkness can come quick
 The danger's in the anger and the hanging on to it.

Chorus

Tell me what it is that you see
 A world that's filled with endless possibilities?
 Heroes don't look like they used to, they look like you do.

Love. One. Love. One.

Chorus

We are how we treat each other and nothing more
 We are how we treat each other

NOWHERE MAN

He's a real nowhere man, sitting in his nowhere land
 Making all his nowhere plans for nobody

Doesn't have a point of view, knows not where he's going to
 Isn't he a bit like you and me
 Nowhere man, please listen, you don't know what you're missing
 Nowhere man, the world is at your command

He's as blind as he can be, just sees what he wants to see
 Nowhere man, can you see me at all
 Nowhere man, don't worry, take your time, don't hurry
 Leave it all till somebody else lends you a hand

Doesn't have a point of view, knows not where he's going to
 Isn't he a bit like you and me
 Nowhere man, please listen, you don't know what you're missing
 Nowhere man, the world is at your command

He's a real nowhere man, sitting in his nowhere land
 Making all his nowhere plans for nobody [x3]

NUMBER ONE

You came through the water to stand in fire here
 Like tempered gold, new-burnished in the sun
 And no one really thought you'd ever be here
 Takes more than silver coins to hold you down
 And I had to close my eyes when I looked in your face
 I couldn't stand the beauty that was there
 A beauty that could make me look so poor

I was never close to you before now
 Though many many times I called aloud your name
 But I didn't even think, didn't think you'd hear me
 But you chose to be with me just the same
 And I had to bow my head when you spoke to me first
 I couldn't understand the words I heard
 A beauty that could make me look so cruel

All the world could save for you was agony
 A priceless life thrown willing to swine
 And I was one of those who tore your eyes away
 What man alive can stand up to your gaze?
 And I fell down and I cried when I saw what I'd done
 I killed the holiest love I ever saw
 A beauty that could show my life so raw

O Jesus, the gates of hell, they couldn't hold you
 Cos death itself was shrivelled by your love
 And I never thought that I could stand here with you
 But there's nothing, nothing they can do will ever drag me back
 And I had to close my eyes and bow my head right down
 And touch the very wounds that make me strong
 A beauty that could raise me from the ground
 A beauty that could raise me from the ground

OH HAPPY DAY

Oh happy day, oh happy day
 When Jesus washed, oh when He washed
 When Jesus washed, He washed my sins away
 Oh happy day

[x2]

He taught me how to watch, fight and pray
 Fight and pray
 And live rejoicing every day, every day

Oh happy day, oh happy day
 When Jesus washed, oh when He washed
 When Jesus washed, He washed my sins away
 Oh happy day, oh happy day

OH HEAVEN

When I was young, I used to dream of days to come
 Filled with things like gentle peace, Quiet love and knowing
 Through endless days and endless ways, Of trying to get to you
 I found it didn't work out quite the way I planned it

Pressed down, shaken together, Running over, running over
 Lord, I'm full since you came walking in

Oh heaven, you came down today, And I never understood
 How you could take a sinner's hand, And bring him into you

I felt him know me, watched him grow me
 To the place where I could tell him everything
 I knew he'd understood
 This broken man, this broken hand
 Was mended when I took the hand of Jesus, Oh, my Jesus

Pressed down, shaken together...
 Oh heaven, you came down today...

Oh heaven you came down today
 Now I understand, How you could take a sinner's hand
 And bring him into you, into you

ONE BREAD, ONE BODY

Ch: One Bread, one Body, one Lord of all
 One cup of blessing that we bless
 And we, though many, throughout the earth
 We are one body in this one Lord

Gentile or Jew, Servant or Free, Woman or Man, no more

Chorus

Many the gifts, Many the works, One in the Lord, of all

Chorus

ONE DAY AT A TIME

I'm only human, I'm just a woman
 Help me believe in what I could be, and all that I am
 Show me the stairway that I have to climb
 Lord, for my sake, teach me to take, one day at a time

Chorus: One day at a time, sweet Jesus, That's all I'm asking of You
 Just give me the strength to do every day, what I have to do
 Yesterday's gone, sweet Jesus, And tomorrow may never be mine
 Lord, help me today, show me the way, one day at a time

Do You remember, when You walked among men
 Well Jesus You know, if You're looking below, It's worse now than then
 There's pushing and shoving, and crowding my mind
 So for my sake, teach me to take, one day at a time

Chorus

ONE HEART AT A TIME

Everybody's lookin' for a hero, everybody's waitin' on the big noise
 Everybody's hopin' for a hot shot, everybody's bettin' on the big boys
 But they don't know and they don't see, it all begins with you and me

Ch: One heart at a time, one life to another, One heart at a time, brother to brother

Everybody's hangin' on the healer, everybody's pullin' at the preacher man
 Everybody's lookin' for a leader, to save the world
 They think it's only he who can
 Now they know, why don't they see, God gave his power to you and me

Chorus

The fields are ripe with harvest, they're ready don't you know
 That everybody's waitin', tell me, who is gonna go
 For the men of God you've heard, everyone began
 Holdin' on to Jesus, reachin' out to just one man

One heart at a time, one life to another, One heart at a time, brother to brother [x2]
 Brother to brother, brother to brother

ONE WAY DONKEY RIDE

There you may stand in your splendour and jewels, swaying me in both directions
 One is the right way, the other for fools – how do I make my selection?
 The city lies silent in the warm morning light, the sand is as golden as saffron
 Oasis of love, sweet water of life, God bless the poor ones who have none
 Though they have tried

Someone is drowning down there in the flood, but this river will dry by tomorrow
 Is it ocean or stream, this love in my blood? Bringer of joy or of sorrow?
 The end of the journey must soon be in sight, birth is the start of the swansong
 Oasis of love, sweet water of life, God bless the poor ones who want some
 But are denied

No one is given the map to their dreams, all we can do is to trace it
 See where we go to, know where we've been, build up the courage to face it
 While we fumble in the darkness where once there was light
 Roaming the land of the ancients
 Oasis of love, sweet water of life, God bless the poor ones whose patience never died

While we stumble in blindness where once there was sight
 Searching for trees in the forest – Oasis of love, sweet water of life
 God bless the poor ones who have none, though they have tried
 God bless the poor ones who want some, but are denied
 God bless the poor ones whose patience never died
 God bless the poor ones, on that one-way donkey ride

OUR GOD REIGNS

How lovely on the mountains are the feet of Him, Who brings good news, good news
 Announcing peace, proclaiming news of happiness, Our God reigns, our God reigns

Ch: Our God reigns

PEACEFUL WATERS

Restless hearts, it has been a long time
 Out here on the journey for a glimpse of paradise
 It's getting hard to find a place to go, where peaceful waters flow
 I took a walk past the old Saxon well
 Down by the Cathedral, I heard the Chapel bell
 And joined the people singing for a way to go, where peaceful waters flow

And if you don't know by now, you never will
 Only love can find the door
 And if you could see it now, it's in your hand
 Only love can reach the shore to Heaven

Always He is standing by my side, He's my inspiration, and He's my battle cry
 And in His light is the only place I know, where peaceful waters flow

And if you don't know by now, you never will
 Only love can find the door
 And if you could see it now, it's in your hand
 Only love can reach the shore forever more, where peaceful waters flow

PERFECT HEART

Morning sun lights up creation, grassy fields down below
 See the clouds a shimmering the hill, His design for a perfect world
 I'm amazed at His talent, stand in awe of one so great
 Now my soul begins to sing out to the source from which it came

Bless the Lord who reigns with beauty
 Bless the Lord, who reigns with wisdom and with power
 Bless the Lord, who reigns in my life with so much love
 He can make a perfect heart

[Repeat]

PRAYERS FOR YOU

These are my prayers, these are the things I wish for you.
 May you be strong and happy whatever you do.

