ALL THE PEOPLE SAID AMEN

You are not alone, if you are lonely
 When you feel afraid, you're not the only
 We are all the same, in need of mercy
 To be forgiven and be free
 It's all you got to lean on but thank God it's all you need

And all the people said amen, whoa o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen

If you're rich or poor, well it don't matter
 Weak or strong, we know love is what we're after
 We're all broken but we're all in this together
 God knows we stumble and fall
 And he so loved the world he sent his son to save us all

And all the people said amen, whoa o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen

Blessed are the poor in spirit who are torn apart
 Blessed are the persecuted and the pure in heart
 Blessed are the people hungry for another start
 For this is the kingdom – the kingdom of God

And all the people said amen, whoa o o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen

And all the people said amen, whoa o o o. And all the people said amen
 Give thanks to the Lord for his love never ends. And all the people said amen
 And all the people said amen

AND THE WORD THAT WAS IN THE BEGINNING (Born Twice)

And the word that was in the beginning, was whispered in my ear
 I heard no more doleful music
 But a sound so bright and clear
 And the voice it got much louder
 As I stopped to listen in
 And my heart received its message
 And my soul began to live

Ch: You can be born twice and have paradise, Right now and here
 You can be born twice and have paradise, Right now and here

And though your faith has been shaken and driven in the wind
 There is always hope for those who realise they have sinned
 Jesus died, and rose, and He lives for you today
 And if you ask Him into your life, His love and His truth you will know

Chorus

You can be born twice and have paradise, Right now and here
 You can be born twice and have paradise
 Right now and, right now and, right now and here

ANOTHER DAY IN PARADISE

She calls out to the man on the street, Sir can you help me
 It's cold and I've nowhere to sleep, 's there somewhere you can tell me
 He walks on, doesn't look back, he pretends he can't hear her
 Starts to whistle as he crosses the street, seems embarrassed to be there

Oh, think twice, cos it's another day for you and me in paradise
 Oh, think twice, cos it's another day for you, you and me in paradise
 Think about it

She calls out to the man on the street, he can see she's been crying
 She's got blisters on the soles of her feet, she can't walk but she's trying

Oh, think twice, cos it's another day for you and me in paradise
 Oh, think twice, it's just another day for you, you and me in paradise
 Just think about it

Oh Lord, is there nothing more anybody can do
 Oh Lord, there must be something you can say

You can tell from the lines on her face, You can see that she's been there
 Probably been moved on from every place, cos she didn't fit in there

Oh, think twice, cos it's another day for you and me in paradise
 Oh, think twice, it's just another day for you, you and me in paradise
 Just think about it, just think about it

It's just another day for you and me in paradise [x2]

THE BEATITUDES

A multitude followed a man, a prophet who spoke words of wisdom
 And they listened, trying to understand
 The paradox of his great truth

He said, blessed be those who are poor, for you shall inherit the Kingdom
 And blessed be those who are weak, for you shall inherit great strength
 Blessed be those who are children, for you shall be counted as wise
 And blessed be the blinded, for you shall see with new eyes

Behold now the Kingdom, behold now the Kingdom
 Behold now the Kingdom, see with new eyes

Blessed be those with compassion, for you shall inherit compassion
 And blessed be those who forgive, for you shall be forgiven
 But you shall receive consolation, if only it leads you to give
 And only in dying for others, can you be reborn to live

Behold now the Kingdom, behold now the Kingdom
 Behold now the Kingdom, see with new eyes

A multitude followed a man, a prophet who spoke words of wisdom
 And they listened, yet could not understand
 The paradox of his great truth

BEAUTIFUL AFFAIR

See all the doors swing open your life's unfolding before your very eyes
 Such a strange affair
 Walking around be part of the sound, forget your downs
 Feel the air, beautiful affair

When you feel like layin' low, and the mountains seem no closer than before
 And you wonder why
 You know in your mind it does no good to hide
 And the only way is living to survive, makes you feel alive

Then all the doors swing open your life's unfolding before your very eyes
 Such a strange affair
 Walking around, come into the sound, forget your downs
 Feel the air, beautiful affair

Comes a time when you look around
 And you see the ocean waiting for your eyes, showing no surprise
 You make your way down to the shore, you climb on board
 Give yourself a smile, makes you feel alive

Then all the doors swing open your life's unfolding.... **come into** the sound...

See all the doors swing open your life's unfolding.... **be part of** the sound...

BEAUTIFUL CITY

Come sing me sweet rejoicing, come sing me love
 We're not afraid of voicing, all the things we're dreaming of
 Oh, high and low and everywhere we go

Ch: We can build a beautiful city, yes we can, yes we can
 We can build a beautiful city, and call it ours
 Call it the city of man

We don't need alabaster, we don't need chrome
 We've got a special plaster
 Take my hand, I'll take you home
 We see nations rise in each other's eyes

Chorus

Come sing me sweet rejoicing, come sing me love
 We're not afraid of voicing, all the things we're dreaming of
 Oh, high and low and everywhere we go

Chorus

BECAUSE HE CARES

Whenever we sing your praise, together our voices raise
 Giving you thanks for everything that you have done
 Born as a child for us, you gave up your life for us
 You are our Lord, because we believe, you are the one

Ch: And if ever we may fall, we don't even have to call
 Because Jesus, Lord of all, is already there
 Because He cares

In all of our friends we see the love and the unity
 That we receive because we believe and trust in you
 Whatever the time of day, whatever we do or say
 We can just try to live the way you told us to

Chorus

Whenever we sing your praise, together our voices raise
 Giving you thanks for everything that you have done
 Born as a child for us, you gave up your life for us
 You are our Lord, because we believe you are the one
 You are our Lord, because we believe you are the one

BE NOT AFRAID

You shall cross the barren desert, but you shall not die of thirst
 You shall wander far in safety though you do not know the way
 You shall speak your words to foreign men, and they will understand
 You shall see the face of God, and live

Ch: Be not afraid, I go before you always
 Come follow me, and I will give you rest

If you pass through raging waters of the sea, you shall not drown
 If you walk amid the burning flames, you shall not be harmed
 If you stand before the fires of hell, and death is at your side
 Know that I am with you through it all

Chorus

Blessed are your poor for the Kingdom shall be theirs
 Blessed are you that weep and mourn, for one day you shall laugh
 And if wicked men insult and hate you, all because of me
 Blessed, blessed are you

Chorus

BRIGHT BLUE ROSE

I skimmed across black water, without once submerging
Onto the banks of an urban morning
That hungers the first light much, much more
Than the mountains ever do
And she like a ghost beside me, goes down with the ease of a dolphin
And emerges unlearned, unshamed, unharmed
For she is the perfect creature, natural in every feature
And I am the geek with the Alchemist's stone

For all of you who must discover, for all who seek to understand
For having left the path of others, you'll find a very special hand

And it is a holy thing and it is a precious time
And it is the only way
Forget-me-nots among the snow, it's always been and so it goes
To ponder His death and His life eternally

For all of you who must discover, for all who seek to understand
For having left the path of others, you'll find a very special hand

And it is a holy thing and it is a precious time
And it is the only way
Forget-me-nots among the snow, it's always been and so it goes
To ponder His death and His life eternally

One bright blue rose outlives all those
Two thousand years and still it grows
To ponder His death, and His life eternally

COME AS YOU ARE

Come out of sadness from wherever you've been
Come broken-hearted, let rescue begin
Come find your mercy, oh brother, come kneel
Earth has no sorrow that heaven can't heal

So lay down your burdens. Lay down your pain
All who are broken lift up your face
Oh wanderer, come home, you're not too far
So lay down your hurt, lay down your heart. Come as you are

There's hope for the hopeless and all those who've strayed
Come sit at the table, come taste the grace
There's rest for the weary, rest that endures
Earth has no sorrow that heaven can't cure

So lay down your burdens. Lay down your pain
All who are broken lift up your face
Oh wanderer, come home, you're not too far
So lay down your hurt, lay down your heart
Come as you are, Come as you are
Fall in his arms, Come as you are

There's joy for the morning, oh sister, be still
Earth has no sorrow that heaven can't heal
Earth has no sorrow that heaven can't heal

So lay down your burdens. Lay down your pain
All who are broken lift up your face
Oh wanderer, come home, you're not too far
So lay down your hurt, lay down your heart. Come as you are
So lay down your hurt, lay down your heart. Come as you are

DOWN IN THE RIVER TO PRAY

As I went down in the river to pray, studying about that good ol' way
And who shall wear the **starry crown**
Good Lord show me the way.
Oh **sisters** let's go down, let's go down, come on down
Oh sisters let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
And who shall wear the **robe and crown**
Good Lord, show me the way.
Oh **brothers** let's go down, let's go down, come on down
Come on brothers let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
And who shall wear the **starry crown**
Good Lord show me the way.
Oh **fathers** let's go down, let's go down, come on down
Oh fathers let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
And who shall wear the **robe and crown**
Good Lord, show me the way.
Oh **mothers** let's go down, come on down, don't you wanna go down
Come on mothers let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
And who shall wear the **starry crown**,
Good Lord show me the way.
Oh **sinner**s let's go down, let's go down, come on down
Oh sinners let's go down, down in the river to pray

As I went down in the river to pray, studying about that good ol' way
And who shall wear the **robe and crown**
Good Lord, show me the way.

FOREVER YOUNG

May God bless and keep you always
 May your wishes all come true
 May you always do for others
 And let others do for you
 May you build a ladder to the stars
 And climb on every rung
 May you stay forever young
 Forever young, forever young
 May you stay forever young.

May you grow up to be righteous
 May you grow up to be true
 May you always know the truth
 And see the lights surrounding you
 May you always be courageous
 Stand upright and be strong
 May you stay forever young
 Forever young, forever young
 May you stay forever young.

May your hands always be busy
 May your feet always be swift
 May you have a strong foundation
 When the winds of changes shift
 May your heart always be joyful
 And may your song always be sung
 May you stay forever young
 Forever young, forever young
 May you stay forever young.