May your heart travel light on a long journey's night.
 May a circle of friends keep you warm.
 May your mind be at ease when you're down on your knees,
 When your ship needs a port in the storm.
 May you find answers to each of my prayers for you.

These things I ask, these are the gifts I cannot give.
 May love keep you young for as long as you live.
 May your dreams find a place in the garden of grace,
 May they grow where you've planted the seed.
 May your faith be a flame that won't die in the rain.
 May you never want more than you need.
 May you find answers to each of my prayers for you.

May your heart travel light on a long journey's night.
 May a circle of friends keep you warm.
 May your mind be at ease when you're down on your knees,
 When your ship needs a port in the storm.
 May you find answers to each of my prayers for you.

These are my prayers, these are the things I wish for you.

PREPARE THE WAY

Get yourself up high on a mountain, lift up your voice and sing
Say to the city "Good news is coming, here comes your king"

Ch: Prepare the way, wide in the wilderness, Make in the desert a broad highway
Lift every valley, lay low the mountains, Then together His love we shall see

Life is like grass, lovely as a flower, Soon withers and it fades
Surely the people fade like the flower, But the word of the Lord it stays

Chorus

I know that He's calling, love is falling like the rain
Oh, I know that He's coming like He promised, once again [x3]

Chorus

PSALM 4

Ch: Alle, alleluia [x3]

1. O men, how long will your hearts be closed
Will you love what is futile and seek what is false
'Tis the Lord who grants favours to those whom he loves
The Lord hears me whenever I call
2. Fear him, do not sin, Ponder on your bed and be still
Make justice your sacrifice and trust in the Lord
"What can bring us happiness," many say
3. Lift up the light of your face on us, O Lord
You have put into my heart a greater joy
I will lie down in safety and sleep comes at once
For you alone make me dwell in peace

PUT A LITTLE LOVE IN YOUR HEART

Think of your fellow man, Lend him a helpin' hand
Put a little love in your heart
You'll see it's gettin' late, Oh please don't hesitate
Put a little love in your heart

And the world will be a better place, And the world will be a better place
For you, and me, you just wait and see

Another day goes by, and still the children cry
Put a little love in your heart
You want the world to know, we won't let hatred grow
Put a little love in your heart

Ch: And the world (and the world) will be a better place [x2]
For you (for you), and me (and me), you just wait (just wait) and see. Wait and see.

Take a good look around, and if you're feeling down
Put a little love in your heart

I'm hopin' you decide, kindness will be your guide
Put a little love in your heart

Chorus...Put a little love in your heart [x6]

PUT THE MESSAGE IN THE BOX

And if you listen now, you will hear
A new sound coming in as the old one disappears
See the world in just one grain of sand. You'd better take a closer look
Don't let it slip right through your hands.
Won't you please hear the call. The world says

Ch: Put the message in the box, put the box into the car
Drive the car around the world, Until you get heard

And now is the moment, please understand
The road is wide open to the heart of every man
A few simple words that he could understand
He don't want tomorrow if it's just crumbling into sand
Won't you please hear the call. The world says

Chorus

And the world says, "Give a little bit, give a little bit of your love to me
Cos I'm waiting here with open arms"
He says, "Give a little bit, give a little bit of your soul to me
Cos I'm waiting to behold your many charms"
Is that love in the air? The world says

Chorus [x2]

REACH OUT TO JESUS

Ch: Reach out to Jesus, He calls your name
He knows that we're not strong
But he wants us just the same

1. Whenever we fall, there'll be a merciful hand
When we say, sorry Lord, He will understand
2. Knowing all that we have done, should we not run and hide
The Lord is calling us, the time has come to decide

REJOICE ALLELUIA

Rejoice alleluia, rejoice alleluia, rejoice alleluia, all men will be brothers some day
In sincerity, in truth, honour, and freedom

If I could believe it was true, I'd dedicate myself to you
I'd give you all the strength I have, never be down, never feel sad
Oh, if I could believe it was true, I'd dedicate my life to you
Every second, every minute, every hour, of every day
I would still rejoice in the hope I'd hear you say

Rejoice alleluia, rejoice alleluia, rejoice alleluia, all men will be brothers some day
In sincerity, in truth, honour, and freedom

THE RIVER

You know a dream is like a river, ever changing as it flows
And the dreamer's just a vessel, that must follow where it goes
Trying to learn from what's behind you, and never knowing what's in store
That makes each day a constant battle, just to stay between the shore

Ch: And I will sail my vessel 'til the river runs dry
 Like a bird upon the wind, these waters are my sky
 I'll never reach my destination, if I never try
 So I will sail my vessel 'til the river runs dry

Too many times we stand aside and let the waters slip away
Till what we put off till tomorrow has now become today
So don't you sit upon the shoreline, and say you're satisfied
Choose to chance the rapids, and dare to dance the tide

Yes, I will sail my vessel...

There's bound to be rough waters, and I know I'll take some falls
With the good Lord as my captain
I can make it through them all

Yes, I will sail my vessel...

'Til the river runs dry

THE ROSE

Some say love it is a river that drowns the tender reed
 Some say love it is a razor that leaves your soul to bleed
 Some say love it is a hunger, an endless aching need
 I say love it is a flower and you its only seed

It's the heart afraid of breaking that never learns to dance
 It's the dream afraid of waking that never takes the chance
 It's the one who won't be taken, that never seems to give
 And the soul afraid of dying that never learns to live

When the night has been too lonely and the road has been too long
 And you think that love is only for the lucky and the strong
 Just remember in the winter, far beneath the bitter snow
 Lies the seed that with the sun's love in the spring, becomes the rose

SEEK THE LORD (Psalm 33)

Ch: Seek the Lord and He'll answer you. Deliver you from all your fears
 Look to Him and be radiant. So your face shall never be ashamed
 I sought the Lord and He answered me, and delivered me from all my fears

The poor man cried, and the Lord heard him, And raised him out of his woe
 The angel of the Lord lives around those who fear Him
 And delivers them, delivers them from evil
 Oh, taste and see, taste and see that the Lord is good
 Happy the man, happy the man, happy the man who takes refuge in Him

Chorus

SERVE HIM

One day I took, I took an honest look
 I tried everything, I played every game in the book
 And I saw that there was nothing in this world to live for anymore
 Then one day, one day I heard about
 A certain man who could work things out
 So I came to Jesus, you know He came in
 And He showed me the way

Ch: Now all I want to do is serve Him,
 Oh, And all I want to do is serve the King
 That others may know Him and the power
 The power of His love

You know the kingdom of Heaven
 Is like unto a merchant man seeking goodly pearls
 And when he has found one pearl of a great price
 You know he went and sold all that he had, And he bought it
 He said "If any man, if any man come after me,
 Let him, let him deny himself, And take up his cross daily
 And let him follow, follow after me."

Chorus...

Power of His love, power of His love, Power of His love, power of His love
 Power of His love (Freedom in the Spirit, power in His blood)
 Power of His love (Freedom in the Spirit, power in His blood)
 Power of His love (Freedom in the Spirit, power in His blood)

Chorus

SHOUT TO THE LORD

My Jesus, my Saviour, Lord, there is none like you
 All of my days, I want to praise the wonders of Your mighty love
 My comfort, my shelter, tower of refuge and strength
 Let every breath, all that I am never cease to worship you

Shout to the Lord all the earth let us sing. Power and majesty praise to the King
 Mountains bow down and the seas will roar at the sound of your name
 I sing for joy at the work of your hands. Forever I'll love you, forever I'll stand
 Nothing compares to the promise I have in You

Repeat from start

Nothing compares to the promise I have in You [x2]

SHOWER THE PEOPLE

You can play the game and you can act out the part
 Though you know it wasn't written for you
 But tell me how can you stand there with your broken heart
 Ashamed of playing the fool
 One thing can lead to another, it doesn't take any sacrifice
 Father and Mother, Sister and Brother
 If it feels nice, don't think twice, just

Shower the people you love with love, show them the way that you feel
 Things are gonna work out fine if you only will, if you only will
 Shower the people you love with love, show them the way that you feel
 Things are gonna be much better, if you only will

You can run but you cannot hide, this is widely known
 And what you plan to do with your foolish pride
 When you're all by yourself alone
 Once you tell somebody the way that you feel
 You can feel it beginning to ease
 I think it's true what they say about the squeaky wheel
 Always getting the grease, better to

Shower the people you love with love, show them the way that you feel
 Things are gonna work out fine if you only will, if you only will
 Shower the people you love with love, show them the way that you feel *[x6]*

SING CHILDREN SING

Though you feel at times you just can't win. Sing, sing children sing
 That you give is known, so don't give in. Sing, sing children sing
 Sing of the true way, sing of the time. Show them the new way, let your light shine

He who lights the fire must surely burn. Turn, turn children turn
 From the ones who see but will not learn. Turn, turn children turn
 Turn from the darkness, turn all the way. Look for the sunshine, and don't turn away

For everyone who doesn't stand must fall. Call, call children call
 And he who finds himself then finds us all. Call, call children call
 Call to the broken, call to the hate, let the word be spoken before it's too late

SOMETHING INSIDE SO STRONG

The higher you build your barriers, the taller I become
 The further you take my rights away, the faster I will run
 You can deny me, you can decide to turn your face away
 No matter, cos there's...

Ch: Something inside so strong, I know that I can make it
 Though you're doing me wrong, so wrong
 You thought that my pride was gone, Oh no
 There's something inside so strong
 Oh, something inside so strong

The more you refuse to hear my voice, the louder I will sing
 You hide behind walls of Jericho, your lies will come tumbling
 Deny my place in time, you squander wealth that's mine
 A light will shine so brightly it will blind you, Because there's...

Chorus

Brothers and sisters, when they insist we're just not good enough
 Well we know better, just look them in the eyes and say
 We're gonna do it anyway, We're gonna do it anyway
 We're gonna do it anyway, We're gonna do it anyway, Cos there's...

Chorus [x2]
[Repeat last line x4]

SONG OF HOSEA

Come near to me with all your heart
 Don't let fear keep us apart
 Trees do bend though straight and tall
 So must we to others' call

Ch: Long have I waited for your coming home to me
 And sharing deeply our new life

You shall sleep secure with peace
 Faithfulness will be your joy

Chorus [x2]

SPECIAL SONG

Nobody can tell you, there's only one song worth singing
 They may try and sell you, cos it hangs them up to see someone like you

Ch: But you've gotta make your own kind of music, sing your own special song
 Make your own kind of music, even if nobody else sings along

You're gonna be nowhere, the loneliest kind of lonely
 It may be rough going, just to do your thing's the hardest thing to do

Chorus

So if you cannot take my hand, and if you must be going I will understand

Chorus [x2]

THE STORM IS PASSING OVER

Courage my soul
 And let me journey on
 Though the night is dark
 And I am far from home
 Praise be to God
 The morning light appears

Ch: The storm is passing over
 The storm is passing over
 The storm is passing over, hallelu
 Alleluia, halleluia, halleluia
 The storm is passing over
 The storm is passing over
 The storm is passing over, hallelu

Thunder rollin'
 And billows shake the ground
 See the lightning flashing
 And dark clouds all around
 Jesus walked the seas
 And calmed the angry waves

Chorus (as above)
 Alleluia, halleluia, halleluia
 The storm is passing over
 The storm is passing over
 The storm is passing over, hallelu

SWING LOW SWEET CHARIOT

1. I looked over Jordan, and what did I see
 Coming for to carry me home
 A band of angels coming after me
 Coming for to carry me home
- Ch: Swing low sweet chariot
 Coming for to carry me home
 Swing low, sweet chariot
 Coming for to carry me home
2. If you get there before I do
 Coming for to carry me home
 Tell all my friends that I'll be coming too
 Coming for to carry me home
3. I'm sometimes up, I'm sometimes down
 Coming for to carry me home
 But still my soul feels heavenly bound
 Coming for to carry me home

TEACH YOUR CHILDREN

You who are on the road
 Must have a code that you can live by
 And so become yourself
 Because the past is just a goodbye

Teach your children well
 Their fathers' hell did slowly go by
 And feed them on your dreams
 The one they pick is the one you'll know by
 Don't you ever ask them why
 If they told you, you would cry
 So just look at them and sigh
 And know they love you

And you of tender years
 Can't know the fears that your elders grew by
 And so please help them with your youth
 They seek the truth before they can die
 (Can you hear, do you care
 Can you see, we must be free
 To teach your children, you believe
 Make a world that we can live in)

Teach your parents well
 Their children's hell will slowly go by
 And feed them on your dreams
 The one they pick is the one you'll know by
 Don't you ever ask them why
 If they told you, you would cry
 So just look at them and sigh
 And know they love you

TEARS IN HEAVEN

Would you know my name if I saw you in Heaven?
 Would it be the same if I saw you in Heaven?
 I must be strong and carry on, Cos I know I don't belong
 Here in Heaven

Would you hold my hand if I saw you in Heaven?
 Would you help me stand if I saw you in Heaven?
 I'll find a way through night and day, For I know I just can't stay
 Here in Heaven

Time can break you down, time can bend your knees
 Time can break the heart, have you begging "please", Begging "please"

Beyond the door there's peace I'm sure
 And I know there'll be no more tears in Heaven

Would you know my name if I saw you in Heaven?
 Would it be the same if I saw you in Heaven?
 I must be strong and carry on, Cos I know I don't belong, Here in Heaven

THIS BREAD I GIVE

This bread I give to make you live is my own body
 This blood I give to make you live is my own blood
 For without it you will never be free
 For without it you will not see me
 So take, eat and drink, this is the cup of my salvation
 This mystery, the only key, that leads to me
 My death for you, my death for you
 Take, eat and drink for you drink in me
 So take, eat and drink, this is the cup of my salvation

THIS IS THE LIFE WE'VE BEEN GIVEN

(The Garden – Take That)

And the fisherman came back across the water
 And the people started running in the park
 And the city stopped, as I felt Him in my heart
 We could hear the sound of sirens all around us
 And the scent of burning oil was in the air
 And the music played, and it felt so good to hear

This is the life we've been given
 So open your mind and start living
 We can play a part, if we only start believing

There's a stranger on the hill and He is speaking
 As the tears from every cloud begin to fall
 For one moment then, we understood it all

This is the life we've been given
 So open your heart and start loving
 We can make a start, if we only learn to listen

Everyone, everyone, can you hear our Lord is coming
 Everyone, everyone, every man and every woman
 We are one in the end, we are miracles of matter
 So come on, let me love you

This is the life we've been given
 So open your mind and start living
 We can play a part, if we only start believing, oh

Yeah, this is the life we've been given
 So open your heart and start loving
 We can make a start, if we only learn to listen
 We can play a part, if we only start believing

THIS LITTLE LIGHT OF MINE

Ch: This little light of mine, I'm gonna let it shine [x3]
 Let it shine, let it shine, let it shine

The light that shines is the light of love
 It lights the darkness from above
 It shines on me and it shines on you
 Shows what the power of love can do
 I'm gonna shine my light both far and near
 I'm gonna shine my light both bright and clear
 Where there's a dark corner in this land
 I'm gonna let my little light shine