FORGIVE ME LORD

Forgive me Lord, I've done a lot of wrong
 I've done a lot of wrong, I've done a lot of wrong
 Forgive me Lord, I've done a lot of wrong to you

Every time I relied on myself, when I did struggle
 Every time I neglected your words and your saving love
 Every time I brought somebody down, when I needed a clown to cheer me
 For a million and two reasons, I need you each season

Forgive me Lord, I've done a lot of wrong
 I've done a lot of wrong, I've done a lot of wrong
 Forgive me Lord, I've done a lot of wrong to you

Come into my heart take away the darkness
 Come into my life take away the sadness
 Come into my soul take away the badness, I feel

Come into my heart take away the darkness
 Come into my life take away the sadness
 Come into my soul take away the badness, I feel
 And make me whole and young again

FOR THE LORD IS GOOD

Enter his gates with thanksgiving
 Come into his courts with praise
 Enter his presence rejoicing
 Singing great and mighty is his name

Praise him with the sound of the trumpets
 Praise him with the timbral and harp
 Let every creature in heaven and earth
 Lift the sound of praise, sing with all their heart

For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, and his mercy endures forever
 For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, And his mercy endures forever [x2]

Jesus the son is exalted, Maker of everything
 Come now and bow down before him
 Lift your hand in praise, raise your voice to sing

For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, and his mercy endures forever
 For the Lord is good (For the Lord is good) [x2]
 For the Lord is good, And his mercy endures forever [x3]

FROM A DISTANCE

From a distance, the world looks blue and green
 And the snow-capped mountains white
 From a distance, the ocean meets the stream
 And the eagle takes to flight
 From a distance, there is harmony
 And it echoes through the land
 It's the voice of hope, it's the voice of peace
 It's the voice of every man

From a distance, we all have enough and no one is in need
 There are no guns, no bombs, no diseases
 No hungry mouths to feed
 From a distance we are instruments, marching in a common band
 Playing songs of hope, playing songs of peace
 They're the songs of every man

God is watching us, God is watching us, God is watching us
 From a distance

From a distance, you look like my friend
 Even though we are at war
 From a distance, I can't comprehend
 What all this war is for
 From a distance, there is harmony
 And it echoes through the land
 It's the hope of hopes, It's the love of loves
 It's the heart of every man
 It's the hope of hopes, It's the love of loves
 It's the song of every man

FULL FORCE GALE

Like a full force gale I was lifted up again, I was lifted up again, by the Lord

No matter where I roam, I will find my way back home, I will always return to the Lord

In the gentle evening breeze, by the whispering shady trees
I will find my sanctuary in the Lord

I was headed for a fall, then I saw the writing on the wall

Like a full force gale I was lifted up again, I was lifted up again, by the Lord

I was headed for a fall, then I saw the writing on the wall

In the gentle evening breeze, by the whispering shady trees
I will find my sanctuary in the Lord

No matter where I roam, I will find my way back home, I will always return to the Lord

Like a full force gale I was lifted up again, I was lifted up again, by the Lord
Like a full force gale I was lifted up again,
I was lifted up again, I was lifted up again, I was lifted up again, by the Lord

GAUDETE

Ch: Gaudete, gaudete Christus est natus, Ex Maria Virginae, gaudete

1. Tempus ad est gratiae hoc quod optabamus, Carmina laetitiae devote redamus.
2. Deus homo factus est natura mirante, Mundus renovatus est a Christo regnante.
3. Ezechielis porta clausa pertransitur, Unde lux est orta salus invenitur.
4. Ergo nostra cantio psallat iam in lustro, Benedicat Domino salus Regi nostro.

GET UP AND LIVE

Ch: Get up and live, stand up and walk, life is a gift from God, You've only one lifetime, live it well

Go to your brothers, help them all. Get up and live

Go to the poor, to the poor in your town, Go to the poor, to the poor my friend
Share their sorrow, let your pride down, Show them you care, try to understand

Chorus

Rejoice, rejoice, be happy in your town, Rejoice, rejoice, be happy my friend
Through your hands Christ has come to your town, He'll stay with you till the end

Chorus

Get up and live, stand up and walk, life is a gift from God, You've only one lifetime, live it well
Go to your brothers, help them all. Stand up and walk

GIVE IT ALL TO JESUS

Ch: There is strength for your weakness
 Freedom for your chains
 Healin' for your bruises, Peace for your pain
 There's reward for your labour
 Release when you're bound
 Just give it all to Jesus, Let him turn it around

Heart like a stone
 All your fears locked deep inside
 So all alone, never show the tears you cried
 You can't admit your weakness
 In a world so full of pride
 But the emptiness you feel can't be denied

Why do you stay
 When it only brings you down
 There is a way if you'll only turn around
 You can trade all of your failures
 For a love that never ends
 You can give up all your heartaches for a friend

He's got strength *(last line x2)*

GOD IS IN THE HOUSE

As for me God came and found me, as for me He took me home
 As for me He gave me a family and I'll never walk alone
 In my life I'm soaked in blessing and in Heaven there's a great reward
 As for me and my house we're gonna serve the Lord

I got Jesus, Jesus, He calls me for His own
 And He lifts me, lifts me, above the world I know
 God is in the house, there is no doubt. God is in the house, can't keep him out
 As for you (as for you), as for me (as for me), we're gonna serve the Lord

As for me God came and found me, as for me He took me home
 As for me He gave me a family and I'll never walk alone
 In my life I'm soaked in blessing and in Heaven there's a great reward
 As for me and my house we're gonna serve the Lord

I got Jesus, Jesus, He calls me for His own
 And He lifts me, lifts me, above the world I know
 God is in the house, there is no doubt. God is in the house, can't keep him out
 As for you (as for you), as for me (as for me), we're gonna serve the Lord

HARVEST FOR THE WORLD

All babies together, everyone a seed
 Half of us are satisfied, half of us in need
 And love's beautiful in us, tarnished by our greed
 Oh, when will there be a harvest for the world
 Harvest for the world

A nation planted so concerned with gain
 As the seasons come and go, greater grows the pain
 And far too many are feeling the strain
 Oh, when will there be a harvest for the world
 Harvest for the world

Gather every man, gather every woman
 Celebrate your lives, give thanks for your children
 Gather every one, gather all together
 Overlooking none, hoping life gets better

Dress me up for battle, when all I want is peace
 Those of us who pay the price, come home with the least
 And nation after nation are turning into beasts
 Oh, when will there be a harvest for the world

When will there be (Harvest for the world)
 I wanna know right now

HE AIN'T HEAVY

The road is long with many a winding turn
 That leads us to who knows where, who knows when
 But I'm strong, strong enough to carry him
 He ain't heavy, he's my brother

So on we go, his welfare is my concern
 No burden is he to bear, we'll get there
 For I know he will not encumber me
 He ain't heavy, he's my brother

If I'm laden at all, I'm laden with sadness
 That everyone's heart isn't filled with gladness
 Of love for one another

It's a long, long road from which there is no return
 While we're on our way to there, why not share
 For God knows, he doesn't weigh me down at all
 He ain't heavy, he's my brother, he's my brother, he's my brother

HEAL THE WORLD

There's a place in your heart and I know that it is love
 And this place could be much brighter than tomorrow
 And if you really try, you'll find there's no need to cry
 In this place you'll feel there's no hurt or sorrow
 There are ways to get there, If you care enough for the living
 Make a little space, Make a better place

Ch: Heal the world, make it a better place
 For you and for me and the entire human race
 There are people dying, If you care enough for the living
 Make a better place for you and for me

And the dream we were conceived in will reveal a joyful face
 And the world we once believed in will shine again in grace
 Then why do we keep strangling life, wound this earth, crucify its soul
 Though it's plain to see this world is heavenly, Be God's glow

We could fly so high, let our spirits never die
 In my heart I feel you are all my brothers
 Create a world with no fear, Together we'll cry happy tears
 See the nations turn their swords into ploughshares
 We could really get there, If you cared enough for the living
 Make a little space, To make a better place

Chorus x3

you and for me, you and for me, you and for me

HEAVEN HELP US ALL

Heaven help the child who never had a home
 Heaven help the girl who walks the streets alone
 Heaven help the roses if the bombs begin to fall
 Heaven help us all

Heaven help the black man if he struggles one more day
 Heaven help the white man if he turns his back away
 Heaven help the man who kicks the man who has to crawl
 Heaven help us all

Ch: Heaven help us all, heaven help us all
 Heaven help us, Lord hear our call when we fall
 Heaven help us all

Heaven help the boy who won't reach 21
 Heaven help the man who gave that boy a gun
 Heaven help the people with their backs against the wall
 Lord, heaven help us all

Chorus

Now I lay me down, before I go to sleep
 In a troubled world I pray the Lord to keep
 Hatred from the mighty and the mighty from the small
 Heaven help us all

Chorus x2

HE CAME IN LOVE

Pure and Holy Son of God, taking on the form of man
 Left the glory of His throne, came to bring salvation's plan
 Righteous Father, Holy One, looking down on us in Love
 Gave to us His only Son, sent with blessings from above

Ch: But we took Him and we nailed Him to a cross made of wood
 And we raised it high and dropped it in the ground where it stood
 And the blood that flowed to the earth below
 Brought forgiveness for the world that had treated Him so

"Peace on earth, goodwill to men," at His birth the angels sang
 "Love and mercy from the Throne," through the earth His message rang

Chorus

He came in love to bring us light in our darkness
 He came in peace to bring release from our pain
 He come in joy to bring us rest in our weariness
 He came in love to bring us beauty again

Chorus

HELP ME

Lord help me walk another mile, just one more mile
 I'm tired of walking all alone
 Lord help me smile another smile, just one more smile
 I know I just can't make it on my own

I never thought I needed help before
 I thought that I could do things by myself
 Now I know I just can't take it any more
 With a humble heart on bended knee
 I'm begging you please, help me

Come down from your golden throne to me, lonely me
 I need to feel the touch of your tender hand
 Remove the chains of darkness and let me see, Lord, let me see
 Just where I fit into your master plan

I never thought I needed help before
 I thought I could get by, by myself
 Now I know I just can't take it anymore
 With a humble heart on bended knee
 I'm begging you please, help me

HOLY MOTHER

Holy Mother, where are you *[Boy 1]*
 Tonight I feel broken in two
 I've seen the stars fall from the sky
 Holy Mother, can't keep from crying
 Oh I need your help this time *[Boy 2]*
 Get me through this lonely night
 Tell me please which way to turn
 To find myself again

Holy Mother hear my prayer *[Boy 1]*
 Somehow I know you're still there
 Help me please find peace of mind
 Take away this pain

I can't wait, I can't wait, I can't wait any longer (Ooh, ooh, ooh, ooh, ooh, ooh)
 I can't wait, I can't wait, I can't wait for you (Ooh, ooh, ooh, ooh)

Holy Mother, hear my prayer, I call your name a thousand times *[all the boys]*
 I felt the hunger running through my soul, All I need is a hand to hold

Oh I feel that the end is come, No longer my legs will run *[all]*
 You know I would rather be, In your arms tonight

When my hands no longer play *[Boy 1]*
 My voice is still I fade away *[Boy 2]*
 Holy Mother, there we'll be *[together]*
 Lying in, safe within - your heart *[1, 2 - together]*

Holy Mother, hear my cry, Holy Mother, hear my prayer *[x2]* *[all]*

HOPE

Long ago, and far away, they say a young man died
 And looking back two thousand years, you wonder why He tried
 But yet though time distorts the view and images grow vague
 Still shines His light though shooting stars go spinning to the grave

Ch: Hope is the light that fills your eyes, hope is the word which Christ devised
 Reflecting His world, green grass, blue skies
 Hope is the strength you need

And if you should go by His door when nothing else is right
 You'll find the light inside your heart will still be burning bright
 But if your courage fails you then, you still must venture forth
 And leave your footprints in the sand as tribute to your birth

Chorus... For life, for love your hope

I BELIEVE

I believe in loving you
 I believe only true love will do
 I believe in the human race
 And I believe it is a disgrace
 We don't love as much as we should
 I believe this world is ours
 I believe in supernatural powers
 I believe in matrimony
 And I believe in raising our children as free
 As free as they should be

**I believe in the Father and the Son and the Holy Ghost
 And the children of men he loves the most
 I believe we only can be free
 Living as God intended it to be
 According to the Word as it was spoken
 This is my pledge and this is my token
 I believe in no cheap imitations
 I believe in the realisation of Utopia
 And the kingdom come
 The Kingdom of God in everyone
 I believe in you *[Repeat from **]*

IN LOVE FOR ME (This Is My Body)

This is my body, broken for you, Bringing you wholeness, making you free
 Take it and eat it, and when you do, do it in love for me

This is my blood poured out for you, Bringing forgiveness, making you free
 Take it and drink it and when you do, do it in love for me, do it in love for me

IN THE PALM OF YOUR HAND

If I could have the world and all it owns, A thousand kingdoms, a thousand thrones
 If all the earth were mine to hold, With wealth my only goal
 I'd spend my gold on selfish things, Without the love that your life brings
 Just a little bit more is all I need, Til life was torn from me