Chorus

Christ's message to his people is love
 He lets that light shine from above
 We're each a candle with a little light
 In a world of darkness we're shining bright
 Each little light can join and grow
 So that one big light of love will show
 The message is simple and divine
 Just let your little light shine

*Chorus x2***TO BE ALIVE**

Ch: To be alive and feeling free, And to love everyone in your family
 To be alive in every way, O how great it is to be alive, To be alive, to be alive

Everyday there's a newness, Something else to do
 The dawn of life is upon us, So let the gladness ring through

Wake up to a new sunshine, Darkness no longer stays
 For the new generation, Will light the world today

TO LIVE FOR LOVE

Only you can make it work, Only you can move the stone
 Only you can have the faith and will, To live for love

You have the world in your hands
 You can live the eternal plan
 The prophets dream come true, You can live for love

Go spread your bread upon the seas
 Bring forth the harvest unto me
 Take my life into your own, You can live for me

I see ten thousand maybe more
 Groping, looking for that door
 That leads to heavenly bread
 Can you help the hungry who need to be fed

TO YOU YAHWEH

Ch: To you Yahweh, I lift up my soul oh, my God [x2]

1. [Yahweh, show your ways to me](#)
[Teach me your paths and keep me in the ways of your truth,](#)
[For you are the God that saves me](#)
2. [The Lord is so good and so holy](#)
[Sinners find the way and in all that is right He guides the humble](#)
[The poor He leads in His pathway](#)

THE TRAVELLER

On a day when the devil and the world sat down together
 And talked away the hours like a couple of old friends
 While their children were playing on the village green together
 With guns and tanks and bombs and lots of fighter airplanes
 There came an outsider from where no one could say
 But, simply and straightforwardly, he tried to save the day, He said...

God so loved the world that he gave His only son [x2]

All the politicians and the scholars said how sad
 And after consultation they decided he was mad
 Conspiracy, they shouted, chicanery, they said
 He's nothing but a trickster and completely off his head

With sorrow and with anger he looked on their stupidity
 Kept them debating on the future of mankind
 He came to the marketplace of subterfuge activity
 Anxious to know what attitude he would find
 Amidst all the bargaining he spoke up loud and clear
 The people turned to listen with a condescending ear, He said...

God so loved the world that he gave His only son [x2]

No sooner had he started than the violence broke out
 They railed and they cursed him, just another long-haired lout
 You sponger, you parasite, we fought for the likes of you
 Give you education and just look where it leads to

The devil raised his glass as the traveller set forth
 To leave the village far behind became his only thought
 But as he reached the outskirts he stopped to rest awhile
 As children's voices singing in the schoolhouse made him smile

Yes Jesus loves me, Yes Jesus loves me
 Yes Jesus loves me, the Bible tells me so

(God so loved the world....)

TROUBLED TIMES

It takes all the things within you, it takes your heart and it takes mine
It takes love to be forgiven, living in these troubled times

When it rains on the rain, and it snows in the Spring
You're reminded again, it's just a "March of the Dimes"
Living in these troubled times

It brings you down to buy a paper, if you read between the lines
No one seems to have the answer, living in these troubled times

Still you try and you try, and you do what you must do
It's a "March of the Dimes", living in these troubled times
And loving in these troubled times

[x2]

It takes a man, it takes a woman, it takes your heart and it takes mine
It takes love to be forgiven, living in these troubled times *[x2]*

TRY A LITTLE KINDNESS

If you see your brother standing by the road
With a heavy load, from seeds he's sowed
And if you see your sister falling by the way
Just stop and say, "You're goin' the wrong way"

Ch: You've got to try a little kindness
Show a little kindness
Just shine your light for everyone to see
And if you try a little kindness
Then you'll overlook the blindness
Of the narrow-minded people on the narrow-minded street

Don't walk around the down and outs
Lend a helping hand instead of doubts
And the kindness that you show every day
Will help someone along their way

Chorus [x2]

TURN ME AROUND

I know I've hurt you and I wonder if you know
That I never really meant to, no I never really meant to
Things have happened in my life, that have brought me to the way I am today
Don't you know for you I'd gladly change

Ch: Turn me around turn me around. Lead me to the place I should be found
Turn me around turn me around, lift me to higher ground

If you really, really want to, You know that you can mould me to you

It would be so easy to give up and walk away
But please don't let that happen, we just cannot let that happen
Things that I have done to you, oh they make you think that I don't really care
Tell me how can I show you I do

Chorus [x2]

THE VOYAGE

I am a sailor, you're my first mate
 We signed on together, we coupled our fate
 Hauled up the anchor, determined not to fail
 For the heart's treasure together we set sail
 With no maps to guide us we steered our own course
 Rode out the storms when the winds were gale force
 We sat out the doldrums in patience and hope
 And working together we learned how to cope

Ch: Life is an ocean and love is a boat
 In troubled waters it keeps us afloat
 When we started the voyage there was just me and you
 Now gathered round us we have our own crew

Together we're in this relationship
 We've built it with care to last the full trip
 Our true destination's not marked on any chart
 We're navigating for the shores of the heart

Chorus [x2]

WAKE UP

Wake up take a look around this world of ours
 There are lots of people still asleep
 Wake up world, time is passing by and nobody cares

Wake up, don't you know the thief will come in the night
 Doesn't do to close your eyes very tight
 Wake up world, time is passing by, it's time that you cared

Don't have to look very far
 There on your doorstep you can be sure that there's someone
 Who needs your love, someone who needs your love

Wake up take a look around this world of ours
 There are lots of people still asleep
 Wake up world, time is passing by and nobody cares

Why don't you give it a thought
 This is the person you really ought to be loving
 Who needs your love, someone who needs your love

Wake up, don't you know the thief will come in the night
 Doesn't do to close your eyes very tight
 Wake up world, time is passing by, it's time that you cared
 It's time that you cared, it's time that you cared
 It's time that you cared

WASTED ON THE WAY

Look around me, I can see my life before me, running rings around the way it used to be
 I am older now, I have more than what I wanted
 But I wish that I had started long before I did

And there's so much time to make up, everywhere you turn
 Time we have wasted on the way
 So much water moving underneath the bridge, let the water come and carry us away

Oh when you were young, did you question all the answers
 Did you envy all the dancers who had all the nerve
 Look around you now, you must go for what you wanted
 Look at all my friends who did and got what they deserved

So much time to make up, everywhere you turn
 Time we have wasted on the way
 So much water moving underneath the bridge, let the water come and carry us away

So much love to make up, everywhere you turn
 Love we have wasted on the way
 So much water moving underneath the bridge, let the water come and carry us away
 Let the water come and carry us away

WE ARE THE WORLD

There comes a time when we heed a certain call
 When the world must come together as one
 There are people dying and it's time to lend a hand
 To life, the greatest gift of all
 We can't go on pretending day by day
 That someone, somewhere will soon make a change
 We are all a part of God's great big family
 And the truth, you know, love is all we need

Ch: We are the world, we are the children
 We are the ones who make a brighter day so let's start giving
 There's a choice we're making, we're saving our own lives
 It's true we make a better day, just you and me

We'll send them your heart so they know that someone cares
 And their lives will be stronger and free
 As God has shown us by turning stones to bread
 And so we all must lend a helping hand

Chorus

When you're down and out and there seems no hope at all
 But if you just believe, there's no way we can fall
 Let us realise that a change can only come
 When we stand together as one

Chorus

WE HAVE THE ANSWER

Who can mend hearts that are broken
 Who can bring comfort to all those who mourn
 Who can bring light in the darkest times
 Who can bring peace to the pitiful man

Who can bring strength to those who are weak
 Who can bring healing to all those in pain
 Who can bring hope that removes despair
 Who can bring friendship when nobody cares

Ch: We have the answer, treasure to share, Through our endeavours God's love is declared
 We have the answer, through us He brings, Good news to all the world

Who took the blame for our shameful ways
 Who mends the damage of our wasted years
 Who gives the guilty a second chance
 Who sets us free from the grip of the past

Chorus

All humankind soon will hear of God
 Millions are ready to speak of His love
 He sends His spirit upon the Church
 To take His good news throughout all the world

Chorus

Good news to all the world [x2]

WELLS OF SALVATION

Your Spirit within me fills me with love
 Your love opens wide my closed heart and flows through me

Ch: Therefore, with joy shall ye draw water, Out of the wells of salvation

Your Spirit within me breaks through me with power
 Your power constrains my fragile will and holds me

Chorus

Your Spirit within me flows through me with life
 Your life gently breathes, bringing peace, freeing me

Chorus [x2]

WE MUST REACH OUT

We must reach out to one another
 In every land and every race
 So that in Christ our Lord
 We form a single chord
 And then, our Father, we can praise

WE REALLY WANT TO THANK YOU LORD

Ch: We really wanna thank you Lord. We really wanna bless your name
Halleluia, Jesus is our King

Repeat chorus

We thank you Lord for your gifts to us. Your life so rich beyond compare
The gift of your body here on earth, of which we sing and share

Chorus

We thank you Lord for our lives together. To live and move in the love of Christ
Tenderness which sets us free to serve you with our lives

Chorus [x2]

WE SHALL BE FREE

When the last child cries
For a crust of bread
When the last man dies for just words that he said
When there's shelter over the poorest head
We shall be free

When the last thing we notice
Is the colour of skin
And the first thing we look for
Is the beauty within
When the skies and the oceans are clean again
Then we shall be free

We shall be free, We shall be free, Stand straight, Walk proud, Cos we shall be free

When we're free to love anyone we choose
When this world's big enough for all different views
When we all can worship from our own kind of pews
Then we shall be free

We shall be free, We shall be free, Have a little faith, Hold out, Cos we shall be free

And when money talks for the very last time
And nobody walks a step behind
When there's only one race
And that's mankind
Then we shall be free

We shall be free, We shall be free,
Stand straight (Walk proud)
Have a little faith (Hold out)
We shall be free

We shall be free, We shall be free
(Stand straight) Stand straight
(Have a little faith) Walk proud
We shall be free

Stand straight, walk proud, we shall be free

WHENEVER GOD SHINES HIS LIGHT

Whenever God shines His light on me
 Opens up my eyes, so I can see
 When I look up in the darkest night
 Then I know everything's gonna be alright
 In deep confusion, in great despair
 When I reach out for Him, He is there
 When I am lonely, as I can be
 Then I know that God shines His light on me

Ch: Reach out for Him, He'll be there
 With Him your troubles you can share
 And if you live the life you love
 You'll get the blessings from above

He heals the sick and He heals the lame
 Says you can do it too in Jesus' name
 And He'll lift you up, and He'll turn you around
 And put your feet back on higher ground

Chorus

WHEN GOD DIPS HIS LOVE

When God dips his love in my heart

When God dips His pen of love in my heart
 And He writes my soul a message He wants me to know
 His spirit all divine fills this sinful soul of mine
 When God dips His love in my heart

Well I said I wouldn't tell it to a living soul
 How He brought salvation and He made me whole
 But I found I couldn't hide such a love as Jesus did impart
 Well He made me laugh and He made me cry
 Set my sinful soul on fire, Halleluia
 When God dips His love in my heart

When sometimes though the way is dreary, dark and cold
 And some unburdened sorrow keeps me from the goal
 I go to god and pray I can always find Him there
 To whisper sweet peace to my soul

He walked up every step of Calvary's rocky way
 And He gave His life completely to bring a better day
 My life was steeped in sin but the Lord He took me in
 His blood washed away every stain

WHO HAS MEASURED THE WATERS

Who has measured the waters in the hollow of His hands
 Or meted out the heavens with a span
 Or comprehended the lesson of the earth in a measure
 Or the mountains in a scale appear in a balance

Who has directed the Spirit of the Lord
 Or being His counsellor has taught Him
 With whom took He counsel, and who directed Him
 Who led Him in the pathways of judgement
 Who taught Him knowledge. Or showed Him in the path of understanding.

He has measured the waters in the hollow of His hands
 And meted out the heavens with a span
 And comprehended the lesson of the earth in a measure
 And the mountains in a scale appear in a balance

WHY WALK WHEN YOU CAN FLY

In this world there's a whole lot of trouble, baby
 In this world there's a whole lot of pain
 In this world there's a whole lot of trouble but a whole lot of ground to gain
 Why take when you could be givin'
 Why watch as the world goes by
 It's a hard enough life to be livin', why walk when you can fly

In this world there's a whole lot of sorrow
 In this world there's a whole lot of shame
 In this world there's a whole lot of sorrow and a whole lot of ground to gain
 When you spend your whole life wishin', wanting and wondering why
 It's a long enough life to be livin', why walk when you can fly

In this world there's a whole lot of cold
 In this world there's a whole lot of blame
 In this world you've a soul for a compass and a heart for a pair of wings
 There's a star on the far horizon flashing bright in an azure sky (oohh)
 For the rest of the time that you're given, why walk when you can fly...high

THE WITNESS

I love you Lord, and you know I always meant to do things right
 I love you Lord, and when I think of how I've failed you, I could cry
 And when I hear you calling me, I want to run and hide
 Oh Lord you know, I love you so

I love you Lord, although I know my heart may not seem true
 I love you Lord, and I pray for one more chance to prove I do
 I want to leave the past behind and feel your smile again
 Oh Lord you know I love you so, I love you so

So if you find it in your heart to let me start again
 I'll be your witness Lord, your witness Lord
 Your witness to the end of my life, Help me make it right.
 Let me try again. I'll be your witness to the end
 [x2]
 To the end, to the end

YOU ARE MY ALL IN ALL

You are my strength when I am weak *[all in unison]*
 You are the treasure that I seek, You are my all in all
 Seeking you as a precious jewel
 Lord, to give up I'd be a fool, You are my all in all

Ch: Jesus, Lamb of God, Worthy is your name [x2]

Taking my sin, my cross, my shame *[Boys sing verse; Girls sing chorus over verse]*
 Rising again, I bless your name, You are my all in all
 When I fall down you pick me up
 When I am dry you fill my cup, You are my all in all
[repeat with girls singing this verse, and boys singing chorus over verse]
[key change] Chorus [all, unison]
[key change] Chorus [all, 3-part harmony]

YOU'VE GOT A FRIEND

When you're down and troubled and you need a helping hand
 And nothing, no nothing is going right
 Close your eyes and think of me, and soon I will be there
 To brighten up even your darkest night

Ch: You just call out my name and you know wherever I am
 I'll come running to see you again
 Winter, Spring, Summer or Fall, all you've got to do is call
 And I'll be there, yes I will. You've got a friend

If the sky above you should turn dark and full of clouds
 And that old north wind should begin to blow
 Keep your head together, and call my name out loud
 And soon I'll be knocking upon your door
Chorus

Well, ain't it good to know that you've got a friend
 When people can be so cold
 They'll hurt you, they'll desert you, they'll take your soul if you let them
 Oh but don't you let them
Chorus

Christ has died and He is risen
 Christ has died, He will come again
 Christ has died and He is risen

CREATE IN ME

Create in me a clean heart oh God; let me be like you in all my ways
 Give me your strength; teach me your song
 Shelter me in the shadow of your wings
 For we are your righteousness, if we die to ourselves and live through your death
 Then we shall be born again to be blessed in your love

CHRISTMAS:**AND SO THIS IS CHRISTMAS**

And so this is Christmas, and what have you done
 Another year over, and a new one just begun
 And so this is Christmas, I hope you have fun
 The near and the dear ones, the old and the young
 A very merry Christmas and a happy new year
 Let's hope it's a good one without any fear