Ch: I'd rather be in the palm of your hand
 Though rich or poor I may be
 Faith can see right through the circumstance,
 Sees the forest in spite of the trees
 Your Grace provides for me

If I should walk the streets no place to sleep, No faith in promises You keep ...
 I'd have no way to buy my bread, With a bottle for my bed.
 But if I trust the One who died for me, Who shed His Blood to set me free
 If I live my life to trust in You, Your Grace will see me through
Chorus
 If I could have the world, If I could have the world and all it owns

I SING TO THE FATHER ALL LOVING

I sing to the Father all loving, I celebrate His love in us here
His grace will hold us together, and we shall have nothing to fear

Ch: Now I look to a future, a race to be run
And our love burns like fire from a hot summer sun
And in time, and in time, we will all be one

I sing to the Son who redeemed us, I glory in the glow of rebirth
He gave us all our tomorrows, just as He's given the earth

Chorus

I sing to the Spirit around us, who lives inside each of our souls
He guides us to a reunion, and all of our hearts he consoles

Chorus

I WANT TO GO HOME TO MY FATHER

Just a poor man, made poorer still by the knowledge of the riches I have squandered
Oh I've wandered, I stand convicted, even knowing that the deepest of my wounds
were mostly
self-inflicted. Where did my heart go? Where have I been?
You opened my eyes to the darkness and lies and I shut them again

And I want to go home to my father. I want to be part of where my heart says I belong
I want to wash my weary soul in living water, I've been away, away too long
I want to go home

Out on the boundary of my freedom, I was looking for fences that could keep me in
And I found there were none. Only your sweet love, Lord, fool that I've been
You broke the chains of my heartache and pain, and I forged them again

Chorus

Oh Jesus, Lord, please help me, I'm so full of regret
So hard to forgive myself, harder to forget
I need you to hold me and heal me, mould me and steel me
By the power of your word to be the son that you called me to be

Chorus

I've been away, away too long, I want to go home

I WAS HERE

You will notice me
 I'll be leavin' my mark like initials carved in an old oak tree
 You wait and see
 Maybe I'll write like Twain wrote
 Maybe I'll paint like Van Gogh
 Cure the common cold, I don't know
 But I'm ready to start cos I know in my heart

I wanna do somethin' that matters
 Say somethin' different
 Somethin' that sets the whole world on its ear
 I wanna do somethin' better
 With the time I've been given
 And I wanna try
 To touch a few hearts in this life
 Leave nothin' less
 Than somethin' that says "I was here"

I will prove you wrong
 If you think I'm all talk, you're in for a shock
 Cos this dream's too strong
 And before too long

Maybe I'll compose symphonies,
 Maybe I'll fight for world peace
 Cos I know it's my destiny
 To leave more than a trace of myself in this place

I wanna do somethin' that matters
 Say somethin' different
 Somethin' that sets the whole world on its ear
 I wanna do somethin' better
 With the time I've been given
 And I wanna try
 To touch a few hearts in this life
 Leave nothin' less
 Than somethin' that says "I was here"

And I know that I will do more than just pass through this life
 I'll leave nothin' less than somethin' that says "I was here"

(I wanna do somethin') "I was here"
 (somethin' that matters) "I was here"
 (I wanna do somethin') "I was here"

LAY DOWN BURDEN

So many years spent running away, how many times I wished I could stay
 Too much emotion, a hole in my heart, feeling alone since we've been apart
 And if I had the chance I'd never let you go, just want you to know...

Ch: Down, lay me down, lay me down, lay down burden [x2]

How many things I wanted to do, how many times spent thinking this through
 So many nights spent here by the phone, wondering if you felt just as alone
 And while some things have all been crazy from the start, it's tearing me apart

Chorus

Just remember the way I held you
 You're always in my heart

Ch: Down, lay me down, lay me down, Lay down burden
 Down, lay me down, lay down burden

[Repeat + fade last 2 lines]

LEAD ME

Search me, oh God, and know my heart
 Try me and know my thoughts
 And see if there'll be any wicked way in me
 And lead me in the way everlasting

Ch: Lead me, oh lead me, lead me in the way everlasting
 Lead me, oh lead me, lead me in the way everlasting

When you have searched and know my heart
 And tried me with wisdom true
 I'll ask for your grace and your loving kindness too
 To lead me in the way everlasting

Chorus

LEAN ON ME

Sometimes in our lives we all have pain we all have sorrow
 But if we are wise we know that there's always tomorrow

Lean on me when you're not strong, I'll be your friend, I'll help you carry on
 For it won't be long, 'til I'm gonna need somebody to lean on
 Please swallow your pride if I have faith you need to borrow
 For no one can fill those of your needs that you won't let show

Ch: Just call on me brother when you need a hand
 We all need somebody to lean on
 I just might have a problem that you'll understand
 We all need somebody to lean on

Lean on me when you're not strong, I'll be your friend, I'll help you carry on
 For it won't be long, 'til I'm gonna need somebody to lean on

Chorus

If there is a load you have to bear that you can't carry
 On, right up that road, I'll share your load if you'll just call me
 Call me [x4]

LET IT BE

When I find myself in times of trouble, Mother Mary comes to me
 Speaking words of wisdom. Let it be
 And in my hour of darkness, she is standing right in front of me
 Speaking words of wisdom, let it be

Ch: Let it be, let it be, let it be, let it be
 There will be an answer, let it be
 Let it be, let it be, let it be, let it be
 Whisper words of wisdom, let it be

And when the brokenhearted people living in the world agree
 There will be an answer, let it be
 And though they may be parted, there is still a chance that they will see
 There will be an answer, let it be

Chorus

And when the night is cloudy, there is still a light that shines on me
 Shine until the morrow, let it be
 I wake up to the sound of music, Mother Mary comes to me
 Speaking words of wisdom, let it be

Chorus

LET THE RIVER FLOW

Let the poor man say I am rich again, let the lost man say I am found again
 Let the river flow
 Let the blind man say I can see again, let the dead man say I am born again
 Let the river flow. Let the river flow

Let the river flow, let the river flow
 Holy Spirit come, move in power, let the river flow

Let the poor man say I am rich again, let the lost man say I am found again
 Let the river flow
 Let the blind man say I can see again, let the dead man say I am born again
 Let the river flow. Let the river flow

Let the river flow, let the river flow
 Holy Spirit come, move in power
 Let the river flow (Let the river flow) Let the river flow (Let the river flow)
 Let the river flow (Let the river flow)

LORD

Lord, if only you could listen, and hear confusion in my mind
 Oh you'd break down and cry for me
 Oh you'd break down and die for me
 And Lord, if you could know the feeling
 When life begins to get me down
 Would you break down and cry for me
 Would you break down and die for me

And Lord to live from day to day
 Would never help me find my way
 Oh Lord, will you take my hand
 And lead me there

Lord, if you could know the feeling
 When life begins to get me down
 Would you break down and cry for me
 Would you break down and die for me

And Lord to live from day to day
 Would never help me find my way
 Oh Lord, will you take my hand
 And lead me there
 To your side forever, ever my Lord

LORD HELP ME JESUS

Ch: Lord help me Jesus, I've wasted it so
 Help me Jesus, I know what I am
 Now that I know that I needed you so
 Help me Jesus, my soul's in your hand

1. Why me Lord, what have I ever done
 To deserve even one of the pleasures I've known
 Tell me Lord, what did I ever do
 That was worth loving you, for the kindness you've shown
2. Try me Lord, if you think there's a way
 I can try to repay all I've taken from you
 Maybe Lord, I can show someone else
 What I've been through myself on my way back to you

LORD, IS IT MINE

I know that there's a reason why I need to be alone
 I need to find a silent place that I can call my own
 Is it mine, oh Lord, is it mine
 You know I get so weary from the battles in this life
 And many times it seems like you're the only hope in sight
 Is it mine, oh Lord, is it mine

When everything's dark and nothing seems right
 There's nothing to win and there's no need to fight

I never cease to wonder at the cruelty of this land
 But it seems a time of sadness is a time to understand
 Is it mine, oh Lord is it mine

When everything's dark and nothing seems right
 You don't have to win and there's no need to fight

If only I could find a way to feel your sweetness through the day
 The love that shines around me could be mine
 So give us an answer won't you, we know what we have to do
 There must be a thousand voices, trying to get through

LOVE CAN BUILD A BRIDGE

I'd gladly walk across the desert with no shoes upon my feet
 To share with you the last bite of bread I had to eat
 I would swim out to save you in your sea of broken dreams
 When all your hopes are sinking, let me show you what love means

Love can build a bridge, between your heart and mine
 Love can build a bridge, don't you think it's time
 Don't you think it's time?

I would whisper love so loudly every heart could understand
 That love, and only love, can join the tribes of man
 I would give my heart's desire so everyone might see
 The first step is to realise that it all begins with you and me

Love can build a bridge, between your heart and mine
Love can build a bridge, don't you think it's time
Don't you think it's time?

When we stand together, it's our finest hour
We can do anything (anything), anything (anything), if we're living in the power (of love)

Love can build a bridge, between your heart and mine
Love can build a bridge, don't you think it's time
Don't you think it's time?

Love can build a bridge, between your heart and mine
Love can build a bridge, don't you think it's time
Don't you think it's time, don't you think it's time

THE LOVE IN HIS EYE

Loneliness, if only this was all that's left of dreams that fall apart
 But all the years of time and tears, will never end the pain that breaks a heart
 So if you want Him to hear your prayer
 And know for sure when you hurt He'll be right there

Look up, there's a light in the sky
 Look up, it's the love in His eye

Before you're through, He'll give to you a heart that's burning brighter every day
 Your light will glow and as you go, the Lord's eternal love will light your way

But even though in His love you have grown
 Before we've done, He will come to take us home

Look up, there's a light in the sky
 Look up, it's the love in His eye
 Look up, there's a light in the sky
 Just look up, it's the love in His eye

LOVE OF THE COMMON PEOPLE

Living on free food tickets, water in the milk from a hole in the roof
 Where the rain came through, what can you do, ooh
 Tears from your little sister, crying cos she doesn't have a dress without a patch
 For the party to go, but you know she'll get by, cos she's

Ch: Living in the love of the common people
 Smiles from the heart of a family man
 Daddy's gonna buy you a dream to cling to
 Momma's gonna love you just as much as she can, and she can

It's a good thing you don't have busfare; it would fall through the hole in your pocket
 And you'd lose it in the snow on the ground. You gotta walk into town to find a job
 Trying to keep your hands warm, but the hole in your shoe lets the snow come
 through
 And chills you to the bone, somehow you'd better go home where it's warm
 Where you can

Chorus

Living on a dream ain't easy, but the closer the knit the tighter the fit
 And the chills stay away, just take them in stride for family pride
 You know that faith is your foundation
 With a whole lot of love and a warm conversation, but don't forget to pray
 It's making it strong where you belong, and we're

Chorus

Cos we're living in the love....

LOVE SHINE A LIGHT

Love shine a light in every corner of my heart
 Let the love light carry, let the love light carry
 Light up the magic, in every little part
 Let our love shine a light in every corner of our hearts

Love shine a light in every corner of my dream
 Let the love light carry, let the love light carry
 Like the mighty river flowing from the stream
 Let our love shine a light in every corner of my dream

Ch: And we're all gonna shine a light together, all shine a light to light the way
 Brothers and sisters in every little part
 Let our love shine a light in every corner of our hearts

Love shine a light in every corner of the world
 Let the love light carry, let the love light carry
 Light up the magic for every boy and girl
 Let our love shine a light in every corner of the world

Chorus x2

LOVE SONG

The words I have to say may well be simple, but they're true
 Until you give your love, there's nothing more that we can do

Love is the opening door, love is what we came here for
 No one could offer you more
 Do you know what I mean, have your eyes really seen?