(War is over, if you want it. War is over now)

And so this is Christmas, for weak and for strong
 The rich and the poor ones, the road is so long.
 And so happy Christmas for black and for white
 For yellow and red ones, let's stop all the fights
 A very merry Christmas, and a happy new year
 Let's hope it's a good one without any fear

War is over, if you want it. War is over now [x2]

CHRISTMAS MUST BE TONIGHT

Come down to the manger, see the little stranger
 Wrapped in swaddling clothes, the Prince of Peace
 The wheels start turning, torches start burning
 And the three wise men turn in from the East

Ch: How a little baby boy brought the people so much joy
 Son of a carpenter, Mary carried the light
 This must be Christmas, must be tonight

A shepherd on a hillside, where over my flock I bide
 On a cold winter night, a band of angels sing
 And I dreamed I heard a voice, saying fear not, come rejoice
 It's the end of the beginning, praise the newborn king

Chorus

I saw it with my own eyes, written up in the skies
 But why a simple herdsman such as I
 And then it came to pass, that he was born at last
 Right below the star that shines on high

Chorus

DO YOU HEAR WHAT I HEAR

Do you hear what I hear (what I hear) (what I hear)
 Said the little lamb to the shepherd boy
 Do you hear what I hear (do you hear what I hear)
 Moving through the night, shepherd boy
 Do you hear what I hear (do you hear what I hear)
 A song, a song, high above the tree
 With a voice as big as the sea, With a voice as big as the sea

Now said the shepherd boy to the mighty king
 Do you know what I know (do you know what I know)
 In your palace warm, mighty King
 Do you know what I know (do you know what I know)
 A child, a child shivers in the cold
 Let us bring Him silver and gold, Let us bring Him silver and gold

Said the king to the people everywhere
 Listen to what I say (listen to what I say)
 For peace and people everywhere
 Listen to what I say (listen to what I say)
 A child, a child sleeping in the night
 He will bring us through darkness to light, He will bring us through darkness to light

Do you hear what I hear (do you hear what I hear), (do you hear what I hear) [x4]

FEED THE WORLD

It's Christmas time, there's no need to be afraid
 At Christmas time, we let in light and we banish shade
 And in our world of plenty we can spread a smile of joy
 Throw your arms around the world at Christmas time

But say a prayer, pray for the other ones
 At Christmas time, it's hard but when you're having fun
 There's a world outside your window
 And it's a world of dread and fear
 Where the only water flowing is the bitter sting of tears
 And the Christmas bells that ring there
 Are the clanging chimes of doom
 Well, tonight thank God it's them instead of you...

And there won't be snow in Africa this Christmas time
 The greatest gift they'll get this year is life
 Where nothing ever grows, no rain or rivers flow
 Do they know it's Christmas time at all

Here's to you (Raise your glass for everyone)
 Here's to them (Underneath the burning sun)
 Do they know it's Christmas time at all

Feed the world (let them know it's Christmas time again) x3
 Feed the world - let them know it's Christmas time again

GO TELL IT ON THE MOUNTAIN

Ch: **Go tell it on the mountain, Over the hills and everywhere
Go tell it on the mountain, That Jesus Christ is born**

While Shepherds kept their watching
O'er silent flocks by night (**all night**)
Behold throughout the heavens
There shone a holy light
Show to me your light and I will

Chorus

The shepherds feared and trembled
When lo above the earth (**way up yonder**)
Rang out the angels' chorus
That hailed the saviour's birth
Oh, that is why I sing

Chorus [*+ Solo: Tell it everywhere, Everywhere, Tell it on the mountain, yeah*]
Go, everywhere; Go, tell it everywhere; Go

Down in a lowly manger
The humble Christ was born
And God sent us salvation
That blessed Christmas morn
It's time to get up and go

Chorus [*+ Solo: Tell it to them, Come on tell it, Tell them that Jesus Christ is born*]

JOY TO THE WORLD

Joy to the world, the Lord is come, Let earth receive her King
Let every heart prepare him room
And heav'n and nature sing, And heav'n and nature sing
And heaven and heaven and nature sing

Joy to the earth, the Saviour reigns, Let men their songs employ
While fields and floods, rocks, hills and plains
Repeat the sounding joy, Repeat the sounding joy
Repeat, repeat the sounding joy

He rules the world with truth and grace, And makes the nations prove
The glories of His righteousness
And wonders of His love, And wonders of His love
And wonders and wonders of His love

LIGHT OF THE STABLE

1. Hail, hail to the new born King
Let our voices sing Him our praises
Hail, hail to the guiding light
That brought us tonight to our Saviour

Ch: Alle, **Alleluia** [*x4*]

2. **Come now where it shines so bright
To the glowing light of the stable
Kneel close to the child so dear
Cast aside your fears and be thankful**

LITTLE DRUMMER BOY / PEACE ON EARTH

Come they told me, ba rump a pum pum
 A new born king to see, ba rump a pum pum
 Our finest gifts we bring, ba rump a pum pum, rump a pum pum

PEACE ON EARTH, CAN IT BE (Come they told me, ba rump a pum pum)
 YEARS FROM NOW, PERHAPS WE'LL SEE (A new born king to see, ba rump a pum pum)
 SEE THE DAY OF GLORY (Our finest gifts we bring, ba rump a pum pum)
 SEE THE DAY WHEN MEN OF GOOD WILL (To lay before the king, ba rump a pum pum, rump a pum pum, rump a pum pum)
 LIVE IN PEACE, LIVE IN PEACE AGAIN (So to honour him, ba rump a pum pum)
 PEACE ON EARTH, CAN IT BE (When we come)

Every child must be made aware
Every child must be made to care
Care enough for his fellow man
 To give all the love that he can

I PRAY MY WISH WILL COME TRUE (Little Baby, ba rump a pum pum)
 FOR MY CHILD AND YOUR CHILD TOO (I am a poor boy too, ba rump a pum pum)
 WILL SEE THE DAY OF GLORY (I played my drum for him, ba rump a pum pum)

SEE THE DAY WHEN MEN OF GOOD WILL (I played my best for him, ba rump a pum pum, rump a pum pum, rump a pum pum)
 LIVE IN PEACE, LIVE IN PEACE AGAIN (Then he smiled at me, ba rump a pum pum)
 PEACE ON EARTH, CAN IT BE (Me and my drum)

O HOLY NIGHT

O holy night, the stars are brightly shining
 It is the night of the dear saviour's birth
 Long lay the world in sin and error pining
 'til He appeared and the soul felt its worth
 A thrill of hope, the weary world rejoices
 For yonder breaks a new and glorious morn

Fall on your knees, Oh hear the angel voices
 O night divine, oh night when Christ was born
 O night divine, o night, o night divine

Led by the light of faith serenely beaming
 With glowing hearts by His cradle we stand
 So led by light of a star sweetly gleaming
 Here came three wise men from the orient land
 The King of Kings lay thus in lowly manger
 In all our trial born to be our friend

He knows our need, He guardeth us from danger
 Behold your king, before the lowly bend
 Behold your king, before the lowly bend

Fall on your knees...