They say it's very hard to leave behind a life we knew
 But there's no other way, and now it's really up to you

Love is the key we must turn; truth is the flame we must burn
 Freedom the lesson we must learn
 Do you know what I mean, have your eyes really seen?

Love is the opening door; love is what we came here for
 No one could offer you more
 Do you know what I mean, have your eyes really seen?
 Do you know what I mean, have your eyes really seen?

NEW DAY

There's nothing like the sound of laughter, there's nothing like a smile
 And anything you see hereafter, is it worth the while
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt

There's nothing like the way you hold her, there's nothing like a home
 And though you feel a little colder, you're not alone
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt, and watch the morning come

Ch: New day will come, new day will come
 New day will come, for you and for me, New day will come
 I know cos I've been there before, I know just how it feels to lose
 And for every closing door, there's another one to choose

There's nothing like the hand of kindness, there's nothing like a friend
 And even though the world will blind us, it's there in the end
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt, and watch the morning come

Ch: New day will come, new day will come
 New day will come, for you and for me, New day will come
 I know cos I've been there before, and what goes round will come around
 And for every closing door, there's another to be found

There's nothing like the sound of laughter, there's nothing like a smile
 And anything you see hereafter, is it worth the while
 I know that you don't believe me, I know that you doubt
 The stone that's in your heart will melt, oh how your heart will melt

NEW WORLD IN THE MORNING

Everybody talks about a new world in the morning
 A new world in the morning so they say
 I myself don't talk about a new world in the morning
 A new world in the morning, that's today
 And I can feel a new tomorrow coming on
 And I don't know why I have to make a song
 Everybody talks about a new world in the morning
 A new world in the morning takes so long

I met a man who had a dream he had since he was twenty
 I met that man when he was eighty-one
 He said too many folks just stand and wait until the morning
 Don't they know tomorrow never comes
 And he'd feel a new tomorrow coming on
 And when he'd smile his eyes would twinkle up in fun
 Everybody talks about a new world in the morning
 A new world in the morning never comes

And I can feel a new tomorrow coming on
 And I don't know why I have to make a song
 Everybody talks about a new world in the morning
 A new world in the morning takes so long

NOBODY FILLS MY HEART LIKE JESUS

Well I'd like to say Lord from the start, thank you for breaking through my heart
 Thank you for tearing every chain apart
 When I was lost you made a way, you turned the darkest night to day
 You are my joy and Lord I'd like to say

Ch: That nobody fills my heart like Jesus, nobody thrills me like you do
 Oh nobody fills my heart like Jesus, nobody Lord but you, nobody
 Nobody fills my heart like Jesus, nobody thrills me like you do
 Oh nobody fills my heart like Jesus, nobody Lord but you – Nobody but you

I'd like to say Lord from the start, thank you for breaking through my heart...

Chorus

Well, when I am weak my Lord is strong, loving me even when I'm wrong
 Lord you are my salvation and my song
 Every day I'll make the choice, just listening following your voice
 Being with you I can't help but rejoice

Nobody fills my heart like Jesus, nobody thrills me like you do...

NOTHING MORE

To be humble, to be kind
 It is the giving of the peace in your mind
 To a stranger, to a friend
 To give in such a way that has no end.

Ch: We are love. We are one.
 We are how we treat each other when the day is done.
 We are peace. We are war.
 We are how we treat each other and nothing more.

To be bold, to be brave.
 It is the thinking that the heart can still be saved
 And the darkness can come quick
 The danger's in the anger and the hanging on to it.

Chorus

Tell me what it is that you see
 A world that's filled with endless possibilities?
 Heroes don't look like they used to, they look like you do.

Love. One. Love. One.

Chorus

We are how we treat each other – nothing more
 We are how we treat each other

NOWHERE MAN

He's a real nowhere man, sitting in his nowhere land
 Making all his nowhere plans for nobody

Doesn't have a point of view, knows not where he's going to
 Isn't he a bit like you and me
 Nowhere man, please listen, you don't know what you're missing
 Nowhere man, the world is at your command

He's as blind as he can be, just sees what he wants to see
 Nowhere man, can you see me at all
 Nowhere man, don't worry, take your time, don't hurry
 Leave it all till somebody else lends you a hand

Doesn't have a point of view, knows not where he's going to
 Isn't he a bit like you and me
 Nowhere man, please listen, you don't know what you're missing
 Nowhere man, the world is at your command

He's a real nowhere man, sitting in his nowhere land
 Making all his nowhere plans for nobody [x3]

NUMBER ONE

You came through the water to stand in fire here
 Like tempered gold, new-burnished in the sun
 And no one really thought you'd ever be here
 Takes more than silver coins to hold you down
 And I had to close my eyes when I looked in your face
 I couldn't stand the beauty that was there
 A beauty that could make me look so poor

I was never close to you before now
 Though many many times I called aloud your name
 But I didn't even think, didn't think you'd hear me
 But you chose to be with me just the same
 And I had to bow my head when you spoke to me first
 I couldn't understand the words I heard
 A beauty that could make me look so cruel

All the world could save for you was agony
 A priceless life thrown willing to swine
 And I was one of those who tore your eyes away
 What man alive can stand up to your gaze?
 And I fell down and I cried when I saw what I'd done
 I killed the holiest love I ever saw
 A beauty that could show my life so raw

O Jesus, the gates of hell, they couldn't hold you
 Cos death itself was shrivelled by your love
 And I never thought that I could stand here with you
 But there's nothing, nothing they can do will ever drag me back
 And I had to close my eyes and bow my head right down
 And touch the very wounds that make me strong
 A beauty that could raise me from the ground
 A beauty that could raise me from the ground

OH HAPPY DAY

Oh happy day, oh happy day
 When Jesus washed, oh when He washed
 When Jesus washed, He washed my sins away
 Oh happy day

[x2]

He taught me how to watch, fight and pray
 Fight and pray
 And live rejoicing every day, every day

Oh happy day, oh happy day
 When Jesus washed, oh when He washed
 When Jesus washed, He washed my sins away
 Oh happy day, oh happy day

OH HEAVEN

When I was young, I used to dream of days to come
 Filled with things like gentle peace, Quiet love and knowing
 Through endless days and endless ways, Of trying to get to you
 I found it didn't work out quite the way I planned it

Pressed down, shaken together, Running over, running over
 Lord, I'm full since you came walking in

Oh heaven, you came down today, And I never understood
 How you could take a sinner's hand, And bring him into you

I felt him know me, watched him grow me
 To the place where I could tell him everything
 I knew he'd understood
 This broken man, this broken hand
 Was mended when I took the hand of Jesus, Oh, my Jesus

Pressed down, shaken together, Running over, running over
 Lord, I'm full since you came walking in

Oh heaven, you came down today, And I never understood
 How you could take a sinner's hand, And bring him into you

Oh heaven you came down today
 Now I understand, How you could take a sinner's hand
 And bring him into you, into you

ONE DAY AT A TIME

I'm only human, I'm just a woman
 Help me believe in what I could be, and all that I am
 Show me the stairway that I have to climb
 Lord, for my sake, teach me to take, one day at a time

Chorus: One day at a time, sweet Jesus, That's all I'm asking of You
 Just give me the strength to do every day, what I have to do
 Yesterday's gone, sweet Jesus, And tomorrow may never be mine
 Lord, help me today, show me the way, one day at a time

Do You remember, when You walked among men
 Well Jesus You know, if You're looking below, It's worse now than then
 There's pushing and shoving, and crowding my mind
 So for my sake, teach me to take, one day at a time

Chorus

ONE DAY AT A TIME

Drinking in the morning sun
 Blinking in the morning sun
 Shaking off the heavy night
 Praying in the morning light

God made me behave this way
 Using words I never say
 I can only think it must be love
 Anyway, it's looking like a beautiful day

Someone tell me how I feel
 It's feeling wrong but vivid right
 You give me strength, you make it real
 You brighten up my darkest night

It's only now I see your face
 You hold me in your warm embrace
 Lying with me half awake
 Anyway, it's looking like a beautiful day

Throw those curtains wide!
 One day like this a year would see me right
 Throw those curtains wide!
 One day like this a year would see me right

ONE HEART AT A TIME

Everybody's lookin' for a hero, everybody's waitin' on the big noise
 Everybody's hopin' for a hot shot, everybody's bettin' on the big boys
 But they don't know and they don't see, it all begins with you and me

Ch: One heart at a time, one life to another, One heart at a time, brother to brother

Everybody's hangin' on the healer, everybody's pullin' at the preacher man
 Everybody's lookin' for a leader, to save the world
 They think it's only he who can
 Now they know, why don't they see, God gave his power to you and me

Chorus

The fields are ripe with harvest, they're ready don't you know
 That everybody's waitin', tell me, who is gonna go
 For the men of God you've heard, everyone began
 Holdin' on to Jesus, reachin' out to just one man

One heart at a time, one life to another, One heart at a time, brother to brother [x2]
 Brother to brother, brother to brother

ONE WAY DONKEY RIDE

There you may stand in your splendour and jewels, swaying me in both directions
 One is the right way, the other for fools – how do I make my selection?
 The city lies silent in the warm morning light, the sand is as golden as saffron
 Oasis of love, sweet water of life, God bless the poor ones who have none
 Though they have tried

Someone is drowning down there in the flood, but this river will dry by tomorrow
 Is it ocean or stream, this love in my blood? Bringer of joy or of sorrow?
 The end of the journey must soon be in sight, birth is the start of the swansong
 Oasis of love, sweet water of life, God bless the poor ones who want some
 But are denied

No one is given the map to their dreams, all we can do is to trace it
 See where we go to, know where we've been, build up the courage to face it
 While we fumble in the darkness where once there was light
 Roaming the land of the ancients
 Oasis of love, sweet water of life, God bless the poor ones whose patience never died

While we stumble in blindness where once there was sight
 Searching for trees in the forest – Oasis of love, sweet water of life
 God bless the poor ones who have none, though they have tried
 God bless the poor ones who want some, but are denied
 God bless the poor ones whose patience never died
 God bless the poor ones, on that one-way donkey ride

PEACEFUL WATERS

Restless hearts, it has been a long time
 Out here on the journey for a glimpse of paradise
 It's getting hard to find a place to go, where peaceful waters flow
 I took a walk past the old Saxon well
 Down by the Cathedral, I heard the Chapel bell
 And joined the people singing for a way to go, where peaceful waters flow

And if you don't know by now, you never will
 Only love can find the door
 And if you could see it now, it's in your hand
 Only love can reach the shore to Heaven

Always He is standing by my side, He's my inspiration, and He's my battle cry
 And in His light is the only place I know, where peaceful waters flow

And if you don't know by now, you never will
 Only love can find the door
 And if you could see it now, it's in your hand
 Only love can reach the shore forever more, where peaceful waters flow

PERFECT HEART

Morning sun lights up creation, grassy fields down below
 See the clouds a shimmering the hill, His design for a perfect world
 I'm amazed at His talent, stand in awe of one so great
 Now my soul begins to sing out to the source from which it came

Bless the Lord who reigns with beauty
 Bless the Lord, who reigns with wisdom and with power
 Bless the Lord, who reigns in my life with so much love
 He can make a perfect heart
[Repeat]

PRAYERS FOR YOU

These are my prayers, these are the things I wish for you
 May you be strong and happy whatever you do

May your heart travel light on a long journey's night
 May a circle of friends keep you warm
 May your mind be at ease when you're down on your knees
 When your ship needs a port in the storm
 May you find answers to each of my prayers for you

These things I ask, these are the gifts I cannot give
 May love keep you young for as long as you live
 May your dreams find a place in the garden of grace
 May they grow where you've planted the seed
 May your faith be a flame that won't die in the rain
 May you never want more than you need
 May you find answers to each of my prayers for you

May your heart travel light on a long journey's night
 May a circle of friends keep you warm
 May your mind be at ease when you're down on your knees
 When your ship needs a port in the storm
 May you find answers to each of my prayers for you

These are my prayers, these are the things I wish for you

PREPARE THE WAY

Get yourself up high on a mountain, lift up your voice and sing
Say to the city "Good news is coming, here comes your king"

Ch: Prepare the way, wide in the wilderness, Make in the desert a broad highway
Lift every valley, lay low the mountains, Then together His love we shall see

Life is like grass, lovely as a flower, Soon withers and it fades
Surely the people fade like the flower, But the word of the Lord it stays

Chorus

I know that He's calling, love is falling like the rain
Oh, I know that He's coming like He promised, once again [x3]

Chorus

PSALM 4

Ch: Alle, alleluia [x3]

1. O men, how long will your hearts be closed
Will you love what is futile and seek what is false
'Tis the Lord who grants favours to those whom he loves
The Lord hears me whenever I call
2. Fear him, do not sin, Ponder on your bed and be still
Make justice your sacrifice and trust in the Lord
"What can bring us happiness," many say
3. Lift up the light of your face on us, O Lord
You have put into my heart a greater joy
I will lie down in safety and sleep comes at once
For you alone make me dwell in peace

PUT A LITTLE LOVE IN YOUR HEART

Think of your fellow man, Lend him a helpin' hand
Put a little love in your heart
You'll see it's gettin' late, Oh please don't hesitate
Put a little love in your heart

And the world will be a better place, And the world will be a better place
For you, and me, just wait and see

Another day goes by, and still the children cry
Put a little love in your heart
You want the world to know, we won't let hatred grow
Put a little love in your heart

Ch: And the world (and the world) will be a better place [x2]
For you (for you), and me (and me), just wait (just wait) and see. Wait and see.

Take a good look around, and if you're feeling down
Put a little love in your heart
I'm hopin' you decide, kindness will be your guide
Put a little love in your heart

Chorus...Put a little love in your heart [x6]

PUT THE MESSAGE IN THE BOX

And if you listen now, you will hear
 A new sound coming in as the old one disappears
 See the world in just one grain of sand. You'd better take a closer look
 Don't let it slip right through your hands.
 Won't you please hear the call. The world says

Ch: Put the message in the box, put the box into the car
 Drive the car around the world, Until you get heard

And now is the moment, please understand
 The road is wide open to the heart of every man
 A few simple words that he could understand
 He don't want tomorrow if it's just crumbling into sand
 Won't you please hear the call. The world says

Chorus

And the world says, "Give a little bit, give a little bit of your love to me
 Cos I'm waiting here with open arms"
 He says, "Give a little bit, give a little bit of your soul to me
 Cos I'm waiting to behold your many charms"
 Is that love in the air? The world says

*Chorus [x2]***REACH OUT TO JESUS**

Ch: Reach out to Jesus, He calls your name
 He knows that we're not strong
 But he wants us just the same

1. Whenever we fall, there'll be a merciful hand
 When we say, sorry Lord, He will understand
2. Knowing all that we have done, should we not run and hide
 The Lord is calling us, the time has come to decide

REJOICE ALLELUIA

Rejoice alleluia, rejoice alleluia, rejoice alleluia, all men will be brothers some day
 In sincerity, in truth, honour, and freedom

If I could believe it was true, I'd dedicate myself to you
 I'd give you all the strength I have, never be down, never feel sad
 Oh, if I could believe it was true, I'd dedicate my life to you
 Every second, every minute, every hour, of every day
 I would still rejoice in the hope I'd hear you say

Rejoice alleluia, rejoice alleluia, rejoice alleluia, all men will be brothers some day
 In sincerity, in truth, honour, and freedom

RIVER OF LIFE

Brothers, sisters, come on down to that river
 Guaranteed you'll never be the same
 There's a fountain flowing from the heart of the Saviour
 Bring yourself and all your fears and pain
 Let that river of life wash it all away

If you've been searching, carrying burdens
 If you've been lost and looking for a home
 If you've been drifting and something is missing
 You should know that you are not alone, hey

Brothers, sisters, come on down to that river
 Guaranteed you'll never be the same
 There's a fountain flowing from the heart of the Saviour
 Bring yourself and all your fears and pain
 Let that river of life wash it all away

Woah-oh-oh
 Come on down to the river
 Woah-oh-oh

Come as you are, no time to waste
 Open your heart, don't be afraid
 Jump on in, the water is fine
 There's healing in the river of life

Come as you are, no time to waste
 Open your heart, don't be afraid
 Jump on in, the water is fine
 There's healing in the river of life

Brothers, sisters, come on down to that river
 Guaranteed you'll never be the same, oh-oh
 Brothers, sisters, come on down to that river
 Guaranteed you'll never be the same
 There's a fountain flowing from the heart of the Saviour
 Bring yourself and all your fears and pain
 Open your heart and everything will change
 Let that river of life wash it all away

Woah-oh-oh
 Come on down to the river
 Woah-oh-oh
 Come on down to the river
 Woah-oh-oh
 Come on down to the river
 Woah-oh-oh
 Let that river of life wash it all away

THE RIVER

You know a dream is like a river, ever changing as it flows
 And the dreamer's just a vessel, that must follow where it goes
 Trying to learn from what's behind you, and never knowing what's in store
 That makes each day a constant battle, just to stay between the shore

Ch: And I will sail my vessel 'til the river runs dry
 Like a bird upon the wind, these waters are my sky
 I'll never reach my destination, if I never try
 So I will sail my vessel 'til the river runs dry

Too many times we stand aside and let the waters slip away
 Till what we put off till tomorrow has now become today
 So don't you sit upon the shoreline, and say you're satisfied
 Choose to chance the rapids, and dare to dance the tide

Yes, I will sail my vessel...

There's bound to be rough waters, and I know I'll take some falls
 With the good Lord as my captain
 I can make it through them all

Yes, I will sail my vessel...

'til the river runs dry

THE ROSE

Some say love it is a river that drowns the tender reed
 Some say love it is a razor that leaves your soul to bleed
 Some say love it is a hunger, an endless aching need
 I say love it is a flower and you its only seed

It's the heart afraid of breaking that never learns to dance
 It's the dream afraid of waking that never takes the chance
 It's the one who won't be taken, that never seems to give
 And the soul afraid of dying that never learns to live

When the night has been too lonely and the road has been too long
 And you think that love is only for the lucky and the strong
 Just remember in the winter, far beneath the bitter snow
 Lies the seed that with the sun's love in the spring becomes the rose

SEEK THE LORD (Psalm 33)

Ch: Seek the Lord and He'll answer you
 Deliver you from all your fears
 Look to Him and be radiant
 So your face shall never be ashamed
 I sought the Lord and He answered me
 and delivered me from all my fears

The poor man cried, and the Lord heard him, and raised him out of his woe
 The angel of the Lord lives around those who fear Him
 And delivers them, delivers them from evil
 Oh, taste and see, taste and see that the Lord is good
 Happy the man, happy the man, happy the man who takes refuge in Him

Chorus

SERVE HIM

One day I took, I took an honest look
 I tried everything, I played every game in the book
 And I saw that there was nothing in this world to live for anymore
 Then one day, one day I heard about
 A certain man who could work things out
 So I came to Jesus, you know He came in
 And He showed me the way

Ch: Now all I want to do is serve Him,
 Oh, and all I want to do is serve the King
 That others may know Him and the power
 The power of His love

You know the kingdom of Heaven
 Is like unto a merchant man seeking goodly pearls
 And when he has found one pearl of a great price
 You know he went and sold all that he had, And he bought it
 He said "If any man, if any man come after me,
 Let him, let him deny himself, And take up his cross daily
 And let him follow, follow after me."

Chorus...

Power of His love, power of His love, Power of His love, power of His love
 Power of His love (Freedom in the Spirit, power in His blood)
 Power of His love (Freedom in the Spirit, power in His blood)
 Power of His love (Freedom in the Spirit, power in His blood)

Chorus

SHINE, SHINE A LIGHT

The path of life will take us / down many different roads
 Wherever it may lead us / no-one really knows
 But we journey on together / our friendship keeps us strong
 Your love and inspiration gives us hope to carry on

Chorus: So shine, shine a light. Let it shine across our land
 Shine a light and together now we stand
 At the dawn of each day the sun will shine so bright
 Let us treasure every moment, shine a light

Your spirit shines so brightly / it lights the darkest day
 Your inner strength much greater than the mountain in your way
 And we are right beside you taking one step at a time
 This road it may be rocky / but still your spirit shines

So shine, shine a light. Let it shine across our land
 Shine a light and together now we stand
 At the dawn of each day the sun will shine so bright
 Let us treasure every moment, shine a light *[x2]*

SHOUT FOR JOY

Shout, shout for joy, Shout, shout for joy
 Shout, shout for joy, shout for joy to the God of the earth

Dance, dance for joy, dance, dance for joy
 Dance, dance for joy, dance for joy to the God of the earth

Ch: Halleluia to the King, halleluia to the King
 Sing to Him, pray to Him, Praise and worship Him

Sing, sing for joy, sing, sing for joy
 Sing, sing for joy, sing for joy to the God of the earth

Chorus [x2]

SHOUT TO THE LORD

My Jesus, my Saviour, Lord, there is none like you
 All of my days, I want to praise the wonders of Your mighty love
 My comfort, my shelter, tower of refuge and strength
 Let every breath, all that I am never cease to worship you

Shout to the Lord all the earth let us sing. Power and majesty praise to the King
 Mountains bow down and the seas will roar at the sound of your name
 I sing for joy at the work of your hands. Forever I'll love you, forever I'll stand
 Nothing compares to the promise I have in You

Repeat from start

Nothing compares to the promise I have in You [x2]

SHOWER THE PEOPLE

You can play the game and you can act out the part
 Though you know it wasn't written for you
 But tell me how can you stand there with your broken heart
 Ashamed of playing the fool
 One thing can lead to another, it doesn't take any sacrifice
 Father and Mother, Sister and Brother
 If it feels nice, don't think twice, just

Shower the people you love with love, show them the way that you feel
 Things are gonna work out fine if you only will, if you only will
 Shower the people you love with love, show them the way that you feel
 Things are gonna be much better, if you only will

You can run but you cannot hide, this is widely known
 And what you plan to do with your foolish pride
 When you're all by yourself alone
 Once you tell somebody the way that you feel
 You can feel it beginning to ease
 I think it's true what they say about the squeaky wheel
 Always getting the grease, better to

Shower the people you love with love, show them the way that you feel
 Things are gonna work out fine if you only will, if you only will
 Shower the people you love with love, show them the way that you feel [x6]

SING CHILDREN SING

Though you feel at times you just can't win. Sing, sing children sing
 That you give is known, so don't give in. Sing, sing children sing
 Sing of the true way, sing of the time. Show them the new way, let your light shine

He who lights the fire must surely burn. Turn, turn children turn
 From the ones who see but will not learn. Turn, turn children turn
 Turn from the darkness, turn all the way. Look for the sunshine, and don't turn away

For everyone who doesn't stand must fall. Call, call children call
 And he who finds himself then finds us all. Call, call children call
 Call to the broken, call to the hate, let the word be spoken before it's too late

SOMETHING INSIDE SO STRONG

The higher you build your barriers, the taller I become
 The further you take my rights away, the faster I will run
 You can deny me, you can decide to turn your face away
 No matter, cos there's...