MARY'S BOY CHILD

**Mary's boy child, Jesus Christ, was born on Christmas day
And man will live for evermore, because of Christmas day**

[melody]
[harmony]

Long time ago in Bethlehem, so the holy bible says
Mary's boy child, Jesus Christ, was born on Christmas day

**Ch: Hark now hear the angels sing, a king was born today
And man will live for evermore, because of Christmas day
Mary's boy child, Jesus Christ, was born on Christmas day**

While shepherds watched their flock by night
They see a bright new shining star
**They hear a choir sing a song
The music seemed to come from afar**

Chorus

[key change]

Now Joseph and his wife Mary came to Bethlehem that night
**They found no place to bear her child,
Not a single room was in sight**

Chorus

For a moment the world was aglow
All the bells rang out, there were tears of joy and laughter
**People shout and let everyone know
There is hope for all to find peace**

[Men]

Oh my Lord, you sent your son to save us,
Oh my Lord, your very self you gave us
Oh my Lord, that sin would not enslave us and love will reign once more

[Men]

**Oh my Lord, when in a crib they found him
Oh my Lord, a golden halo crowned him
Oh my Lord, they gathered all around him to see him and adore**

**Oh my Lord, with so much adoration
Oh my Lord, there came great jubilation
Oh my Lord, and full of admiration they realised what they had**

Chorus

SAVIOUR'S DAY

Now we have been through the harvest, Winter has truly begun
 Now we have walked in the chill of the night
 We are waiting for, waiting for, For the Saviour's Day
 Many have come from the valleys
 Many have come from the hills
 Many have started their journey home
 To be with someone, with someone, On the Saviour's Day

Open your eyes on Saviour's Day, Don't look back or turn away
 Life can be yours if you only stay, He is callin' you, callin' you
 On the Saviour's Day

Joining the old and the young ones, Joining the black and the white
 Meeting the need of the hungry is He, Will we ever remember him
 On the Saviour's Day

Open your eyes on Saviour's Day, Don't look back or turn away
 Life can be yours if you only stay, He is callin' you, callin' you
 On the Saviour's Day. Hey.....

Here's to the God of the present (Raise your glasses)
 Here's to the God of the past (Drink to the king)
 Here's to the hope and the future he brings
 We will sing to him, sing to him, On the Saviour's Day

Open your eyes on Saviour's Day
 Don't look back or turn away
 Life can be yours if you only stay
 He is callin' you, callin' you
 On the Saviour's Day [x3]
 He is callin' you
 On the Saviour's Day
 On the Saviour's Day (Callin', callin', callin' you) [x3]

Callin', callin', callin' you (Raise up your glasses, drink to the king)
 Callin', callin', callin' you (Raise up your glasses, drink to the king)
 Callin', callin', callin' you.....

SHEPHERD'S CAROL

Jesus, infant child of God
 Rest quietly as darkness turns to dawn
 Peaceful, amid the songs of night
 Is the Christ-child bathed in starlight

**And shepherds who watched in wonder
 Have heard God's angels sing of a saviour
 They cried out, Sing Hosana
 He is born, our Saviour Son
 Know that Christ the Lord has come
 And they rejoiced that the light of God is shining
 Darkness flying
 The light of God burns brightly**

SILENT NIGHT

Silent night, Holy night
 All is calm, all is bright
 Round yon Virgin Mother and Child
 Holy infant so tender and mild
 Sleep in Heavenly peace
 Sleep in Heavenly peace

Silent night, Holy night
 Shepherds quake at the sight
 Glories stream from Heaven afar
 Heavenly Hosts sing Alleluia
 Christ the Saviour is born
 Christ the Saviour is born

Silent night, Holy night
 Son of God, love's pure light
 Radiant beams from thy holy face
 With the dawn of redeeming grace
 Jesus Lord at thy birth
 Jesus Lord at thy birth

THEY FOLLOWED HIS STAR

When they came to Jerusalem, they asked to see the One
 The One who was born the King
 For His star had been shining to show them the way
 And now they must follow to the place where He lay

Chorus:

**They followed His star, that holy night
 They followed His star, the one with the heav'nly light
 They travelled so far to see the Holy Child
 They followed His star, all the way to Bethlehem, to worship him**

All the way to Bethlehem they followed its light
 It led them each step of the way
 Then the star stood above them, their travelling was done
 So they fell on their knees to worship God's son
 To worship His son

Chorus:

**They followed His star, that holy night
 They followed His star, the one with the heav'nly light
 They travelled so far to see the Holy Child
 They followed His star, all the way to Bethlehem,
 Followed His star, all the way to Bethlehem
 Followed His star, all the way to Bethlehem...**

To worship him

WHEN A CHILD IS BORN

A ray of hope flickers in the sky
 A tiny star lights up way up high
 All across the land dawns a brand new morn
 This comes to pass when a child is born

A silent wish sails the seven seas
 The winds of change whisper in the trees
 And the walls of doubt crumble tossed and torn
 This comes to pass when a child is born

A rosy hue settles all around
 You got to feel you're on solid ground
 For a spell or two no one seems forlorn
 This comes to pass when a child is born

(Spoken)

And all of this happens because the world is waiting, waiting for one child – black, white, yellow, no one knows – But a child that will grow up and turn tears to laughter, hate to love, war to peace, and everyone to everyone's neighbour, and misery and suffering will be words to be forgotten forever.

It's all a dream and illusion now
 It must come true, sometime soon, somehow
 All across the land dawns a brand new morn
 This comes to pass when a child is born

WHEN HOPE CAME DOWN

So this is how it was, a silent night like any other
 When heaven sent the one, the one that we will call our Saviour
 And redemption began in a stable in Bethlehem

Ch: All of the angels lifted up their voices
 And filled the night with Halleluiahs
 God is with us now
 Everyone come and join the heavenly chorus
 Our Saviour King is here before us
 All to hear the sound, the song creation sang
 When hope came down

So this was truly God, wrapped up in a tattered blanket
 Love was finally here, sleeping while the world awakens
 And redemption began with a baby in Bethlehem

Chorus

So let us sing redemption song
 Let us worship Christ the holy one
 We were lost but we were found
 When hope came down

Chorus

When hope came down [x3]

THEMED SONGS:**DEATH IN JERUSALEM**

When I told you that I'd need you,
 Well you didn't understand,
 Did you think I'd only feed you,
 Yeah you didn't understand
 Yes I was a lonely man and you didn't know my name
 But when I looked you followed, and down the road you came

Ch: And there's gonna be a death down in Jerusalem
 And there's gonna be a death there, this I know
 And there's gonna be a death down in Jerusalem
 And Jerusalem is where I must go

Well maybe you were young men
 Who had high ideals
 And you thought I'd make a nice hero
 Well now you know how it feels
 Yes I was a lonely man bearing my lonely load
 Yes I was a lonely man, but I always knew my road

Chorus

When I left you in the garden sleeping
 Oh yes, I left you wondering why
 And my tears they were heavy
 You didn't know I had to cry
 Yes I was a sad man, many times I made you laugh
 Yes I was a sad man, but I always knew my path

Chorus ...Outside the city walls... Chorus [Last line x2]

FROM CLARE TO HERE

1. There's four of us who shared a room, And we worked hard for the crack
 And getting up late on Sunday, I never get to Mass

Ch: It's a long, long way from Clare to here
 It's a long, long way from Clare to here
 Oh it's a long, long way, It gets further by the day
 It's a long, long way from Clare to here

2. When Friday night comes around, And he's only into fighting
 My ma would like a letter home, But I'm too tired for writing

3. And the only time I feel alright, Is when I'm into drinking
 It eases off the pain a bit, And levels out my thinking

4. Well it almost breaks my heart when I think of Josephine
 I promised her I'd be coming home with pockets full of Green

5. I dream I hear a piper play, Maybe it's a notion
 I dream I see white horses dance, Upon that other ocean

HELLO IN THERE

We had an apartment in the city,
 Me and Loretta liked living there
 But it's been years since the kids have grown,
 A life of their own
 Left us all alone,
 John and Linda live in Omaha
 Joey's somewhere on the road,
 We lost Davey in the Korean War
 Don't really know what for,
 Doesn't matter any more

Ch: Still the oak trees they grow stronger, And the rivers grow wider every day
 Old people just get lonesome, Waiting for someone to say
 Hello in there, hello

Me and Loretta we don't talk much any more, She sits and stares at the back door screen
 And all the news just repeats itself, Like some old forgotten dream
 That she'd once seen, Someday I'll go and call on Rudi
 We worked together at the factory, But what'll I say if he asks what's new
 Nothing, what's with you, Nothing much to do

Chorus

So if you're walking down the street sometime
 You spot some hollow ancient eyes
 Please don't just pass them by and stare
 Like you didn't care, Say hello in there, hello

I AM A ROCK

A winter's day, in a deep and dark December, I am alone
 Gazing from my window to the streets below
 A freshly fallen silent shroud of snow
 I am a rock, I am an island

I've built walls, a fortress deep and mighty, that none may penetrate
 I have no need of friendship, friendship causes pain
 It's laughter and it's loving I disdain
 I am a rock, I am an island

Don't talk of love, cos I've heard that word before
 It's sleeping in my memory
 I won't disturb the slumber of feelings that have died
 If I'd never loved, I never would have cried
 I am a rock, I am an island

I have my books and my poetry to protect me
 I am shielded in my armour
 Hiding in my room, safe within my womb
 I touch no one and no one touches me
 I am a rock, I am an island
 And a rock feels no pain, and an island never cries

ORDINARY MAN

I'm an ordinary man, nothing special, nothing grand
 I've had to work for everything I own
 Well I never asked for a lot, I was happy with what I got
 Enough to keep my family and my home
 Well they say that times are hard and they've handed me my cards
 They say there's not the work to go around
 But when the whistle blows and the gates will finally close
 Tonight they're gonna shut the factory down, They'll tear it down

But I never missed a day, nor went on strike for better pay
 For twenty years I served the best I could
 With a handshake and a cheque it seemed so easy to forget
 The loyalty through the bad times and the good
 Now the owner said he's sad to see that things have got so bad
 But the captains of industry won't let him lose
 He still drives a car and smokes a cigar
 And still he takes his family on a cruise, You'll never lose

And so condemned I stand, just an ordinary man
 Like thousands beside me in the queue
 I've watched my darling wife trying to make the best of life
 God knows what the kids are going to do
 Now that we are faced with this human waste
 A generation cast aside, For as long as I live I never will forgive
 They stripped me of my dignity and pride
 You've stripped me bare [x2]

PERHAPS LOVE

Perhaps love is like a resting place, a shelter from the storm
 It exists to give you comfort, it is there to keep you warm
 And in those times of trouble when you are most alone
 The memory of love will bring you hope

Perhaps love is like a window, perhaps an open door
 It invites you to come closer, it wants to show you more
 And even if you lose yourself, and don't know what to do
 The memory of love will see you through

For love to some is like a cloud, to some as strong as steel
 For some a way of living, for some a way to feel
 And some say love is holding on, and some say, letting go
 And some say love is everything, and some say, they don't know

Perhaps love is like the ocean, full of conflict, full of pain
 Like a fire when it's cold outside, or thunder when it rains
 If I could live forever, and all my dreams come true
 My memories of love will be of you

STREETS OF LONDON

1. Have you seen the old man in the closed down market
Kicking at the papers with his worn out shoes
In his eyes you'll see no pride, hands held loosely by his side
Yesterday's papers telling yesterday's news
- Ch: So how can you tell you're lonely, And say, for you, that the sun don't shine
Let me take you by the hand, And lead you through the streets of London
I'll show you something , To make you change your mind
2. In the old night cafe at a quarter past eleven
Same old man sitting there all alone
Looking at the world over the brim of his teacup
Each tea lasts an hour, then he wanders home alone
3. Have you seen the old girl as she walks the streets of London
Dirt in her hair and her clothes in rags
She's no time for talking, she just keeps right on walking
Carrying her home in two carrier bags
4. Have you seen the old man outside the Seamen's Mission
Memories fading with the medal ribbons that he wears
In our lonely city, the rain cries a little pity
One more forgotten hero in a world that doesn't care

SUNDAY MORNING COMING DOWN

1. Well, I woke up Sunday morning
With no way to hold my head, it didn't hurt
And the beer I had for breakfast wasn't bad
So I had one more for dessert
And I fumbled through my closet for my clothes
And found my cleanest dirty shirt
Then I shaved my face and combed my hair
And stumbled down the stairs to meet the day
- Ch: On a Sunday morning sidewalk, wishing Lord that I was stoned
Cos there's something in a Sunday makes a body feel alone
And there's nothing, short of dying, half as lonesome as the sound
On a sleeping city sidewalk, Sunday morning coming down
2. Well, I'd smoked my brains the night before
On cigarettes and songs that I'd been picking
Then I lit my first and watched a small kid cursing
At a can that he was kicking
Then I walked the empty streets
And caught the Sunday smell of someone frying chicken
And it took me back to something that I lost
Somehow, somewhere along the way
- 3: In the park I saw a Daddy, With a laughing little girl that he was swinging
I stopped beside a Sunday school
And listened to a song that they were singing
Then I headed back for home
And somewhere faraway a lonely bell was ringing
And it echoed through the canyons
Like the disappearing dreams of yesterday

THERE IS LOVE

He is now to be among you at the calling of your hearts
 Rest assured this troubadour is acting on his part
 The union of your spirits here has caused him to remain
 For whenever two or more of you are gathered in his name
 There is love, there is love

Well a man must leave his mother and a woman leave her home
 They shall travel on to where the two shall be as one
 As it was in the beginning is now until the end
 Woman draws her life from man and gives it back again
 There is love, there is love

Well, what's to be the reason for becoming man and wife
 Is it love that brings you here, or love that brings you life
 For if loving is the answer, then who is the giving for
 Do you believe in something that you've never seen before
 There is love, there is love

WE ARE ONE IN THE SPIRIT

We are one in the Spirit, we are one in the Lord
 We are one in the Spirit, we are one in the Lord
 And we pray that all unity may one day be restored

Ch: And they'll know we are Christians by our love, by our love
 Yes they'll know we are Christians by our love

We will walk with each other, we will walk hand in hand
 We will walk with each other, we will walk hand in hand
 And together we'll spread the news that God is in our land

Chorus

We will work with each other, we will work side by side
 We will work with each other, we will work side by side
 And we'll guard each man's dignity, and save each man's pride

Chorus

All praise to the Father from whom all things come
 And all praise to Christ Jesus, His only Son
 And all praise to the Spirit who makes us one

Chorus

WHEREVER YOU GO

Wherever you go, I shall go
 Wherever you live, so shall I live
 Your people will be my people
 And your God will be my God too

Wherever you die, I shall die
 And there shall I be, buried beside you
 We will be together forever
 And our love will be the gift of our life

WHERE HAVE ALL THE FLOWERS GONE

Where have all the flowers gone
 Long time passing
 Where have all the flowers gone
 Long time ago
 Where have all the flowers gone
 Picked by young girls, every one
 When will they ever learn, when will they ever learn

Where have all the young girls gone
 Long time passing
 Where have all the young girls gone
 Long time ago
 Where have all the young girls gone
 Gone to young men, every one
 When will they ever learn, when will they ever learn

Where have all the young men gone
 Long time passing
 Where have all the young men gone
 Long time ago
 Where have all the young men gone
 Gone to soldier, every one
 When will they ever learn, when will they ever learn

Where have all the soldiers gone
 Long time passing
 Where have all the soldiers gone
 Long time ago
 Where have all the soldiers gone
 Gone to graveyards, every one
 When will they ever learn, when will they ever learn

Where have all the graveyards gone
 Long time passing
 Where have all the graveyards gone
 Long time ago
 Where have all the graveyards gone
 Filled with flowers, every one
 When will we ever learn, when will we ever learn

When will we ever learn, when will we ever learn