Ch: Something inside so strong, I know that I can make it
 Though you're doing me wrong, so wrong
 You thought that my pride was gone, Oh no
 There's something inside so strong
 Oh, something inside so strong

The more you refuse to hear my voice, the louder I will sing
 You hide behind walls of Jericho, your lies will come tumbling
 Deny my place in time, you squander wealth that's mine
 A light will shine so brightly it will blind you, Because there's...

Chorus

Brothers and sisters, when they insist we're just not good enough
 Well we know better, just look them in the eyes and say
 We're gonna do it anyway, We're gonna do it anyway
 We're gonna do it anyway, We're gonna do it anyway, Cos there's...

Chorus [x2]
[Repeat last line x4]

SONG OF HOSEA

Come near to me with all your heart
 Don't let fear keep us apart
 Trees do bend though straight and tall
 So must we to others' call

Ch: Long have I waited for your coming home to me
 And sharing deeply our new life

You shall sleep secure with peace
 Faithfulness will be your joy

Chorus [x2]

SPECIAL SONG

Nobody can tell you, there's only one song worth singing
 They may try and sell you, cos it hangs them up to see someone like you

Ch: But you've gotta make your own kind of music, sing your own special song
 Make your own kind of music, even if nobody else sings along

You're gonna be nowhere, the loneliest kind of lonely
 It may be rough going, just to do your thing's the hardest thing to do

Chorus

So if you cannot take my hand, and if you must be going I will understand

Chorus [x2]

TEACH YOUR CHILDREN

You who are on the road
Must have a code that you can live by
And so become yourself
Because the past is just a goodbye

Teach your children well
Their fathers' hell did slowly go by
And feed them on your dreams
The one they pick is the one you'll know by
Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

And you of tender years
Can't know the fears that your elders grew by
And so please help them with your youth
They seek the truth before they can die
(Can you hear, do you care
Can you see, we must be free
To teach your children, you believe
Make a world that we can live in)

Teach your parents well
Their children's hell will slowly go by
And feed them on your dreams
The one they pick is the one you'll know by
Don't you ever ask them why
If they told you, you would cry
So just look at them and sigh
And know they love you

THIS IS THE LIFE WE'VE BEEN GIVEN

(The Garden – Take That)

And the fisherman came back across the water
And the people started running in the park
And the city stopped, as I felt Him in my heart
We could hear the sound of sirens all around us
And the scent of burning oil was in the air
And the music played, and it felt so good to hear

This is the life we've been given
So open your mind and start living
We can play a part, if we only start believing

There's a stranger on the hill and He is speaking
As the tears from every cloud begin to fall
For one moment then, we understood it all

This is the life we've been given
So open your heart and start loving
We can make a start, if we only learn to listen

Everyone, everyone, can you hear our Lord is coming
Everyone, everyone, every man and every woman
We are one in the end, we are miracles of matter
So come on, let me love you

This is the life we've been given
So open your mind and start living
We can play a part, if we only start believing, oh

Yeah, this is the life we've been given
So open your heart and start loving
We can make a start, if we only learn to listen
We can play a part, if we only start believing

THIS LITTLE LIGHT OF MINE

Ch: This little light of mine, I'm gonna let it shine [x3]
Let it shine, let it shine, let it shine

The light that shines is the light of love, It lights the darkness from above
It shines on me and it shines on you, Shows what the power of love can do
I'm gonna shine my light both far and near, I'm gonna shine my light both bright and clear
Where there's a dark corner in this land, I'm gonna let my little light shine

Chorus

Christ's message to his people is love, He lets that light shine from above
We're each a candle with a little light, In a world of darkness we're shining bright
Each little light can join and grow, So that one big light of love will show
The message is simple and divine, Just let your little light shine

Chorus x2

THIS TOO SHALL PASS

There's been times you felt you could not lift your head
And all those lonely nights when you just needed a friend
And those days go by but the clouds keep rolling in
You're not alone, Oh you're not alone

And all those times everything you touched did turn to gold
And there was nothing you could say or do that ended up wrong
Those days went by and the time didn't last too long
You're not alone, no you're not alone

In the morning, in the evening, every day and in between
When it's raining, when it's pouring, and your grass don't look so green
Your world might fall to pieces, but these troubles won't last
Just remember, brothers and sisters, this too shall pass, this too shall pass

So when you just can't seem to find the words to pray
And all your broken heart it does, is wanna hate
Well, he hears your prayers, he even knows your name
You're not alone, no you're not alone

In the morning, in the evening, every day and in between
When it's raining, when it's pouring, and your grass don't look so green
Your world might fall to pieces, but these troubles won't last
Just remember, brothers and sisters, this too shall pass
this too shall pass, oh, this too shall pass

So lift your head up child, everything's gonna be alright
Won't take too long till the light comes in

In the morning, in the evening, every day and in between
When it's raining, when it's pouring, and your grass don't look so green
Your world might fall to pieces, but these troubles won't last
Just remember, brothers and sisters, this too shall pass, this too shall pass

Oh, this too shall pass, this too shall pass, oh, this too shall pass

TO LIVE FOR LOVE

Only you can make it work, Only you can move the stone
Only you can have the faith and will, To live for love

You have the world in your hands
You can live the eternal plan
The prophets dream come true, You can live for love

Go spread your bread upon the seas
Bring forth the harvest unto me
Take my life into your own, You can live for me

I see ten thousand maybe more
Groping, looking for that door
That leads to heavenly bread
Can you help the hungry who need to be fed

THE TRAVELLER

On a day when the devil and the world sat down together
And talked away the hours like a couple of old friends
While their children were playing on the village green together
With guns and tanks and bombs and lots of fighter airplanes
There came an outsider from where no one could say
But, simply and straightforwardly, he tried to save the day, He said...

God so loved the world that he gave His only son [x2]

All the politicians and the scholars said how sad
And after consultation they decided he was mad
Conspiracy, they shouted, chicanery, they said
He's nothing but a trickster and completely off his head

With sorrow and with anger he looked on their stupidity
Kept them debating on the future of mankind
He came to the marketplace of subterfuge activity
Anxious to know what attitude he would find
Amidst all the bargaining he spoke up loud and clear
The people turned to listen with a condescending ear, He said...

God so loved the world that he gave His only son [x2]

No sooner had he started than the violence broke out
They railed and they cursed him, just another long-haired lout
You sponger, you parasite, we fought for the likes of you
Give you education and just look where it leads to

The devil raised his glass as the traveller set forth
To leave the village far behind became his only thought
But as he reached the outskirts he stopped to rest awhile
As children's voices singing in the schoolhouse made him smile

Yes Jesus loves me, Yes Jesus loves me
Yes Jesus loves me, the Bible tells me so
(God so loved the world...)

TROUBLED TIMES

It takes all the things within you, it takes your heart and it takes mine
 It takes love to be forgiven, living in these troubled times

When it rains on the rain, and it snows in the Spring
 You're reminded again, it's just a "March of the Dimes"
 Living in these troubled times

It brings you down to buy a paper, if you read between the lines
 No one seems to have the answer, living in these troubled times

Still you try and you try, and you do what you must do
 It's a "March of the Dimes", living in these troubled times
 And loving in these troubled times
 [x2]

It takes a man, it takes a woman, it takes your heart and it takes mine
 It takes love to be forgiven, living in these troubled times [x2]

TRY A LITTLE KINDNESS

If you see your brother standing by the road
 With a heavy load, from seeds he's sowed
 And if you see your sister falling by the way
 Just stop and say, "You're goin' the wrong way"

Ch: You've got to try a little kindness
 Show a little kindness
 Just shine your light for everyone to see
 And if you try a little kindness
 Then you'll overlook the blindness
 Of the narrow-minded people on the narrow-minded street

Don't walk around the down and outs
 Lend a helping hand instead of doubts
 And the kindness that you show every day
 Will help someone along their way

Chorus [x2]

TURN ME AROUND

I know I've hurt you and I wonder if you know
 That I never really meant to, no I never really meant to
 Things have happened in my life, that have brought me to the way I am today
 Don't you know for you I'd gladly change

Ch: Turn me around turn me around. Lead me to the place I should be found
 Turn me around turn me around, lift me to higher ground

If you really, really want to, You know that you can mould me to you

It would be so easy to give up and walk away
 But please don't let that happen, we just cannot let that happen
 Things that I have done to you, oh they make you think that I don't really care
 Tell me how can I show you I do

Chorus [x2]

THE VOYAGE

I am a sailor, you're my first mate
 We signed on together, we coupled our fate
 Hauled up the anchor, determined not to fail
 For the heart's treasure together we set sail
 With no maps to guide us we steered our own course
 Rode out the storms when the winds were gale force
 We sat out the doldrums in patience and hope
 And working together we learned how to cope

Ch: Life is an ocean and love is a boat
 In troubled waters it keeps us afloat
 When we started the voyage there was just me and you
 Now gathered round us we have our own crew

Together we're in this relationship
 We've built it with care to last the full trip
 Our true destination's not marked on any chart
 We're navigating for the shores of the heart

Chorus [x2]

WASTED ON THE WAY

Look around me, I can see my life before me, running rings around the way it used to be
 I am older now, I have more than what I wanted
 But I wish that I had started long before I did

And there's so much time to make up, everywhere you turn
 Time we have wasted on the way
 So much water moving underneath the bridge, let the water come and carry us away

Oh when you were young, did you question all the answers
 Did you envy all the dancers who had all the nerve
 Look around you now, you must go for what you wanted
 Look at all my friends who did and got what they deserved

So much time to make up, everywhere you turn
 Time we have wasted on the way
 So much water moving underneath the bridge, let the water come and carry us away

So much love to make up, everywhere you turn
 Love we have wasted on the way
 So much water moving underneath the bridge, let the water come and carry us away
 Let the water come and carry us away

WE ARE THE WORLD

There comes a time when we heed a certain call
 When the world must come together as one
 There are people dying and it's time to lend a hand
 To life, the greatest gift of all
 We can't go on pretending day by day
 That someone, somewhere will soon make a change
 We are all a part of God's great big family
 And the truth, you know, love is all we need

Ch: We are the world, we are the children
 We are the ones who make a brighter day so let's start giving
 There's a choice we're making, we're saving our own lives
 It's true we make a better day, just you and me

We'll send them your heart so they know that someone cares
 And their lives will be stronger and free
 As God has shown us by turning stones to bread
 And so we all must lend a helping hand

Chorus

When you're down and out and there seems no hope at all
 But if you just believe, there's no way we can fall
 Let us realise that a change can only come
 When we stand together as one

Chorus

WELLS OF SALVATION

Your Spirit within me fills me with love
 Your love opens wide my closed heart and flows through me

Ch: Therefore, with joy shall ye draw water, Out of the wells of salvation

Your Spirit within me breaks through me with power
 Your power constrains my fragile will and holds me

Chorus

Your Spirit within me flows through me with life
 Your life gently breathes, bringing peace, freeing me

Chorus [x2]

WE MUST REACH OUT

We must reach out to one another
 In every land and every race
 So that in Christ our Lord
 We form a single chord
 And then, our Father, we can praise

WE SHALL BE FREE

When the last child cries for a crust of bread
 When the last man dies for just words that he said
 When there's shelter over the poorest head
 We shall be free

When the last thing we notice is the colour of skin
 And the first thing we look for is the beauty within
 When the skies and the oceans are clean again
 Then we shall be free

We shall be free, We shall be free, Stand straight, Walk proud, Cos we shall be free

When we're free to love anyone we choose
 When this world's big enough for all different views
 When we all can worship from our own kind of pews
 Then we shall be free

We shall be free, We shall be free, Have a little faith, Hold out, Cos we shall be free

And when money talks for the very last time
 And nobody walks a step behind
 When there's only one race and that's mankind
 Then we shall be free

We shall be free, We shall be free,
 Stand straight (Walk proud)
 Have a little faith (Hold out)
 We shall be free

We shall be free, We shall be free
 (Stand straight) Stand straight
 (Have a little faith) Walk proud
 We shall be free

Stand straight, walk proud, we shall be free

WHENEVER GOD SHINES HIS LIGHT

Whenever God shines His light on me
 Opens up my eyes, so I can see
 When I look up in the darkest night
 Then I know everything's gonna be alright
 In deep confusion, in great despair
 When I reach out for Him, He is there
 When I am lonely, as I can be
 Then I know that God shines His light on me

Ch: Reach out for Him, He'll be there
 With Him your troubles you can share
 And if you live the life you love
 You'll get the blessings from above

He heals the sick and He heals the lame
 Says you can do it too in Jesus' name
 And He'll lift you up, and He'll turn you around
 And put your feet back on higher ground
Chorus

WHO HAS MEASURED THE WATERS

Who has measured the waters in the hollow of His hands
 Or meted out the heavens with a span
 Or comprehended the lesson of the earth in a measure
 Or the mountains in a scale appear in a balance

Who has directed the Spirit of the Lord
 Or being His counsellor has taught Him
 With whom took He counsel, and who directed Him
 Who led Him in the pathways of judgement
 Who taught Him knowledge. Or showed Him in the path of understanding.

He has measured the waters in the hollow of His hands
 And meted out the heavens with a span
 And comprehended the lesson of the earth in a measure
 And the mountains in a scale appear in a balance

WHY WALK WHEN YOU CAN FLY

In this world there's a whole lot of trouble, baby, In this world there's a whole lot of
 pain
 In this world there's a whole lot of trouble but a whole lot of ground to gain
 Why take when you could be givin', Why watch as the world goes by
 It's a hard enough life to be livin', why walk when you can fly

In this world there's a whole lot of sorrow, In this world there's a whole lot of shame
 In this world there's a whole lot of sorrow and a whole lot of ground to gain
 When you spend your whole life wishin', wanting and wondering why
 It's a long enough life to be livin', why walk when you can fly

In this world there's a whole lot of cold, In this world there's a whole lot of blame
 In this world you've a soul for a compass and a heart for a pair of wings
 There's a star on the far horizon flashing bright in an azure sky (oohh)
 For the rest of the time that you're given, why walk when you can fly...high

THE WITNESS

I love you Lord, and you know I always meant to do things right
 I love you Lord, and when I think of how I've failed you, I could cry
 And when I hear you calling me, I want to run and hide
 Oh Lord you know, I love you so

I love you Lord, although I know my heart may not seem true
 I love you Lord, and I pray for one more chance to prove I do
 I want to leave the past behind and feel your smile again
 Oh Lord you know I love you so, I love you so

So if you find it in your heart to let me start again
 I'll be your witness Lord, your witness Lord
 Your witness to the end of my life, Help me make it right.
 Let me try again. I'll be your witness to the end
 [x2]
 To the end, to the end

YOU'VE GOT A FRIEND

When you're down and troubled and you need a helping hand
 And nothing, no nothing is going right
 Close your eyes and think of me, and soon I will be there
 To brighten up even your darkest night

Ch: You just call out my name and you know wherever I am
 I'll come running to see you again
 Winter, Spring, Summer or Fall, all you've got to do is call
 And I'll be there, yes I will. You've got a friend

If the sky above you should turn dark and full of clouds
 And that old north wind should begin to blow
 Keep your head together, and call my name out loud
 And soon I'll be knocking upon your door

Chorus

Well, ain't it good to know that you've got a friend
 When people can be so cold
 They'll hurt you, they'll desert you, they'll take your soul if you let them
 Oh but don't you let them

Chorus

ACCLAMATIONS:**BY YOUR CROSS AND RESURRECTION**

By your cross and resurrection, You have set us free
 You are the Saviour of the world (You are the Saviour of the world)

Christ has died and He is risen
 Christ has died, He will come again
 Christ has died and He is risen
 He died for us, for all mankind

CREATE IN ME

Create in me a clean heart, oh God; let me be like you in all my ways
 Give me your strength; teach me your song
 Shelter me in the shadow of your wings
 For we are your righteousness, if we die to ourselves and live through your death
 Then we shall be born again to be blessed in your love

CHRISTMAS:

CHRISTMAS MUST BE TONIGHT

Come down to the manger, see the little stranger
 Wrapped in swaddling clothes, the Prince of Peace
 The wheels start turning, torches start burning
 And the three wise men turn in from the East

Ch: How a little baby boy brought the people so much joy
 Son of a carpenter, Mary carried the light
 This must be Christmas, must be tonight

A shepherd on a hillside, where over my flock I bide
 On a cold winter night, a band of angels sing
 And I dreamed I heard a voice, saying fear not, come rejoice
 It's the end of the beginning, praise the new-born king

Chorus

I saw it with my own eyes, written up in the skies
 But why a simple herdsman such as I
 And then it came to pass, that he was born at last
 Right below the star that shines on high

Chorus

DO YOU HEAR WHAT I HEAR

Do you hear what I hear (what I hear) (what I hear)
 Said the little lamb to the shepherd boy
 Do you hear what I hear (do you hear what I hear)
 Moving through the night, shepherd boy
 Do you hear what I hear (do you hear what I hear)
 A song, a song, high above the tree
 With a voice as big as the sea, With a voice as big as the sea

Now said the shepherd boy to the mighty king
 Do you know what I know (do you know what I know)
 In your palace warm, mighty King
 Do you know what I know (do you know what I know)
 A child, a child shivers in the cold
 Let us bring Him silver and gold, Let us bring Him silver and gold

Said the king to the people everywhere
 Listen to what I say (listen to what I say)
 For peace and people everywhere
 Listen to what I say (listen to what I say)
 A child, a child sleeping in the night
 He will bring us through darkness to light, He will bring us through darkness to light

Do you hear what I hear (do you hear what I hear), (do you hear what I hear) [x4]

HE SHALL REIGN FOREVER MORE

In the bleak mid-winter all creation groans
 For a world in darkness, frozen like a stone
 Light is breaking in a stable for a throne

And He shall reign forever more, forever more
 And He shall reign forever more, forever more
 Unto us a Child is born
 The King of kings and Lord of lords
 And He shall reign forever more, forever more

If I were a wise man I would travel far
 If I were a shepherd I would do my part
 but poor as I am I will give to Him my heart

And He shall reign forever more, forever more
 And He shall reign forever more, forever more
 Unto us a Child is born
 The King of kings and Lord of lords
 And He shall reign forever more, forever more

And He shall reign forever more, forever more
 And He shall reign forever more, forever more
 And He shall reign forever more, forever more
 Unto us a Child is born
 The King of kings and Lord of lords
 And He shall reign forever more, forever more
 Unto us a Child is born

LIGHT OF THE STABLE

1. Hail, hail to the new born King
 Let our voices sing Him our praises
 Hail, hail to the guiding light
 That brought us tonight to our Saviour

Ch: Alle, **Alleluia** [x4]

2. **Come now where it shines so bright
 To the glowing light of the stable
 Kneel close to the child so dear
 Cast aside your fears and be thankful**

MARY'S BOY CHILD

Mary's boy child, Jesus Christ, was born on Christmas day
And man will live for evermore, because of Christmas day
[harmony]

[melody]

Long time ago in Bethlehem, so the holy bible says
Mary's boy child, Jesus Christ, was born on Christmas day

Ch: Hark now hear the angels sing, a king was born today
And man will live for evermore, because of Christmas day
Mary's boy child, Jesus Christ, was born on Christmas day

While shepherds watched their flock by night
 They see a bright new shining star
They hear a choir sing a song
The music seemed to come from afar

Chorus

[key change]

Now Joseph and his wife Mary came to Bethlehem that night
They found no place to bear her child,
Not a single room was in sight

Chorus

For a moment the world was aglow
 All the bells rang out, there were tears of joy and laughter
People shout and let everyone know
There is hope for all to find peace

[Men]

Oh my Lord, you sent your son to save us,
 Oh my Lord, your very self you gave us
 Oh my Lord, that sin would not enslave us and love will reign once more

[Men]

Oh my Lord, when in a crib they found him
Oh my Lord, a golden halo crowned him
Oh my Lord, they gathered all around him to see him and adore

Oh my Lord, with so much adoration
Oh my Lord, there came great jubilation
Oh my Lord, and full of admiration they realised what they had

Chorus

SILENT NIGHT

Silent night, Holy night, All is calm, all is bright
 Round yon Virgin Mother and Child, Holy infant so tender and mild
 Sleep in Heavenly peace, Sleep in Heavenly peace

Silent night, Holy night, Shepherds quake at the sight
 Glories stream from Heaven afar, Heavenly Hosts sing Alleluia
 Christ the Saviour is born, Christ the Saviour is born

Silent night, Holy night, Son of God, love's pure light
 Radiant beams from thy holy face, With the dawn of redeeming grace
 Jesus Lord at thy birth, Jesus Lord at thy birth

THEY FOLLOWED HIS STAR

When they came to Jerusalem, they asked to see the One
 The One who was born the King
 For His star had been shining to show them the way
 And now they must follow to the place where He lay

Chorus:

They followed His star, that holy night
They followed His star, the one with the heav'nly light
They travelled so far to see the Holy Child
They followed His star, all the way to Bethlehem, to worship him

All the way to Bethlehem they followed its light
 It led them each step of the way
 Then the star stood above them, their travelling was done
 So they fell on their knees to worship God's son
 To worship His son

Chorus:

They followed His star, that holy night
They followed His star, the one with the heav'nly light
They travelled so far to see the Holy Child
They followed His star, all the way to Bethlehem,
Followed His star, all the way to Bethlehem
Followed His star, all the way to Bethlehem...

To worship him

THIS IS MY WISH

This is my wish, my wish for the world:
 That peace would find its way to every boy and girl
 this is the time, the time for harmony
 let love be the song that everybody sings

Fill the air with joyful noise, ring the bells and raise your voice
 let there be peace on earth, let there be peace on earth
 lift your light let it shine, shine shine shine
 let every voice be heard, let there be peace on earth

I hear the sweetest sound, the sound of hope to come
 together we can bring goodwill to everyone
 let it start with you, let it start with me
 let every nation rise to sing this melody

Fill the air with joyful noise, ring the bells and raise your voice
 let there be peace on earth, let there be peace on earth
 lift your light let it shine, shine shine shine
 let every voice be heard, let there be peace on earth

Fill the air with joyful noise, ring the bells and raise your voice
 let there be peace on earth, let there be peace on earth
 lift your light let it shine, shine shine shine
 let every voice be heard, let there be peace on earth
 let every voice be heard, let there be peace on earth

WE HAVE A SAVIOUR

A child has been given, The King of our freedom
 Sing for the light has come, This is Christmas
 Come and adore Him and bring gifts before Him
 Joy to the world, Worship the Son, This is Christmas

This is Jesus, Emmanuel here with us, Tell all the world
 We have a Saviour, We have a Saviour
 We are no longer lost 'cause He has come down for us
 We have a Saviour, We have a Saviour

Sing with the angels, And lift up your voices
 Join in the song of hope, This is Christmas

This is Jesus, Emmanuel here with us, Tell all the world
 We have a Saviour, We have a Saviour
 We are no longer lost 'cause He has come down for us
 We have a Saviour, We have a Saviour

His love will reign forever
 His love will reign forever
 His love will reign forever [x2]

This is Jesus, Emmanuel here with us, Tell all the world
 We have a Saviour, We have a Saviour
 We are no longer lost 'cause He has come down for us
 We have a Saviour, We have a Saviour

WHEN A CHILD IS BORN

A ray of hope flickers in the sky
 A tiny star lights up way up high
 All across the land dawns a brand new morn
 This comes to pass when a child is born

A silent wish sails the seven seas
 The winds of change whisper in the trees
 And the walls of doubt crumble tossed and torn
 This comes to pass when a child is born

A rosy hue settles all around
 You got to feel you're on solid ground
 For a spell or two no one seems forlorn
 This comes to pass when a child is born

(Spoken)

And all of this happens because the world is waiting, waiting for one child – black, white, yellow, no one knows – But a child that will grow up and turn tears to laughter, hate to love, war to peace, and everyone to everyone's neighbour, and misery and suffering will be words to be forgotten forever.

It's all a dream and illusion now
 It must come true, sometime soon, somehow
 All across the land dawns a brand new morn
 This comes to pass when a child is born

WHEN HOPE CAME DOWN

So this is how it was, a silent night like any other
 When heaven sent the one, the one that we will call our Saviour
 And redemption began in a stable in Bethlehem

Ch: All of the angels lifted up their voices
 And filled the night with Halleluiahs
 God is with us now
 Everyone come and join the heavenly chorus
 Our Saviour King is here before us
 All to hear the sound, the song creation sang
 When hope came down

So this was truly God, wrapped up in a tattered blanket
 Love was finally here, sleeping while the world awakens
 And redemption began with a baby in Bethlehem

Chorus

So let us sing redemption song
 Let us worship Christ the holy one
 We were lost but we were found
 When hope came down

Chorus

When hope came down [x3]

THEMED SONGS:

DEATH IN JERUSALEM

When I told you that I'd need you
 Well you didn't understand
 Did you think I'd only feed you
 Yeah you didn't understand
 Yes I was a lonely man and you didn't know my name
 But when I looked you followed, and down the road you came

Ch: And there's gonna be a death down in Jerusalem
 And there's gonna be a death there, this I know
 And there's gonna be a death down in Jerusalem
 And Jerusalem is where I must go

Well maybe you were young men
 Who had high ideals
 And you thought I'd make a nice hero
 Well now you know how it feels
 Yes I was a lonely man bearing my lonely load
 Yes I was a lonely man, but I always knew my road

Chorus

When I left you in the garden sleeping
 Oh yes, I left you wondering why
 And my tears they were heavy
 You didn't know I had to cry
 Yes I was a sad man, many times I made you laugh
 Yes I was a sad man, but I always knew my path

Chorus ...Outside the city walls... Chorus [Last line x2]

FATHER AND SON

It's not time to make a change, just relax and take it easy
 You're still young that's your fault there's so much you have to know
 Find a girl, settle down, if you want you can marry
 Look at me, I am old but I'm happy
 I was once like you are now and I know that it's not easy to be calm
 When you've found something going on
 But take your time, think a lot, why think of everything you've got
 For you will still be here tomorrow but your dreams may not

How can I try to explain cos when I do he turns away again
 It's always been the same, same old story
 From the moment I could talk I was ordered to listen
 Now there's a way and I know that I have to go away
 I know I have to go (Away, away, away, I know I have to make this decision alone - no)

It's not time to make a change just sit down take it slowly
 You're still young, that's your fault there's so much you have to go through
 Find a girl, settle down, if you want you can marry
 Look at me, I am old but I'm happy (Stay, stay, stay why must you go and make this decision alone?)

All the times that I've tried keeping all the things I knew inside
 It's hard, but it's harder to ignore it
 If they were right I'd agree but it's them they know not me
 Now there's a way and I know that I have to go away
 I know I have to go

THE LIVING YEARS

Every generation blames the one before
And all of their frustrations
Come beating on your door
I know that I'm a prisoner
To all my father held so dear
I know that I'm a hostage
To all his hopes and fears
I just wish I could have told him
In the living years

Crumpled bits of paper filled with imperfect thought
Stilted conversations, I'm afraid that's all we've got
You say you just don't see it
He says it's perfect sense
You just can't get agreement
In the present tense
We talk a different language
Talking in defence

Ch: Say it loud, say it clear. You can listen as well as you hear
It's too late when we die to admit we don't see eye to eye

So we open up a quarrel between the present and the past
We only sacrifice the future; it's the bitterness that lasts
So don't yield to the fortunes you sometimes see as fate
It may have a new perspective on a different day
And if you don't give up and don't give in
You may just be OK

Chorus

I wasn't there that morning when my father passed away
I didn't get to tell him all the things I had to say
I think I caught his spirit later that same year
I'm sure I heard his echo in my baby's new born tears
I just wish I could have told him in the living years

Chorus

ORDINARY MAN

I'm an ordinary man, nothing special, nothing grand
 I've had to work for everything I own
 Well I never asked for a lot, I was happy with what I got
 Enough to keep my family and my home
 Well they say that times are hard and they've handed me my cards
 They say there's not the work to go around
 But when the whistle blows and the gates will finally close
 Tonight they're gonna shut the factory down, They'll tear it down

But I never missed a day, nor went on strike for better pay
 For twenty years I served the best I could
 With a handshake and a cheque it seemed so easy to forget
 The loyalty through the bad times and the good
 Now the owner said he's sad to see that things have got so bad
 But the captains of industry won't let him lose
 He still drives a car and smokes a cigar
 And still he takes his family on a cruise, You'll never lose

And so condemned I stand, just an ordinary man
 Like thousands beside me in the queue
 I've watched my darling wife trying to make the best of life
 God knows what the kids are going to do
 Now that we are faced with this human waste
 A generation cast aside, For as long as I live I never will forgive
 They stripped me of my dignity and pride
 You've stripped me bare [x2]

PERHAPS LOVE

Perhaps love is like a resting place, a shelter from the storm
 It exists to give you comfort, it is there to keep you warm
 And in those times of trouble when you are most alone
 The memory of love will bring you hope

Perhaps love is like a window, perhaps an open door
 It invites you to come closer, it wants to show you more
 And even if you lose yourself, and don't know what to do
 The memory of love will see you through

For love to some is like a cloud, to some as strong as steel
 For some a way of living, for some a way to feel
 And some say love is holding on, and some say, letting go
 And some say love is everything, and some say, they don't know

Perhaps love is like the ocean, full of conflict, full of pain
 Like a fire when it's cold outside, or thunder when it rains
 If I could live forever, and all my dreams come true
 My memories of love will be of you

STREETS OF LONDON

1. Have you seen the old man in the closed down market
Kicking at the papers with his worn-out shoes
In his eyes you'll see no pride, hands held loosely by his side
Yesterday's papers telling yesterday's news

Ch: So how can you tell me you're lonely and say, for you, that the sun don't shine
Let me take you by the hand and lead you through the streets of London
I'll show you something to make you change your mind

2. Have you seen the old girl as she walks the streets of London
Dirt in her hair and her clothes in rags
She's no time for talking, she just keeps right on walking
Carrying her home in two carrier bags
3. In the all night cafe at a quarter past eleven
Same old man sitting there on his own
Looking at the world over the rim of his tea cup
Each tea lasts an hour, then he wanders home alone
4. Have you seen the old man outside the Seamen's Mission
Memories fading with the medal ribbons that he wears
In our lonely city, the rain cries a little pity
For one more forgotten hero in a world that doesn't care

SUNDAY MORNING COMING DOWN

1. Well, I woke up Sunday morning
With no way to hold my head, it didn't hurt
And the beer I had for breakfast wasn't bad
So I had one more for dessert
And I fumbled through my closet for my clothes
And found my cleanest dirty shirt
Then I shaved my face and combed my hair
And stumbled down the stairs to meet the day

Ch: On a Sunday morning sidewalk, wishing Lord that I was stoned
Cos there's something in a Sunday makes a body feel alone
And there's nothing, short of dying, half as lonesome as the sound
On a sleeping city sidewalk, Sunday morning coming down

2. Well, I'd smoked my brains the night before
On cigarettes and songs that I'd been picking
Then I lit my first and watched a small kid cursing
At a can that he was kicking
Then I walked the empty streets
And caught the Sunday smell of someone frying chicken
And it took me back to something that I lost
Somehow, somewhere along the way
3. In the park I saw a Daddy, With a laughing little girl that he was swinging
I stopped beside a Sunday school
And listened to a song that they were singing
Then I headed back for home
And somewhere faraway a lonely bell was ringing
And it echoed through the canyons
Like the disappearing dreams of yesterday

THERE IS LOVE

He is now to be among you at the calling of your hearts
 Rest assured this troubadour is acting on his part
 The union of your spirits here has caused him to remain
 For whenever two or more of you are gathered in his name
 There is love, there is love

Well a man must leave his mother and a woman leave her home
 They shall travel on to where the two shall be as one
 As it was in the beginning is now until the end
 Woman draws her life from man and gives it back again
 There is love, there is love

Well, what's to be the reason for becoming man and wife
 Is it love that brings you here, or love that brings you life
 For if loving is the answer, then who is the giving for
 Do you believe in something that you've never seen before
 There is love, there is love

TRUE COLOURS

You with the sad eyes don't be discouraged
 Oh I realise, it's hard to take courage
 In a world full of people you can lose sight of it all
 And the darkness inside you can make you feel so small

But I see your true colours shining through
 I see your true colours, and that's why I love you
 So don't be afraid to let them show
 Your true colours, true colours are beautiful, like a rainbow

Show me a smile then, don't be unhappy
 can't remember when I last saw you laughing
 If this world makes you crazy and you've taken all you can bear
 You call me up because you know I'll be there

And I'll see your true colours shining through
 I see your true colours, and that's why I love you
 So don't be afraid to let them show
 Your true colours, true colours are beautiful, like a rainbow

If this world makes you crazy and you've taken all you can bear
 You call me up because you know I'll be there

And I'll see your true colours shining through
 I'll see your true colours and that's why I love you
 So don't be afraid to let them show
 Your true colours, true colours, true colours, are shining through

I see your true colours and that's why I love you
 So don't be afraid to let them show
 Your true colours, true colours are beautiful, like a rainbow

WHERE HAVE ALL THE FLOWERS GONE

Where have all the flowers gone
Long time passing
Where have all the flowers gone
Long time ago
Where have all the flowers gone
Picked by young girls, every one
When will they ever learn, when will they ever learn

Where have all the young girls gone
Long time passing
Where have all the young girls gone
Long time ago
Where have all the young girls gone
Gone to young men, every one
When will they ever learn, when will they ever learn

Where have all the young men gone
Long time passing
Where have all the young men gone
Long time ago
Where have all the young men gone
Gone to soldier, every one
When will they ever learn, when will they ever learn

Where have all the soldiers gone
Long time passing
Where have all the soldiers gone
Long time ago
Where have all the soldiers gone
Gone to graveyards, every one
When will they ever learn, when will they ever learn

Where have all the graveyards gone
Long time passing
Where have all the graveyards gone
Long time ago
Where have all the graveyards gone
Filled with flowers, every one
When will we ever learn, when will we ever learn

When will we ever learn, when will we ever learn
